**FIGHTERS ARRESTED**
Jim Ozer, colored, an enquered man, was arrested yesterday evening by the police and charged with breaking a window of the store of Lieut. Col. Oscar Whiting, near the corner of Third and Main Streets. The break-in was attended by a considerable crowd, and when the police arrived, they found the windows partially broken and the interior of the store in a state of disorder. The suspected man was taken to the police station for further questioning.

**FIGHTING IN THE COURTYARD**
The Courtyard in the City was the scene of a disturbance last night, involving a conflict between two groups of young men. The fracas occurred near the entrance to the structure and involved a number of individuals. It is reported that several persons were injured in the incident, and the police were called to quell the commotion.

**REPORT OF SWEET SALE**
A sweet sale is being held at the Sweet Sale store located at the corner of Main and Market Streets. The store has a large selection of sweets, including chocolates, candies, and cookies, at discounted prices. The sale is expected to last for three days, and customers are encouraged to visit the store to take advantage of the special offers.

**ELECTRIFIED HOUSES**
The city is electrified, and the streets are ablaze with light. The electricity has been turned on in the city, and the streets are now illuminated. The local power company has announced that the electricity will be available for public use starting tomorrow.

**LUXURY BARGES**
The luxury barges are floating down the river, and the scene is one of splendor and elegance. The barges are decorated with flowers and lights, and the passengers are enjoying a night of leisure and relaxation. The barges are stopping at various points along the river, and the passengers are disembarking to explore the sights and sounds of the city.

**THE INFLUENZA SITUATION**
The influenza situation is on the increase, and the number of cases reported has risen sharply in recent days. The health authorities are urging individuals to take precautions to prevent the spread of the disease, such as washing hands frequently and avoiding close contact with sick persons. The situation is being monitored closely, and further action may be taken as necessary.
