

"A great net of mercy drawn through
an ocean of unspeakable pain."

There is only one way to give to the Red Cross—give until
your heart says stop. A little contribution is only a salve to pride;

This is not to say that contributions of only \$1.00, or even of
only one nickel, are not desired—and NEEDED.

Remember, this is NOT charity;—this is DUTY.

This is not a time to give because others give. This is a time
to give because OTHERS NEED.

No man can tell you how much you ought to give, except this:
That "Over There" the NEED is so great that only by cutting to
the quick, only by giving all that you think you can give and then
MORE—only by giving not a little of your excess but much of it—
can the NEEDS of the men who are fighting for you and the
NEEDS of the children of the men who have died for you be
met.

Ask Your Own Soul How Much You Should Give.
