CANDIDATES TO MEET. CANDIDATES TO MEET.

The City Democratic Executive Committee will meet Monday night with the candidates, when the above list will be declared official, and the affairs of the primary will then be turned over to the candidates. It is probable that the candidates will at this meeting select an Electoral Board for the government of the primary. Of the forty-one candidates it will require the votes of twenty-eight (two thirds) to select the members of the Electoral Board, and the same number to ratify the selection of judges and clerks of the primary by the board.

FOR THE COUNCULS

FOR THE COUNCILS.

The City Executive Committee at its meeting Monday night will probably take up the matter of holding ward primaries for the selection of a Councilmen ticket, but the impression prevails that this primary will not be ordered until after the general primary has been held. Several members of the committee, who have talked themselves to the Virginian-Pilot, have said that a night primary would have to be held for the Councils, as this was the only legalized method of holding ward primaries. "ROOTERS" DELIGHTED

Norfolk "Phenoms" Show Up in First Game in Excellent Form.

Old Point Defeated by a Score of 20 to 3 Nortalk Team's Strong Batting, Snapp, Wins Easy Victory Baseball Notes.

scalp of the Norfolk "Phenoms" yester day, but the only adornment they fluton their return trip was heavy crepe The soldier-citizen boys of Manager Camp's team, strong amateurs for the most part, were easy for the Norfolk players, who developed scarcely a weak point in vesterday's game. The score was 20 to 3.

It was the rooters' first opportunity to yell for the "Phenoms," and the players gave them cause to be proud of them. Norfolk had three pitchers in the box—Brooks, Tierney and Bass—and their work, which was watched closely, wes strong, and responsible largely for Old Point's small score. The infield work of the team was snappy and vigorous. Jim Smith, at short stop, made several pretty stops that kept the Old Pointers out of bases that looked easy for them. Spratt's work at second base was everything expected of him from his brilliant record last season, and Armstrong and Sullivan also did good playing.

The outfield of Norfolk was well cared for by "Phenom" Smith, McCloud and Pulsifer, though the Old Pointers gave them but little hard work to do. "Phenom" Smith made two brilliant catches in the right field, which sustained his reputation in that line, and also did what was expected of him at the but when be made at two to yell for the "Phenoms," and the

also did what was expected of him at the bat when he made a two and a three bagger. Pulsifer duplicated Smith's work at the but, his three-base hit utterly demoralizing the Old Pointers for a short time. Two home runs were made on this

Two home runs were made on this hit.

Sullivan, the third baseman of Norfolk's team, sent the bail far into the left field in the eighth inning, and made the only home run of the game, causing the rooters to go wild.

The Old Point team made two of its three rdns in the first inning, and in this inning managed to shut off Norfolk on the third base. The score standing 2 to 0 at the end of the first inning, caused the rooters to guy the Norfolk players for letting amateurs walk over them. There was some rather shaky playing by the Norfolk team in this inning. Armstrong, at this base, muffed a ball and failed to stop Powell, the lanky batter of the Old Pointers, whose hitting was one of the game's features.

In second inning, however, Armstrong, as well as the other Narfolk players who hadn't been at their best apparently in the first, redeemed themselves, and didn't get shaky again during the rest of the game.

Cld Point's star player, at least in yesterday's game, was Powell, the right fielder. His batting and base running did more than anything eise to keep up the spirit of his team.

Cunningham was in the box for Old Point during the first four innings. Fuller pitched for the halance of the game, and his quick work, occasionally sending a curve, kept the Norfolk batters guessing at first, but they were soon onto him.

The line-up of the teams was as follows:

Matthews, one of the Norfolk players, umpired with perfect satisfaction to both teams.

NOTES.

NOTES.

The familiar face of Mr. W. Harry Norris was seen in the box office yesterday, and "Billy" Simmons was at the gate.

There were about six hundred fans in attendance at yesterday's game, and they showed no lack of enthusiasm. Several ladies witnessed the game.

Manager Smith, of the Norfolk team, has arranged a game with the Soldiers' Home team, to be played at Hampton next Saturday.

The Old Point boys are desirous of meeting the "Phenoms" again, and

The Old Point boys are desirous of meeting the "Phenoms" again, and have invited them over to play in the Fortress Monroe grounds some afternoon next week. The challenge will probably be accepted.

The game between Princeton and Nerfolk is not a certainty yet, but Menager Smith is working for it. The Princeton team has been asked to come here next Friday and play Norfolk.

The game between the Boston National League team and Vale College will doubtless draw a big crowd to the Norfolk grounds next Saturday.

Mr. John T. Brady, the Portsmouth magnate, was among those who witnessed yesterday's game.

INDOOR BASEBALL.

Two picked teams from the Senior Gymnasium Class of the Y. M. C. A. played an interesting game of indoor baseball in the gymnasium last night. The second team under Capitain E. H. Miller was defeated by Capitain M. Lankford's team by a score of 23 to 46. First team batteries—Miller, Priest and Dodson. Second team batteries—Odend'hal and Epps.

The features of the game were the two home runs by Montague with the bases full and the pitching of Epps, who struck out eight men.

Prof. Ward referred the game, which was the first of the season.
