TEXAS CROPS AND WEATHER.

The first trainload of wheat was shipped from Gainesville Saturday. It consisted of twelve cars, and carried over 7000 bushels. The plum crop of Blanco county is quite

The rain which fell Monday in Grayson county was much needed by both corn and cotton, and like most of the rains this sea-son, came just when it was needed.

The rain in Bes county did a great deal of good. Watermelons and grapes are plentiful and are sold daily in the streets at learning. A good rain is needed in Medina county.

The Shiner Courier says, "Master Herman Bass brought to this office a radish weighing eight pounds. It measured eighteen inches in circumference and twenty-five inches in length." Mrs. Klerst of Wichita county made

hirty bushels of wheat to the acre this Last Tuesday Mr. Hograth of Brazeria had on exhibition and for sale seventeen maximoth cabbage heads, three of which exactly filled a flour barrel. They were raised by Col. Jere Warren on his plantation a few miles above town.—[Quintana Times.

Hempstead had a heavy storm last Thurswhich did some the rain was of much benefit to the crop. Harvest is just beginning in Potter county, the first wheat being cut Tuesday. W. P. Pearson, who lives on the line of sections in dispute between Potter and Randall counties, says his flax crop will average twenty bushels to the acre. He will also have a fine peanut crop.

Johnson county had a good rain Friday, which was heaviest in the southern part of

Transal, Kaufman County, June 30.— There will be more fruit this year than expected, but blackberries are short. The canning factory is running like a freight train down grade. Several persons have put up samples of small grain, grasses, fruit, etc., for the county fair association.

SPRINGTOWN, PARKER COUNTY, June 30.— One of the heaviest rains that ever fell here wet the earth to-day, beginning about 11:30 a. m. and lasting until 2 p. m. Some of the streets were almost impassable on corseback on account of the water. Some lamage to crops and gardens from washes. On the compass of this rain corn will need no more showers to make one of Texas' good crops.

SOUTHMAYD, GRAYSON COUNTY, June 30 .-Recent heavy rains have assured a heavy yield of corn. Threshing about half done, Wheat is making fifteen bushels, and sellng at 75 cents. Sample good. Cotton was lean before the rains, and is growing fast. No inpury by worms so far. GHAPE, UPSHUR COUNTY, June 30.

Good rains have fallen within the last ten lays, which assures a first-class corn crop. Lops of all kinds were never better at this

TO SETTLE IN WICHITA COUNTY.

Arrangements of the Prospective Fort Sill Colonists Under the Leadership of J. S. Works.

HEADQUARTERS TEXAS-ORLOHOMA | UNION, SELTZER, TARRANT | COUNTY, TEX., June 28, 1891.

Arrangements have been completed this week for the forward movement on the Sill country. Our border location is in Wichita county, with the Texas-Iowa colony and Specht's colony. While the colonies are separate and distinct our the colonies are separate and distinct our interests are mutual. Iowa Park will be our shipping point and base of supplies on the Fort Worth and Denver railroad. About nine miles north of Iowa Park is "Clara," (Specht scolony) on the Territory border. Our colony is offered lots free (to actual settlers) at Clara, while contracts are drawn to lay off Union addition at lowa Park and sell to our colony at government price, \$10 per lot, (to actual settlers). These are be ter terms than we will get in the Fort Sill country for town people. Why! Because the government price on town lots is the the government price on town lots is the same as lowa Park lots for our addition, and we are in a railroad town of about twelve hundred people with all the necessaries and comforts and most of the luxuries of life. At Clara on the border you are offered lots 310 cheaper than you will get agrees the river for the formers. We got scross the river for the farmers. We acres either for cash or shares. This will enable our farmers to plant a crop this fall and raise their own supplies to keep them

on their homesteads the first year. To our members: The above arrangements are made for you one and all alike. will have the colony agent at lowa Park as soon as possible. Until you get notice to that effect, D. C. Kolp of lowa Pack will furnish you information as to Iowa Pack and its surroundings. Your circular letter (No. 1) will furnish you information soon to secure your emigrant rates now. I will arrange for excursion (half fare) if possible at any time that a sufficient crowd want to go and see the country and its advantages. On receipt of this notice every member that wants to go on the excursion from Fort Worth to the Fort Sill ountry write me at once, stating what
