To Begin Pastorate Nov. 20. Rev. F. R. Champlin has accepted the call to the two churches in town and plans to begin his pastorate Nov. 20. There will be no services next Sunday.

Mr. Champlin plans to board here during the winter as it is not convenient to move his family and goods and farm produce at this time of year. He has a position with the Dunham Brother's Co.

He has built on the place, which is the first house outside of the village limits on the Bellows Falls road, a new henhouse to accommodate at least 500 hens. WHAT'S IN A NAME?

A name may mean nothing—or it may mean everything.

A name may be a horse, whether he be drawing a hay cart or winning a race. A meal is a meal, whether it be served on the crockery of a beany or the delicate Sevres of the pretentious hostess.

Tea is tea, whether it be a flavorless apology or the world's finest. What have you said when you say "tea"? Nothing! Quality is by the addition of one word—LIPTON'S—and you've said everything—purity, strength, quality, aroma and deliciousness.

Because LIPTON'S means everything in tea, it enjoys the largest sale in the world.

Ask your grocer for Lipton's Yellow Label Tea. If he does not sell it, send us his name and address and we will mail you a FREE sample and give you the name of a grocer who can supply you. Thomas J. Lipton, Inc., Hoboken, N. J.
