YOUNG WOMAN ATTEMPTS SUICIDE BY TAKING CARBOLIC ACID.

After having spent several moments laughing and talking with some friends in the office at the Dotson & Denton Garage, on High street, where she was employed, Miss Leticia Crowe, aged seventeen, took a dose of carbolic acid, presumably with suicidal intent, about four o'clock yesterday afternoon.

The girl's attempt was observed by several employees of the garage, who reached her too late to prevent the act. She was placed in an auto and rushed to the office of Dr. Chas. G. Daugherty, where the stomach pump was applied and emetics administered. She was later removed to the Massie Memorial Hospital. It is thought she will recover. No reason for the act is known. Miss Crowe had for some time been in the employ of the Paris Home Telephone Co. as operator, resigning that position to accept a place in the office of the Dotson & Edington garage.

MAY COURT DAY.

There was a good attendance yesterday, May Court Day, but not much in the way of business going on. The big crowd simply milled around and around from one place to another, with no apparent object in view, and trading was rather light. A few mules on the market changed hands at fair prices. The usual run of Court day stock occupied the attention of the small traders, and several transactions in horses were made.

The day was a noteworthy one, from the fact that the leather-jungled itinerant religious exhorter, the patent medicine faker and the rampant soap box orator were all conspicuous by their absence. We surely missed them, but the calm and peace that prevailed in their stead was all the more welcome. Merchants report good business and collections very good. There was a very manifest disappointment voiced by the big crowd over the non-appearance of the Flying Circus.

FLYING CIRCUS TO-MORROW

That is the latest information Publicity Secretary Rudolph Davis has received regarding the Flying Circus. If no further hindrances intervene the aeroplanes will be here to-morrow and give an exhibition over Paris in the morning. The planes will land at a selected place at the J. T. Hinton farm, on the North Middletown pike, from where the flights will be made. Several applicants has asked permission to make a flight in the machines, but it is not yet known who will go "up in the air." After many disappointments it is hoped to-morrow will really see the original program carried out.

Publicity Secretary Rudolph Davis telephoned THE NEWS yesterday that he had paid a visit to the aviation field, the Lebus farm, near Lexington, where the Flying Circus is making headquarters, and that the prospects for Paris people seeing the machines in action before Wednesday was a very slim one. Two of the flying machines were undergoing repairs caused by breaks sustained in the recent heavy weather. The aviators told him they hoped to be over Paris, Wednesday, and if not then, either Thursday, Friday or Saturday. It's simply a case of patience—wait and wait, with chances evenly divided between watching and waiting!

KNIGHTS OF COLUMBUS INSTALL P. I. MCCARTHY COUNCIL SUNDAY.

Sunday the city of Paris was invaded by a peaceful host on a peaceful mission, the invading hosts being the members of the Knights of Columbus order, their wives, daughters and sweethearts, making in all a crowd estimated at about one thousand. The object of the visit was the installation of a new Council of the order, named after the late Mr. P. I. McCarthy, one of Paris' most progressive and public-spirited citizens.

Following their wonderful achievements of the battlefields of France, and in this country during the world-war, the Knights of Columbus captured this city Sunday without a shot being fired, except the brilliant volleys of oratory delivered at the banquet held in the court house basement at night. The day was given over to the initiation of ninety-seven members of the new Council and the installation of the officers.

A special train from Covington over the Louisville & Nashville at 11:10 brought about five hundred members of the order from Covington, Newport, Ludlow, Latonia and Cincinnati, while others came from Louisville, and other points in the State. Lexington sent a large delegation in two special cars over the Interurban lines. A line of march was formed, proceeding from the Tenth street passenger station of the Louisville & Nashville down Main to the court house, from where they spread out, to take in different points of interest in the city.

In the afternoon the work of installation was taken up, and the following officers were placed in their respective positions, the work being under the supervision of District Deputy J. J. Donovan, of Ludlow; Edward H. Gorey, Grand Knight; J. F. McCarthy, Deputy Grand Knight; J. M. O'Connell, Financial Secretary; Richard T. Welling, Treasurer; Henry J. Santen, Sr., Chancellor; W. L. Keller, Warden; William Granlan, Advocate; John R. Roche, Inside Guard; J. T. Kane, Outside Guard; George L. Doyle, J. J. Grose, M. J. Lavin, Trustee; Rev. Eugene DeBruyn, Chaplain.

Following the initiatory exercises at the Masonic Temple, the newly-elected members and their guests partook of a splendid banquet in the basement of the court house, prepared by the ladies of the Paris Catholic church. About five hundred covers were laid, and the viands were served by forty young women of the church. The tables were beautifully decorated, and the guests, having had their appetites sharpened by the long hours at the installation and initiatory work, did ample justice to the delicious menu, composed of the following: Grapefruit cocktail, olives, radishes, pickles, roast young chicken, Bourbon county old ham, potatoes au gratin, French peas in timbales, combination salad with French dressing, beaten biscuit, home-made hot rolls, brick cream, individual cakes, coffee, mints, cigarettes. During the banquet an orchestra rendered a selected program.

