

The Leonard Cleanable Refrigerator

IS NO NEW EXPERIMENT.

It has been sold in this city for the last four years. My customers advertise and sell it for me because they are pleased with it. They can take out the flues and clean them. It is charcoal lined. It takes very little ice to keep it cold. It is handsome enough to put in your dinning-room. Call and examine it.

PRICES FROM \$8.00 to \$75.00.

The Colored People.

Johnny French, after a short stay with his mother, Mrs. Johnson, returned to Cincinnati this week.

Rev. Eugene Evans will preach his closing sermon to the members of the First Baptist Church to-morrow evening, he having been called to other fields of labor.

A little child in the family of Mr. Coats, of the West End, died this week and was laid to rest Wednesday.

Mrs. Foebly Madison, the faithful and devoted wife of Mr. Merritt Madison, died Wednesday night at ten o'clock. She was a member of the Baptist Church and well thought of by all who knew her.

The members of the Industrial Legion Lodge are expected to be at the hall Sunday afternoon at two o'clock sharp, as business for their immediate consideration will come up.

Mr. Charley Carter, after a short visit to our city, left Wednesday for his home in the north. He was very well pleased with his visit to friends here.

Mrs. Brooks, of Louisville, is in the city stopping with Mrs. Simpson.

The entertainment Friday night by Capt. John H. Thompson's Camp was a success in every sense of the word. The drill put up by Camp Douglas, U. B. F., was grand and every one was well pleased.

Among those who will spend the summer elsewhere are: Miss Walker, who will leave in July for Chicago; Miss Lizzie Clark and Miss L. Taylor, who will visit friends in Illinois; Capt. John H. Thompson and Edward Lane will leave for Henderson in July to attend the Odd Fellows Grand Lodge; Messrs. Louis Todd and George Saffell will leave for New Albany, Indiana, soon, and Prof. Davis will go to Old Point Comfort.

The next important thing that will demand the attention of the colored men and women in our city, is the big mass meeting next week to arrange to help the old soldiers in their efforts to decorate the graves of their dead comrades who sleep in our cemeteries. The young men last year made the affair a grand one. Such men as Dr. E. E. Underwood, Edward Lane, Prof. Mayo and the pastors of the churches ought to at once determine to push matters so that there will be no lagging on the part of the young men in the matter of paying respect to the memory of those who gave their lives for their country. Notice will be given from each church pulpit Sunday as to the time and place of holding the mass meeting.

The city schools are now making great preparations for the closing of their sessions next month.

The colored people of this city have at last been aroused to a sense of duty in regard to raising funds to meet the expense of testing the legality of the "Jim Crow Car Bill," which will be taken before the courts of this State. Every colored man, woman and child, who have a piece of money to spare, should not fail to contribute something to this good cause when the ladies who are collecting the funds call on them.

Do You Know

That a large percentage of deaths in this country are caused by consumption and lung trouble? A little cold neglected in the beginning often terminates in consumption. Every time you cough you increase the trouble, and an inflammation is soon started, which is difficult to control. There is one remedy that cures quickly every kind of cough. That is Dr. Hale's Household Cough Cure. It is the best. Are you not entitled to the best? For sale at 25 and 50c. a bottle at CARPENTER'S drug store.

A Mammoth Sheet.

Miss Mary Campbell Sawyer has sent us from Brooklyn, New York, the tenth anniversary number of the New York World issued on the 7th inst. The paper contains 100 pages of reading matter and advertisements, with an elegantly illuminated cover. Mr. J. L. Waggener has also sent us a copy of the same paper from Atlantic City, New Jersey, and we return thanks to both for their kindness, but the paper is most too much of an undertaking for one sitting, and we will have to put in a month getting over every thing it contains. On the 37th page there is a large illustration of the Princeton Base Ball team, in which our own "Wicks" Lindsey appears, but we doubt if he would recognize his own photo, if the cut is a correct reproduction of it.

It Should Be Every House.

J. B. Wilson, 371 Clay St., Sharpsburg, Pa., says he will not be without Dr. King's New Discovery for Consumption, Coughs and Colds, that it cured his wife who was threatened with Pneumonia after an attack of "LaGrippe" when various other remedies and several physicians had done her no good. Robert Barber, of Cookeport, Pa., claims Dr. King's New Discovery has done him more good than anything he ever used for Lung Trouble. Nothing like it. Try it. Free Trial Bottles at P. H. CARPENTER'S Drug Store. Large bottles, 50c. and \$1.00.

BRIDGEFORD—Sunday, to the wife of Mr. Wm. Bridgeford, jr., a daughter.

GORDON—Sunday, to the wife of Mr. James Gordon, a daughter.

A signal service to weak woman-kind is the finding of lost health—the building-up of "a run-down" system. Nothing does it so surely as Dr. Pierce's Favorite Prescription. It cures all the derangements, irregularities and weaknesses peculiar to the sex. It's the most perfect of strength-givers, imparting tone and vigor to the whole system. For overworked, debilitated teachers, milliners, seamstresses, "shop-girls," nursing mothers, and feeble women generally, it is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic.

"Favorite Prescription" gives satisfaction in every case, or money paid for it is promptly refunded. That's the way it's sold; that's the way its makers prove their faith in it. Contains no alcohol to inebriate; no syrup or sugar to derange digestion; a legitimate medicine, not a beverage. Purely vegetable and perfectly harmless in any condition of the system.
