

F.N.S. CLASS AT WORK ON A ROLL OF HONOR

Will Complete List of Men and Women Now Serving Republic.

An information book which will contain valuable detailed data on exactly who is now being prepared by the members of the E. B. Moore class of the High School. The big task has already been started and committees are now at work gathering all available data. When the information is complete, it will be published in book form. The work is being conducted by the senior English classes of which Miss Viola M. Wolfe is in charge.

Among the information to be secured will be the exact number of Moorsmen and women now in the service, their addresses before entering the service, their present address and the branch of service in which they are engaged. In order to get this information the class is making an appeal to the people of Fairmont to send information concerning their relatives and friends. Through co-operation of all the friends and relatives of those in service the class feels that they will be able to get a list of every Fairmont person, male or female, who are now in government service.

The appeal to friends and relatives of the enlisted men is being made in the schools and churches of the city. Should the class be unable to get this information by voluntary contributions they will make a house to house canvass of the entire city. It is believed, however, that this will not be necessary.

Other than the honor roll the information book will contain detailed data on what the Fairmont Y. M. C. A. the Red Cross, the banks, the schools and other institutions have done in winning the war.

BOBBY QUINN IN DAVID HARUM CLASS AS BASEBALL TRADER

There must be something in the atmosphere at St. Louis which develops David Harum tactics in men connected with the business end of baseball.

Miller Huggins was one of the greatest traders in baseball. He would trade a bushy any day for a couple of good infielders and a pitcher and usually got away with it. Branch Rickey has been no slouch and now comes Bobby Quinn, straight from the Columbus club, with only a few months' experience in the majors to beat them all at the trading game.

Quinn secretly got to St. Louis last year until he had traded Marsans for Leo Nigge and a little later he began a revision of the club which sent Pitchers Earl Hamilton and Park to Columbus with Carther Hartley, and in exchange got Pitcher Lowdermilk, Outfielder Demmitt and Infielder Gerber. Then he swapped Rumber, a pinch-hitter to the same club for Pettie Johns.

This winter he went back into poeance. He first picked up Clark Griffith and sent him a couple of players for a good pitcher and \$15,000. Then he picked the hardest man in baseball to do business with, Miller Huggins, and traded him Pratt, an infielder, who didn't fit into the St. Louis club, and Plank a pitcher, who later announced his retirement for Numanakun a fair catcher, Shocker and Cullop, good pitchers, and Malsel and Gedeon, infielders.

Any way you look at it, Quinn is some trader.

Missionary Activity Highland Ave. M. E.

Mrs. C. Edmund Neil, of Morgantown conference, secretary of the West Virginia M. E. Conference addressed a large audience at the Highland avenue M. E. church last evening. Mrs. Neil's address was along missionary lines and as a result of her appeal an organization of women of the church was effected with a membership of thirty. The organization will hold its first meeting on next Monday evening at 7:30 o'clock at the church.

A Standard Bearers Company composed of young women was also organized which will hold its first meeting on Thursday evening at the home of their counselor Mrs. Pearl Pitzer.

The work of the organization was aided by Mrs. C. Richard Hall, conference superintendent of Young Peoples work, Mrs. G. K. Hawkins of Mannington, District Secretary of Morgantown district, and several members of the First M. E. church and Diamond street M. E. churches. Members of Mrs. Brooks class of foreign boys rendered several musical selections during the evening.

Estimated by a scientist that in a lifetime of 70 years a man grows nails which, if uncut, would reach the length of seven feet, nine inches.

FAIRMONT MAN'S TROUBLE ARRESTED

"The past 4 years I have been going down, down, down with catarrh of the stomach and had to give up work a year ago because of my weakened condition. I suffered terribly from bloating and colic attacks. May's Wonderful Remedy was recommended to me. I took a course of it and am now feeling fine." It is a simple, harmless preparation that relieves the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis.
