

Pimples AND Blotches

ARE EVIDENCE That the blood is wrong, and that nature is endeavoring to throw off the impurities. Nothing is so beneficial in assisting nature as Swift's Specific (S. S. S.). It is a simple vegetable compound. It is harmless to the most delicate child, yet it forces the poison to the surface and eliminates it from the blood.

I contracted a severe case of blood poison that unfitted me for business for four years. A few bottles of Swift's Specific (S. S. S.) cured me. J. C. JONES, City Marshal, Fulton, Arkansas. Treatise on Blood and Skin Diseases mailed free. SWIFT SPECIFIC CO., Atlanta, Ga.

Having for a long time suffered from the effects of a horrible blood trouble, and after resorting to medical skill and other remedies without benefit, I tried "A. B. C. Alterative," I have been entirely restored, and it affords me pleasure to attest its virtues. It is incidentally a very great tonic and alterative, and I recommend any suffering from blood trouble, to try it. J. W. WELMER,

ROMANTIC STORY

Of the Life of One of Mr. Connel's Opera Singers.

Quite a romance is the story of the life of Bettina Padelford, who sings in an opera to be produced here next week. She is the daughter of General Albert Ordway, formerly of Richmond, this State, but now a resident of Washington, where he has acquired great wealth, and in the exclusive society circles of which place he is a prominent figure.

During the war Colonel Albert Ordway commanded a regiment of Union men. He came to Richmond soon after the evacuation, and engaged in the granite and slate business. While there he boarded at a Mrs. Godwin's who was a refugee. She kept a boarding house up town, which was patronized mostly by Union men. She had a daughter, who it is said, was a very pretty woman. The sympathetic thoughts between the then Colonel and this daughter, whose name was Missouri, on Union acts, made the progress to love an easy task, and eventually they were married.

The fruit of this union was a daughter, Betty Ordway. Many remember her as being one of the prettiest little girls in Richmond, and when she grew to maidenhood she created a perfect furore in Washington society.

While at the zenith of her social success she married a man named Padelford, who it is said, was very wealthy. The name was a well-known one in Washington at that time.

The couple went to California, where their marital undertaking proved a failure, and after a divorce suit full of scandal and sensation Betty Padelford returned to her father in Washington.

Her next appearance was upon the stage, she making her debut as Bettina Girard. She always possessed a beautiful voice and went into opera singing as her first effort.

While this engaged she became acquainted with Rafael, who sings in the same opera company with her, and they were married.

She has an assured position in society, and is making an enviable professional reputation. Padelford is now a New York stock broker.

Two Children Fatally Burned.
CUMBERLAND, Md., Nov. 15.—While the thirteen-year-old daughter of Chas. Murphy was preparing dinner yesterday, her clothes took fire from the stove and her body was terribly burned. She died. Her mother went to her rescue with a three-months' baby in her arms. The mother and baby were also badly burned, and the baby will die.

A Successful Fair.
DANVILLE, Va., Nov. 15.—[Special]—The fourth day of the veterans' fair was equally as interesting as the three previous days. The fair will close tomorrow. The net proceeds, to be devoted to the erection of a soldiers' home in or near Danville, will be somewhere near \$2,000.

Adolf Laloz, carriage manufacturer, 119 Carroll street, Buffalo, N. Y., states: I was troubled with nausea of the stomach, sick headache and general debility; Burdock Blood Bitters cured me.

GRAND OPENING SALE OF THE
Wytheville Development Company.
Sale will begin September 30, at 1 o'clock.

WYTHEVILLE, VA.
"THE GEM OF THE ALLEGHANIES"—"THE SARATOGA OF THE SOUTH."

The county seat of Wythe County, which was awarded the diploma with \$5000 premium at the Virginia Exposition at Richmond, in 1885, in Minerals and Woods. Population 4,000. Altitude 2,360 feet.

Wythe County has two blast and fifteen charcoal iron furnaces, and several zinc and lead furnaces. Wytheville offers the best sites and greatest inducements to manufacturing industries of any city in the South. The Wytheville Development Company's reserve fund for new industries alone amounts to \$180,000. Wytheville is the center of the richest mineral region in the South. Wytheville exempts all manufacturing industries from municipal taxation for ten years. Wytheville has beautiful and well-paved streets 60, 70 and 97 feet in width. Two electric light plants and three water systems. Wytheville has the best public schools and the handsomest school building in Virginia; has three female colleges and two male academies. Owing to its mineral waters, free to visitors, which are highly curative for many diseases, and its great altitude, it has grown into a great and fashionable health resort.

The Wytheville Development Company will place on the market, September 30, 500 residence and business lots of its property in the new West End Extension, lying between the Wytheville Cotton Mills and the "Jackson Park Hotel," on both of which work has just begun. This property to be offered for sale for the first time, September 30, is the most beautiful property in Wytheville, and will be priced at very reasonable figures in order to encourage investments. Investments in Wytheville real estate within the last ninety days have borne from 100 to 500 per cent. to investors.

The Norfolk and Western railroad, running from Norfolk to the West and Northwest, will have on sale at stations on line and agencies in New England special excursion round-trip tickets to Wytheville, good until October 31.

For further particulars, apply to W. L. YOST, president of the Wytheville Development Company, Wytheville, Va. sep21-1m
