New inventions spring into existence every day. Last week a full-fledged tyelone struck a field of corn for a Georgia man.

The Lexington Transcript and Evening News are enlarged and are booming. Their editors certainly stood in with the jockeys at the races.

An old female comet has struck double luck at last. A Nashville professor has discovered a pair of young twin comets in our starry constellation.

Z. F. SMITH is a candidate for Supt. Pub. Instruction, against Prof. D. Pickett. If we wanted a good Superintendent, we'd know exactly where and how to Pickett.

GEN. FRANK WOLFORD is so great a favorite for Congress in the new Eleventh district that the Democratic Committee has declared him the nominee without the formality of a convention.

The Democracy of Texas has nominated three native Kentuckians on their State ticket. John Ireland for Governor, Marion Martin for Lieutenant Governor, and Wm. J. Swain Comptroller.

The "Widow Callahan," of Texas, has 50,000 head of sheep, and is the largest individual owner in sheep in the country. Twice a year long trains of wagons take the wool product to San Antonio.

GUITEAU is whanging away on his little harp, and Sergeant Mason is pegging away on soles in prison. The former has a boundless, glittering eternity before him, while the other only has seventeen years and six months to serve.

MATT ADAMS carried Montgomery county in the primary election Saturday, and consequently is the nominee of the Democracy for Congress in that district. His majority over Kendall was about 200 in the county.

TOM YOUNG, and H. R. Patterson, will set the Owingsville Outlook on its feet again and feed it with a spoon until it can take on strong food and become healthy once more. May they have good luck and succeed in pulling through with the poor child.

TWO MEN fought a duel in Lewis county, with tobacco sticks. The battle lasted for seventy minutes, and an arm of each combatant was broken and both heads were pounded to jelly. The country should heartily applaud and encourage that kind of a duel, for no doubt both participants deserved a good warming-up on general principles.

GROVER CLEVELAND, Mayor of Buffalo, for Governor, and the Mayor of Elmira, for Lieutenant Governor, were nominated by the New York Democracy last week.

No wonder the Egyptians are a failure in war. The Egyptian salutation is "Peace be with you." Peace and repose make up their idea of perfect happiness. All are inert and innocent. Men, women, and children are, constitutionally tired. They recline on divans the greater part of the day, solemn and dreamy as owls. The Egyptian even caresses his children with an air of indolence and weariness. Disputes or troubles rarely arise, as it requires some physical and mental exertion to quarrel. The Egyptians have no amusements resembling those of the European races or the Americans. They refuse to get excited or enthusiastic over anything, and take delight simply and solely in the languor of undisturbed existence. To conquer an army belonging largely to such a race and commanded by a sleepy Arab, was an easy task for the British regulars.

AROUND THE CIRCLE.

A Lexington rooster cooled off his aching brain by sitting down on a cake of ice in front of the Ashland House one day last week.

The Simpson county grand jury returned recently 200 indictments, mostly for violations of the liquor law.

Colonel W. C. P. Breckinridge will deliver an address before the Centennial Society of Breckinridge county at Cloverport November 2.

Some negroes attempted to enter their children in the white schools of Owensboro last Monday, and, on being refused, quietly brought suit in the United States Court at Paducah.

It will require over 800 hundred wagon loads of iron to build the Kentucky river bridge on the Kentucky Central Extension, and much of it has already been hauled. —[Winchester Democrat.]

Scott county sent Lee Thomas to the penitentiary for one year for grand larceny, Frank Jackson two years for the same offense and Geo. Hays two years for malicious cutting and wounding. All colored.

Mr. P. Huffman, of Christian county, and Miss Martha Barr, of Sonora, Hardin county, were married in the gothic chapel of Mammoth Cave last week. She must have been the lady who swore she would n't marry any man "on top of God's green earth."

The Most Successful Remedy ever discovered as it is certain in its effects and does not blister. Also excellent for human flesh. READ PROOF BELOW FROM

COL. L. T. FOSTER.

YOUNGSTOWN, OHIO, MAY 10TH, 1880. B. J. KENDALL & Co., Gents:—I had a very valuable Hambletonian colt which I prized very highly; he had a large bone spavin on one joint and a small one on the other, which made him very lame; I had him under the charge of two veterinary surgeons who failed to cure him. I was one day reading the advertisement of Kendall's Spavin Cure in the Chicago Express, I determined at once to try it, and got our druggists here to send for it; they ordered three bottles, I took them all and thought I would give it a thorough trial, and used according to directions and the fourth day the colt ceased to be lame, and the lumps had disappeared. I used but one bottle and the colt's limbs are as free from lumps and as smooth as any horse in the state. He is entirely cured. The cure was so remarkable that I let two of my neighbors have the remaining two bottles who are now using it. Very Respectfully, L. T. FOSTER.

Kendall's Spavin Cure.

ON HUMAN FLESH.

Patten's Mills, N. Y., Feb. 21st, 1878. B. J. KENDALL & Co., Gents:—The particular case on which I used your Kendall's Spavin Cure was a malignant ankle sprain of sixteen months standing. I had tried many things but in vain. Your spavin cure put the foot to the ground again, and for the first time since hurt in a natural position. For a family liniment it excels anything we ever used.

Yours truly, REV. M. P. DELL, Pastor of M. E. Church, Patten's Mills, N. Y.
