FRESH MINERAL WATERS.—We take

brier County, Va.

This water, which has been for several years transported from the White Sulphur Springs, in Greenbrier County, in this State, enjoys great reputation throughout the United States, and is now very generally used and its virtues extolled as a remedial agent in bilious diseases incident to a remedial agent in bilious diseases incident to a warm climate, dyspepsia, costiveness, juundice, chronic rheumatism, gout, dropsy, in affections of the breast occasioned by disease of the stomach or liver, neuralgia, and nervous diseases in general; chronic inflamation of the kidneys and bladder, and urethra; piles, scrofula and erup ions, or other affections of the skin; ill conditioned ulcers, mercurial diseases, &c. &c., all of which is attested by the highest names in the medical profession, and many others who have for years used this water, both at and when removed from the fountain.

and pint bottles.

CHALYBEATE MINERAL WATER, an active and lasting Tonic. A general view of the analysis of this water, will show that it stands the first in rank of the highly concentrated. "Chalybeates,"—consequently it acts as a Tonic, increasing the strength of the system, raising the force of circulation, giving tone to the degistive organs, augmenting the muscular vigour, and promoting the exerctions; it is of course advantageously employed in those diseases in which Iron is principally used, such as Amenorrhea, Chlorosis, some states of Menorrhagia, Leucorrhea, Dyspepsia, Scrofula and carrious forms of Chronic Deblity.
