A Patriotic Creed.

To serve my country day by day
At any humble post I may,
To honor and respect her Flag,
To live the truths of which I brag;
To be American in deed
As well as in my printed creed.

To stand for truth and honest toil,
To fill my little patch of soil
And keep in mind the debt I owe
To them that died that I might know
My country prospering and free,
And passed the heritage to me.

I must always in trouble's hour
Be guided by the men in power;
For God and country I must live.
My best for God and country give;
No act of mine that men may scoff
Must shame the name American.

To do my best and play my part,
American in mind and heart,
To serve the flag and bravely stand
To guard the glory of my land,
To be American in deed,
God grant me strength to keep this creed.
