High School Musical a Success.

The musical given at the Wenatchee theater under the auspices of the Wenatchee High School last evening was a complete success. Financially, and from the standpoint of a critic of musical talent, the students of the local institution more than fulfilled the expectations of their friends. Much work had been expended on the part of the faculty and student body to insure the excellence of the program and a well-filled house greeted the participants on the raising of the curtain. A feature of the musical was the work of the High School orchestra, which rendered the opening and closing numbers. Under the direction of Prof. Louis Crollard, the High School musicians rendered music of which an older and more experienced orchestra might well be proud. The High School glee club gave two pleasing vocal numbers, and there were some individual selections that were especially pleasing. Mrs. C. C. Griggs sang "My Dream," and was heartily encored, as was Mr. G. C. Humphreys in his vocal solos. Roy Smith, turning from the classical, gave an old time "coon" song, "De Watermelon Smilin' on de Vine," accompanied by a Southern "hoe-down" and was repeatedly encored. A violin duet by Messrs. Lyman Shotwell and Earl Thompson was one of the highly appreciated numbers. The recitations by Misses Doris Jones and Helen Collier were indicative of much careful work on the part of the young ladies in preparing their selections and showed them fitted for their parts. Piano selections by Misses Beard, Godfrey and Wiester were very well rendered and a whistling solo by Charles McNeerney was one of the pleasing numbers. In conclusion of the program, the "Deutsche Gesellschaft" in the role of "Schneider's Band," made a hit, their seven-foot drum major being a wonder to the small boy in the audience. The proceeds of the musical will be used to make the final payment on the High School piano. The gross proceeds of the evening were \$130, and the net proceeds will probably be \$105.

EVANGELISTIC SERVICES

Rev. Thomas Atkinson of Chicago to Hold Special Meetings at the Presbyterian Church.

Beginning Sunday, the third of March and continuing throughout the week, Rev. Thomas Atkinson of Chicago will speak both Sunday morning and evening in the Presbyterian church. Rev. Mr. Atkinson met with the members of the church Thursday arranging the details of the services. Everyone was impressed with the earnestness and force of Mr. Atkinson. The chairmen of the various committees are, advertising, H. L. Wiester; music, Prof. Deniston; personal workers, John A. Gelatly; finance, Howard Thomas.

REV. ATKINSON HERE

Former British Volunteer in Africa
Decides to Locate in Chelan
County

One of the most remarkable military expeditions of modern times, or of any period for that matter, was that sent by the British government in 1884-5 into the Soudan for the purpose of raising the siege of Khartoum and rescuing from the Mahdi General George Charles Gordon. One of those who volunteered for service on that expedition is now in Wenatchee and will preach in the Presbyterian church Sunday morning at 11

o'clock and at 7:30 in the evening. Mr. Atkinson holds a special decoration given him by the late Queen Victoria, also one known as "the Khedive Star" presented by Mahomet Tewfik then the Khedive of Egypt. Mr. Atkinson has been preaching and singing since 1887, having held meetings in all parts of the United States. He has recently purchased property at Entiat and expects to make Chelan county his future home. Mr. Atkinson in his life work has been associated with Lord Wolesley, Lord Kitchner, Gen. Earle, Gen. Bueler and many other notables of the British service. In his religious work he has been associated with Dwight L. Moody, Dr. Torrey, Dr. Chapman and many other foremost religious workers of the past half century. Mr. Atkinson will speak and sing each night at 7:30 in the Presbyterian church for at least two weeks.

Almost Ready for Occupancy.

Plate glass for the windows of the new Columbia Valley bank building arrived this morning and is now being put in place. As soon as this shall have been completed the building will be ready for occupancy as by that time the marble steps and other external fixtures will be in place. The bank will move into its new home in about two weeks, and the quarters now used by the bank will likely be occupied by the Columbia Valley Abstract company. The three-room suite now tenanted by the latter company, in turn will be occupied by the business office and editorial rooms of the Daily World.

Another Nursery.

S. J. Packwood of the Entiat was up Saturday in company with his brother P. B. and wife. Mr. Packwood has just completed the sale of 8 7-10 acres of land which his brother bought for \$1,800 eighteen months ago, to some Chicago parties for \$3,500. It was in alfalfa and a residence just started on it. The Chicago parties who bought it are connected with the Stark Bros. the famous nurserymen and expects to put it in fruit. They intend to put out a large body of grafts on it in the spring for the purpose of the trade. Mr. Packwood, who sold, immediately bought again, getting a larger tract. Mr. Packwood says that prospects are bright for the Entiat country, many inquiries coming from outside parties about the country. The Entiat lands are unsurpassed in the state for productiveness.—Waterville Press.

Notice.

The Christian Science services will be held in the Fuller & Mechtel building on the second floor Sunday at 11:00 a. m. Wednesday evening services at 7:45 p. m.
All are cordially welcomed.

Southside Resolutions.

The following resolutions, which were passed the other day by the Southside Farmers' Club, are highly expressive of the indignation of the people in that section over the acts of a few men in Waterville which attempt to thwart a good measure:

Whereas, the Waterville Commercial Club in a meeting recently held, refused to indorse the movement for the purchase of the bridge across the Columbia at Wenatchee by the state.

Whereas, the Farmers' Club of Southside refuses to believe that this action is indicative of the sentiment in Douglas county and that we believe that the whole sentiment of the county except by a few men at Waterville is strongly in favor of the measure and that we hereby condemn the action taken by a few men purporting to represent the people of Douglas county and that by mistaken premises they have caused the measure to be questioned.

Whereas, By virtue of a contract made with the people of Wenatchee this bridge can be bought at a figure which would be a good bargain for the state, and

Whereas, the bridge is the natural intersection of the great highways of the state and is located in the exact center of the state and is the natural center for great traffic, and

Whereas, We charge certain men of Waterville to be acting for certain political interests and personal, and not for the benefit of the county at large,

Therefore, Be It Resolved, By the Farmers' Club of Southside, that we do not agree with a few men of Waterville who purport to represent the whole of Douglas county and that we request Mr. E. C. Davis, our state representative, to lend his influence to the passage of Senate Bill, No. 175.

FIRST TRAIN INTO OROVILLE

Large Crowd Gathered at the Station to Welcome It.

OROVILLE, Feb. 28.—In accordance with the official announcement made by Superintendent Morgan of the Washington & Great Northern, the first passenger train to Oroville came in Saturday evening, arriving at 10 o'clock from Molson. A large crowd assembled at the depot to welcome the train, notwithstanding the lateness of the hour. As the train pulled in it was greeted by shouts from the crowd that were heard for miles. The train was loaded with passengers, many coming down from Molson for the ride, and to join in the welcome and general good time that followed for the balance of the night among the "frisky Okanoganers" and their country neighbors from the "Molson hill," as that country is called.
