It is the only train for Jersey City Coast resorts, which are reached by the F. F. V. at dinner time instead of in the evening. It is the only train that enables business men to transact business in Cincinnati one day and reach Washington for breakfast the next morning. It is the most desirable train for New England resorts, connections being made in the Union Depot in Washington with the Colonial Express running through to Boston which reaches New Haven 4:10 p. m., New London 5:30 p. m., Providence 7:15 p. m. and Boston 8:30 p. m. The F. F. V. is the only modern train lighted throughout with Electricity, carrying a Dining Car and an Observation Car.
