88TH ANNIVERSARY OF ODD FELLOWS

Local I. O. O. F. Celebrate Last Night With Banquet and Dance.

The Odd Fellows had a big time last night.

Yesterday was the 88th anniversary of the foundation of their order in America, and they celebrated some in consequence. The local festivities were a part of a grand national celebration, held in every town in the United States where the Odd Fellows have a lodge—and that's most everywhere.

The festivities opened with a sumptuous banquet served in the I. O. O. F. hall in the Ellis-Forde building, plates being laid for 161 members.

After disposing of an excellent course dinner, the various Odd Fellows present adjourned to the Wenatchee theater, where an official program was presented. The address of the evening, by the Rev. A. J. Adams, was peculiarly pertinent to lodge affairs and was heard with close attention by the large gathering present.

At the conclusion of the program an informal dance was held, being participated in by the three local branches of the I. O. O. F. The Rebekah ladies chaperoned the youngsters present, the Crollard boys supplied dance music, and a good time was enjoyed until a late hour.

Sunday morning at 10:30 the Rev. Mr. Hilton will address the members of the I. O. O. F. at St. Luke's Episcopal church. All members will meet at the downtown lodge room, and march to the church edifice.

Continue Fruit Inspection.

NORTH YAKIMA, April 25.—After receiving instructions from State Horticultural Inspector Huntley, and the attorney general, County Fruit Inspector Joe Brown has decided to continue with the work of inspection and should occasion arise he will enforce the law and rely on the advice of the state officials for authority.

Jack London Begins Tour of World.

SAN FRANCISCO, April 25.—Jack London's sail boat the Snark, started yesterday for Honolulu, the first port to be touched on a six year's cruise around the world. The vessel is forty-five feet long, ketch rigged, and its occupants, besides London and his wife, are Herbert Stoltz, a Stanford graduate and athlete, Roscoe E. Eames, captain; Martin Jacobson, cook, and Hideshiso Tochigi, cabin boy.

Mrs. Geo. Graham Gets Divorce.

Mrs. George Graham was this morning granted a divorce from her husband, on the grounds of wilful desertion. Graham is a printer, and was formerly in the employ of the Republic. He left here a year ago in January and since then has contributed nothing to the support of his wife and three-year-old son, who live in this city. Graham made no answer to the complaint against him, and the case went by default.

A Chelan County Girl to Go to Jamestown

One of the Most Attractive and Generous Offers Ever Made by Any Newspaper. Some Chelan County Girl will be Highly Honored. Received at the White House by President and Mrs. Roosevelt. From Ocean to Ocean. A Royal Trip next September

Bird's-eye View of Jamestown Exposition.

On September 10th next a party of thirty or more young ladies, each the representative of a county in this state, including Chelan county, will leave for a visit to the Jamestown Exposition at Hampton Roads, Virginia.

The party will leave Spokane and thence by private car over the Canadian Pacific Railroad to Buffalo and Niagara Falls; thence to New York, Philadelphia, Baltimore and Washington.

At the latter city before proceeding to the Exposition, the young ladies will be received at the White House by President and Mrs. Roosevelt, arrangements for which have already been made. The party will be the guests of the exposition for a week or more. On the return trip the young

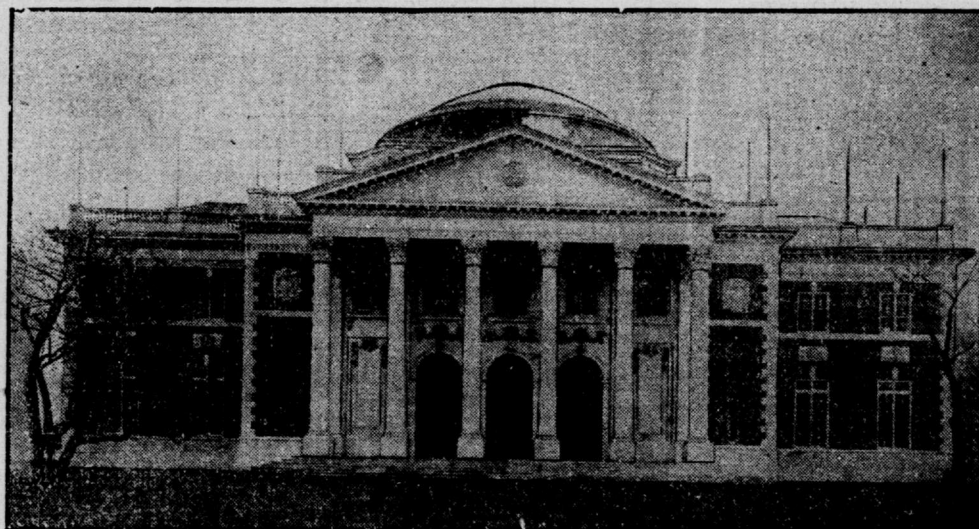

ladies will visit numerous larger cities. At all these points they will be tendered free automobile trips about the city.

It is expected that the trip will cover about four weeks. All expenses will be paid, and the party will be properly chaperoned.

The Daily World and Weekly Advance and other newspapers throughout the state have made arrangements by which they are each to choose a young lady to represent their respective counties.

The idea was originated by the publisher of the Pacific Northwest of Portland and he will be in charge of the excursion.

The World-Advance however, will leave the naming of the young lady to the citizens of our county.

Entrance to Auditorium, Jamestown Exposition.

Conditions of the Contest

The conditions will be such as to call for but little effort and no expense on the part of any of the contestants, while the young lady who enters the contest will receive valuable consideration for her efforts.

The young lady who receives the largest number of votes between May 1st and September 1st will go on this tremendously interesting trip as the accredited representative of Chelan county, whether the number of votes secured by her be 100 or 1,000.

In addition to this, in order that there shall be no disappointments in case the contest should be close and other contestants come within a few votes of No. 1, every young lady who secures 600 votes or over will also be entitled to join the excursion as a guest of the World-Advance from Chelan county, and participate in all of the enjoyments of the trip with all of the same privileges and rights, save alone, that No. 1 will be the official representative and chairman of the delegation.

Further, in order that every contestant who may be neither No. 1 nor secure 600 votes shall lose nothing by their efforts, each of the unsuccessful contestants will receive a commission of 25 cents for each club including a yearly subscription to the Advance or 75 cents for each club containing a yearly paid up subscription to the Daily World. The idea of the contest is as follows:

1st. Advertisement of the Jamestown Exposition. The reader will appreciate the interest taken by the management of the exposition in a movement of this kind.

2nd. Advertisement of Washington and Oregon. Each lady will be expected to advertise the section of the state which she represents. Arrangements have been made for full page illustrated interviews of the party by the leading daily papers of the east.

3rd. A good thing for the newspapers and journals interested in this movement.

4th. A magnificent thing for the winner of the contest. The reception that will be tendered her by the various cities, the Jamestown Exposition management and the president of the United States means an experience that every girl will treasure throughout the years to come.

5th. A good thing for everyone connected with the contest. We simply challenge anyone to show a better proposition for everyone concerned, including the exposition management, the community, and every contestant.

To our mind no better has ever been offered.

It is hoped that our citizens will choose a girl that will do honor to this rich and rapidly developing section of North Central Washington.

On another page will be found a list of the several clubs for the coming contest.
