Fitzwater is Bound Over

In Covington Monday afternoon J. H. Fitzwater was held to the grand jury in the sum of \$400 bond by Judge Read, in Police Court, on a charge of shooting with intent to kill. Richard Medlin, formerly of Paris, who was arrested on a similar charge, was dismissed.

Several weeks ago the men met at the Covington gas works where they engaged, in a pistol duel. One of Medlin's bullets took effect in Fitzwater's lungs and as a result he was confined to a hospital in that city for several weeks.

Recently he was taken from the institution and placed in jail to await his examining trial. Medlin, who was arrested at the time of the shooting, was released on bond for his appearance in police court at the examining trial. It was brought out at the examining trial that Fitzwater was the aggressor. Medlin suffered a bullet wound in his right shoulder from the effects of which he has about recovered.

The trouble grew out of the alleged attention Fitzwater was paying to Medlin's wife, and the latter is said to have left her home with him. Fitzwater deserted a wife and several children. Medlin and Fitzwater are cousins.

Buys Main Street Property.

By the terms of a deal closed Wednesday Dr. D. S. Henry and Mr. S. T. Chipley purchased from Mr. A. W. Cottingham the Main street property occupied by Mr. Chipley and the residence between this property and the grocery store of the Cottingham-Keller Co. The price was private.

Tobacco Market a Little Off

Wet tobacco coupled with the most unfavorable conditions caused the market at the Bourbon Tobacco Warehouse to be a little off in price yesterday, but everything considered the most satisfactory prices were obtained.

The market opened weak but improved somewhat before the close of the sale. There was a great demand for tobacco in the proper condition, but buyers were very reluctant in bidding upon the offerings that were too heavily in case.

A total of 174,510 pounds were disposed of at an average of about 13 cents per pound. A few of the better averages were as follows: R. H. Burris, \$14.11; Mrs. Lena Jones, \$15.05; Hutchcraft and Ferrell, \$15.63; George Flanders, \$14.53; Barlow and Hutchison, \$17.14 C. M. Sweeney, \$13.06.

TUESDAY'S SALES.

The Bourbon Tobacco Warehouse Co. sold 175,000 pounds of tobacco Tuesday at an average of 14 cents per pound. The market opened somewhat weak but closed active and strong and farmers were well pleased with the prices realized. To that date the house had sold a total of 2,028,305 pounds for \$275,795.21.

Takes Position in Lexington.

Mr. Robert S. Porter, for many years connected with the News and who more recently has been engaged in the theatrical business in this city has secured a position as desk reporter with the Lexington Herald and assumed his duties Monday.

Mr. Porter is a thorough newspaper man, and has been connected with local papers in various capacities. He formerly held the position of proofreader on the Herald and was considered one of the most valuable men in this department. His years of experience in journalism and mechanical positions has fitted him well for the position he now holds and he will prove a valuable member of the staff of the Herald.

What Makes a Woman?

One hundred and twenty pounds, more or less, of bone and muscle don't make a woman. It is a good foundation. Put into it health and strength and she may rule a kingdom. But that's just what Electric Bitters give her. Thousands bless them for overcoming fainting and dizzy spells and for dispelling weakness, nervousness, headache and tired, listless, worn out feeling. "Electric Bitters done me a world of good," writes Eliza Pool, Depew, Okla., "and I thank you with all my heart for making such a good medicine."

Only 50 cents. Guaranteed by Oberdorfer.

Refuses to Grant Franchise.

The Fiscal Court of Clark county has refused to grant a franchise to the Kentucky Utilities Company to erect poles and string electric wires in Clark county for the purpose of furnishing electric light and power to the rural residents. The vote stood five to two.

Quite So.

Ex-Parisian Dies in West.

A message received by Mrs. Mary E. Honey Tuesday night announced the death of Mr. Daniel Isgrig, at Los Angeles, Cal., which occurred Monday evening.

Mr. Isgrig, who was a son of the late William and Letitia Reid Isgrig, was born and raised in Bourbon county. He was a brother of the late William Isgrig, and an uncle of Mr. Dan Isgrig, of Paris, and Mr. Sweeney Isgrig and Mrs. Lisle Jacoby, of the county. Mrs. Honey is a cousin of the deceased.

Mr. Isgrig was the tallest man in Los Angeles, being six feet nine inches in height and a Los Angeles paper recently, on the occasion of his ninetieth birthday anniversary, published a lengthy account of this distinguished character. His last birthday was celebrated on September 2, 1912, the date on which his brother, Mr. William Isgrig, died at his home near this city.

During the many years he lived in California he was an active business man and as a result of his labors amassed considerable wealth. Only recently he predicted he would live to be 110 years old.

Council Meeting.

From the fact that certain portions of the franchise submitted to the City Council by Col. Tom Stewart, of Winchester, at the last meeting of that body were not acceptable to some of the members action in regard to granting the franchise and advertising for bids was deferred until the next meeting when the matter will again come up for consideration.

The question as to the maximum rate to be charged the consumers of this city is the matter that is withholding the action of the Council and until the representatives of the concern desiring the franchise are communicated with it will remain open.

The members of the council discussed freely the provisions set out in the franchise as submitted to that body and it was agreed that the consumers in this city, in event the pipe lines were extended to Paris, should receive the same treatment as those of other towns now connected with the natural gas. For that reason the Council deferred its action.

Exemption from taxation for a period of five years, which was discussed at the last meeting was again brought up by City Attorney C. A. McMillan in a statement to the board after consulting with Mr. Stuart. It was agreed to strike out this portion and that if the council desired to grant an exemption it could do so in an ordinance at a later date.

The original franchise was changed somewhat by an agreement between Col. Stuart and Mr. McMillan in substance that the rate for gas should be the same as that in effect in other cities and that in event of a raise in the rate of either Mr. Sterling, Lexington or Winchester such rate should go into effect in Paris.

Objection was made to the maximum rate of 55 cents as set out in the franchise, and upon the motion of Councilman Hinton it was ordered that the maximum rate be placed at 40 cents per thousand cubic feet and the City Attorney be instructed to confer with the representative of the gas company in regard to the proposed change.

With the acceptance of the promoters of the proposed changes in the franchise it is likely the Council will grant the request made of it at its next meeting and enter an order advertising for bids.

The report of City Treasurer C. K. Thomas was not complete and will be submitted to the Council at its next meeting. The following permits were granted: Anna Harrison, cottage on Virginia avenue; Steve Moore, stable on Seventh street; R. Hammans, cottage on Parrish avenue. Permission was given the firm of Yerkes & Prichard to lower the pavement in front of their place of business on Main street to render it easily accessible to automobiles.
