

LOCAL SOCIAL EVENTS

D. A. R. Meeting.
An interesting meeting of the Williams Chapter of the Daughters of the American Revolution was held at the home of Mrs. George M. Alexander on Wednesday afternoon at which the vice regent, Mrs. W. H. Conaway, presided. Mrs. S. D. Brady read an interesting paper concerning the work of the D. A. R. on educational lines among the mountain girls of West Virginia. The local chapter has supported for several years a West Virginia girl at Berea College, Berea, Ky. Mrs. Conaway also told the chapter many interesting facts concerning the recent purchase by the state D. A. R. of a historical mansion at Pt. Pleasant, W. Va., which will be used as a repository for relics and emblems of Revolutionary days.

At the conclusion of the meeting tea was served by the hostess. The members present were Mesdames Conaway, Brady, George DeBolt, James A. Meredith, James A. Fickinger, Frank R. Lyon, Eli Musgrave, Z. F. Robertson, Edwin Robinson, Ernest Hutton, Miss Caroline Barnes and Mrs. Alexander.

Entertained for Rector.

Honoring their new pastor, Rev. Chas. Baird Mitchell, the members of the parish of Christ Protestant Episcopal church entertained at a reception last evening at the home of Mr. and Mrs. W. T. Hartman on Benoni avenue. There was a large attendance of the members and the evening was spent in a delightful manner. Much enthusiasm was aroused at the discussion of plans for a new edifice which the congregation will erect in the near future. Rev. Mr. Mitchell made a brief address and other members of the parish also spoke briefly. Refreshments were served during the evening.

MONONGAH

This same score was made on December 22 by Howard Fleming. The record for consecutive strikes in any one game was broken this week when James Mike made a perfect score in seven consecutive frames.

Services were conducted at his home near White Rock at two o'clock by the Rev. D. L. Whitener of Clarksburg, after which the body was taken to Monongah for burial. The funeral was in charge of the Black Diamond lodge, K. of P. 72, of Monongah, of which he was a member.

He was well-known in Monongah and has a host of friends here to whom his death was a great shock. Young People Often Have Kidney Trouble

I take pleasure in telling to others what Dr. Kilmer Swamp-Root did for my son fifteen years ago. He had been suffering with kidney and bladder troubles for about two years, day and night, getting worse all the time. He had tried several remedies but received no benefit until he took Dr. Kilmer's Swamp-Root which relieved him in a short time and now he is entirely well. I am happy to recommend Swamp-Root as a I am content it will do all that it claims in the ailments for which it is so highly advised. You may have my permission to publish this recommendation for the benefit of other sufferers.

Very truly yours,
