STATE FAIR OPENS

Three Fine Races Yesterday-Speed Program for To-day.

State Fair and Agricultural Associa-tion opened yesterday successfully. A preparedness for the reception of visitors. The exhibits were all in order by noon and the great exposition building The day was cool and pleasant, but threats of rain kept down the attendance. The direct street car service to the fair grounds will be much appre-

threats of rain kept down the attendance. The direct street car service to the fair grounds will be much appreciciated by the public.

IN THE MAIN BUILDING.

As one steps from the car and enters the main building he is confronted by the noble, white arch of Geo. Talt & Sons, the Norfolk seedmen, whose "thoroughbred seeds" are widely known and planted. The arch was described in our issue of Sunday. The display of seeds and bubbs in bags, sacks, trays and bubbs, trays and bubbs, and the bubbs, and

THREE CENT FARES.

Common Council Requires Them of the New Railway.

87,000 - Oil Restrictive Ordinances Page

ed-Water Supply Examined.

At a meeting of the Common Council at 8 o'clock last night Mr. J. Frank East was in the chair as president, and members were present as follows: Messrs. Beaman, Camp, Denby, Fitz-gibbons, Kiernan, Mayo, Old, Pitt, Ridgwell, Stahl, Seneca, Tilton, Tunstall, Underdown, Walker and Whitehurst.

hurst.

The petition of the Norfolk and Atlantic Terminal Company to build on the corner of City Hall avenue and Atlantic street was read.

Mr. Lowenberg said he was present to give any information, if any were n.eded. A galvanized building is needed because it would be more ornamental than brick would be. The insurance will be no more on any adjoining building.

Mr. Tilton proposed to speak against frame buildings in the heart of the city, if the city will ever put off swaddling clothes it must do so now. It is a serious menace to put anything but a brick structure at the corner of Atlantic street and Plume street. No step backward should be taken now. There should not be any frame building in the heart of the city. The report of the Fire Committee was carried by 14 to 4.

REDUCED CAR FARE.

Petition of the Norfolk and Atlantic

Fire Committee was carried by 14 to 4.

REDUCED CAR FARE.

Petition of the Norfolk and Atlantic Terminal Company to connect its line at Atlantic street. The Street Committee approved the petition. Mr. Tilton moved that the report of the committee be adopted. Mr. East offered an amendment that children be allowed to go to and from school at a three-cent fare and two fares for five cents.

Mr. East spoke in favor of his amendment, saying that such an amendment to a previous franchise was lost. The railway should grant this request because the Council has been liberal in dealing with this road.

Mr. Lowenberg said he fully concurred with Mr. East. There is a difference between the railways. The Norfolk and Atlantic Terminal Company is not like the Norfolk Railway and Light Company, because the one is a producing property, while the other is not. It is merel in process of development. It is not a paying business. The road is not able to do what the gentleman asks. It makes no difference how much money there is behind the enterprise if the owners do not make something on their property

Continued on Page 6.

FUNERAL NOTICE.
