## DIED IN GREENSBORO.

SON OF DR. M. B. WHARTON, OF THIS CITY.

Intelligence reached Norfolk yesterday of the death of Mr. M. B. Wharton, Jr., at his home in Greensboro, N. C., after a protracted illness.

Deceased was the son of Rev. Dr. and Mrs. M. B. Wharton, of this city, who were with him in his last hours. Young Mr. Wharton's illness extended back several weeks, and his demise, although a severe blow to his devoted parents and family, was not unexpected. The funeral and interment will probably take place at Greensboro to-day.

Dr. and Mrs. Wharton have the sympathy of a large number of friends in this city in their bereavement.

# These Prices Give the Public the Best of It.

## What \$7.25 will do.

## What \$12.50 will do.

Some men, who don't know, have an idea that all ready-to-wear Clothing is alike, and they continually go on blindly paying higher prices to smaller operators for garments that are made nothing like so good, nor fit anything like as well as these extraordinary Men's Suit Bargains we have just placed on sale for the Seven Twenty-Five. Here are handsome patterns of Men's Sack Suits, made up into fashionable three and four button sacks, full lined, half lined or quarter lined—wide French facings, inverted piped seams, full box, conforming side bodies, or body-fitting—from Cassimeres and Cheviots, that are warranted in every detail to give A1 wear. Now is the time for pick and choice of a large and varied assortment of patterns of stylish up-to-date Men's Spring Suits, and there is no question about the most satisfactory results of securing the best selection of patterns and sizes at the outset of the season when the size scales are complete.

Just a word or so to the skeptic in reference to Clothing values. Big—black type with all sorts of claims stare you in the face at almost every turn. Take a look at the show windows when in this neighborhood—take a peep at the handsome patterns—type of materials—shapeliness of garments and the general tone and finish of the Men's Suits now offered on sale at the Nine Twenty-Five—we'd be much pleased to have you go into still further details in the matter; in fact, give them a rigid and most thorough inspection. Come in and examine the quality of the textiles, take careful notice of the correct features and decided improvements in the tailor work; try 'em on—and then say whether or not you would consider them values at Nine Twenty-Five. Hundreds of men are availing themselves of this extraordinary Suit offering for the Nine Twenty-Five—why not you?

If you have a thought that leans toward economy take the right road to money-saving and come right here. Twelve Fifty never did, or in all probability never will again, capture such extraordinary qualities, made in such wonderfully pretty garments as we are now prepared to show. Gentlemen that are particular about their dress, and have their individual notions of just the way they want their Clothes to fit, are particularly requested to glance over this gigantic assortment of Choice Spring Suits now on sale at only Twelve Fifty. Big-gun high-cost tailors look at these goods in amazement and wonder how such remarkable tailoring creations can be produced and sold at retail for the Twelve Fifty—to match 'em ready-made or ready-to-wear at any other store is simply a waste of time, and to get them to fit like these and give the same satisfactory results is entirely out of question.

You'll like these new Spring Suits—you'll like them for more reasons than we can name here—but principally because they are good in looks, correct in style and perfection in fit. Of course, if you don't care what kind you WEAR and have no regard for quality, workmanship, and correctness of fit and shape you can pay another dealer the same price for something that will not represent these improved features. Then again, if you don't care what you PAY, you can give some stiff charging tailor nearly double as much as our manufacturing price and take a Suit that may not fit anything like as well as ours. Here are excellent Suits at a moderate price—tailored in faultless fashion, made from stylish up-to-date designs of strictly first-class Worsteds, Cheviots, Cassimeres, Diagonals, Tricots, &c., in light and dark colors, made up in every desirable shape on the new fashion plates this season. Fifteen Dollars never captured such handsome Suits before, and stylish dressers will find the best facilities and the best choice by making their selections whilst the size conditions are in complete shape.
