Brederick D. Grant and granddaughter of General U. S. Grant, husband and wife, was celebrated at All Saints Chapel here at noon to-day. The assembly of invited guests, notable for social and military distinction, made the ceremony one of the most brilliant ever winessed at Newport.
The family and social connections of the bride gave to the wedding a military as well as a diplomatic character, and the little church in which it took place was bright with blue and gold, the bridegroom's uniform easily outshing those of the hore guard.
Right Rev, H. C. Potter, Protestant Episcopal Bishop, of New York, officiated, assisted by Rev. Dr. Nevins, of the American Church in Rome, but in accordance with the laws of Rhode Island, Rev. Dr. Porter, of the Emanuel Church of this dity, read that portion of the service which legally united the distinguished pair.
On the altar and chancel were suspended a large number of baskets filled with orchids, intermingible with a chime of snowy floral wedding bells. Large garlands of bride's roses descended from the bells to two Italian columns, forming a bover, which almost hid from view the bridal party as it stood at the altar.
The only music was that of the organ. which gave out the notes of the "Loo hengrin" Wedding March as the procession entered the church doors. At the same time Bishop Potter and Dr. Porter, vested for the service, entered the chancel from the vestry, followed by the Prince and M. Honore Palmer, a cousin of a bride's maids nor any mald of honor.
As the bridal procession included only Miss Grant and here were no bride's maids nor any mald of honor.
