

It Will Pay You to at Least Inspect the

Malaga Land Company's Holdings

We've Got More Water Than We Know What To Do With

There's not an irrigation ditch in the valley except ours from which a specified amount of water is guaranteed. All you are entitled to is a percentage of the flow.

We Guarantee 1-2 Inch Per Acre

and if you need any more, you are welcome to it. For our abundance is so great that we are actually perplexed how to dispose of the supply

IT'S THE LOCATION
IT'S THE SOIL
IT'S THE WATER
IT'S THE PRICE
IT'S THE TERMS

Let us know this evening or early in the morning if you will join one of our automobile parties to vestigate the land