When the inner man had been fully satisfied the following interesting program was carried out, with Mr. Edward H. Gorey acting as toastmaster, and Mrs. Bernard J. Santen, of Lexington, at the piano:

"Somewhere A Voice Is Calling"—Miss Julia Woods.

Address, "Knights of Columbus In The War"—Hon. Wm. A. Geoghegan.

"Kiss Me Again"—Miss Margaret Benckart.

Address, "The Home Council"—Rev. Jas. L. Gorey.

"God Be With Our Boys Tonight"—Miss Mattie Elder.

Address, "The Doughboy"—Hon. Matt J. Hennessy.

"Little Mother of Mine"—Miss Louise Keller.

Address, "One Million Members In 1919"—John J. Donovan.

The work of initiating the large class of members in the new Council was in charge of Blue Grass Council, of Lexington, who administered the first and second degrees to the candidates, the third degree being demonstrated by District Deputies John J. Donovan and M. J. Rohan, and their staff, of Ludlow. The new members who took the several degrees Sunday were as follows:

IN THE SERVICE OF THEIR COUNTRY.

A number of Bourbon boys recently discharged from the service participated in the Victory Loan parade at Carlisle, Friday.

Mr. and Mrs. A. G. Hornback, formerly of Carlisle, but now residents of Paris, are in receipt of a telegram stating that their son, Melvin Hornback, had arrived in New York after eight months service with the American Expeditionary Forces, in France.

Mrs. G. M. Jones, of Millersburg, left Friday for Norfolk, Va., to meet her husband, George Morton Jones, who recently landed there from overseas. Jones was one of the first of the Millersburg boys to enlist in the U. S. service in the navy department. He will be stationed at the Norfolk navy yard permanently.

Robert Fitzgerald, of the U. S. Navy, formerly assistant pharmacist at the People's Pharmacy, in this city, is here on a seven-days' furlough to visit friends and relatives. Young Fitzgerald enlisted in the navy branch of the service when the call to the colors first went out. He will be stationed on the U. S. S. Missouri, at Hampton Roads, on his return to duty on May 13.

When the U. S. transport "Finland" landed at Hoboken, N. J., a few days ago, there was no happier person descending the gangplank among the hundreds of returned soldiers than Private Leo J. Grosche, of Paris. Young Grosche had been in overseas service for over a year with the Telegraphers' Battalion of the 416th Railroad Signal Corps, and had been stationed at various times close to the battlefield. In a letter to his brother, Joseph J. Grosche, in this city, Leo stated that he was surely glad to see the good old American land again, and that he hoped he would never have to return to the Old World again.

INTERESTING OIL NOTES

It is reported that the McCombs Producing & Refining Company and Local Oil & Gas Company, operating on the Rena Butcher lease, have completed No. 17, which is estimated at 250 barrels.

The McCombs Producing and Refining Company and the Local Oil and Gas Company, expect No. 10, on the Della Hargis tract, in by the middle of this week. Nos. 18 and 19, belonging to the same companies, on the Butcher lease, will be brought in next week.

The Phoenix Oil Company, recently incorporated at \$1,500,000, has opened offices in Louisville, with Secretary W. H. Giltner, formerly of Paris, in charge. This is the company which took over the original Johnson lease, in the Johnson pool, Allen county, and also owns 550 acres adjoining the Johnson lease. The total acreage of the company in Allen county is 6,000, all pronounced good holdings.

DISCHARGED SOLDIER DOES A LITTLE BOMBARDING.

Charles B. McFeeney, a discharged soldier, armed with a big service revolver, caused a panic on Main street, between Eighth and Ninth, about six o'clock Saturday night, when he proceeded to "go over the top" in a charge of the most military fashion. It was alleged by bystanders and eye-witnesses that for the space of fully fifteen minutes McFeeney owned all the territory in sight, and was complete master of the block. Retiring to Pleasant street, he was stated by the police, he began firing his revolver, which before he had used only in dummy warfare, flourishing and pointing it.

Hearing the racket Sheriff Wm. G. McClintock, hurried to the scene, which was close to his home, and placed McFeeney under arrest. He was locked up on charges of being drunk, disorderly conduct, and discharging firearms in the city limits.

A CRY FROM THE RED CROSS ROOMS.

We have between 250 and 300 garments to be finished by the 14th. Unless we can get outside help, this can't be done. Any woman who is willing to help can call at the rooms in the court house and take a bundle home to make 2, 4, 6 garments—as many as she can finish by the date named.

Don't let Kentucky fail to go over the top. Her quota of 80,000 is nearly finished. Rooms open every day this week.
