Princess The Testing of Mildred Vane

THERE is to be no let down in the character of the musical comedy bill that Billy Malone and his company are putting on at the Hippodrome. This week, opening bill is "Election Day" a bill that is full of dash and pep. Swift comedy, with another plot to connect the story, and a number of good song numbers and specialties are all provided in amplex quantities to keep the spectators in a good humor. Strenuous rehearsals guarantee that every bill be put over in the usual clever style. For the latter half of the week, "The Emperor of Japan" is the offering.

Too Athletic Wife Featured

The taming of the shrew this time of the athletic and not of the tongue lashing variety is well staged in "The Indestructible Wife" with Alice Brady in the stellar role at the Dixie today. The type of woman is found in every community, but there isn't anything common in the way in which the star puts the character on the screen. Playing opposite is Saxon Kling, who is a weak vacillating creature and it is around the two opposites in character that the plot is built. The story moves rather slowly, but is interesting to a degree and is enhanced by the luxurious and tasteful settings.

Love Finds the Way.

A strange story of intrigue and villainy pictured in episodes that lead through various thrills to a happy ending is being seen at the Princess today. "The Testing of Mildred Vane" is the title, ad pretty May Allison is leading. Three contemptible creatures are conspiring against the good name of the good girl in the picture, and the manner in which the plot is thwarted, evolved very cleverly by the dramatist and as well acted by the Metro cast of players.

From Cabaret to Desert.

There is quite a wide variation in the settings for the photoplay at the Nelson today. "Partners Three," in which Enid Bennett is starring. The story opens in a cabaret on the Great White Way and here Miss Bennett is seen as an entertainer—a new role for the demure little star. She leads a Westerner to escape the life she leads, and which is repellent. But she finds she has only jumped from the frying pan into the fire. Her husband proves to be a disloyal brute. Much of the action of the story takes place in the great American desert, and to secure the proper setting Mr. Ince sent his director, Fred Niblo and the entire company out on the desert for a week to shoot the locations. The players camped in tents out on the sand amid close and sage brush.

CLOSE UPS.

Bert Williams and wife who have been with Billy Malone closed their contract Saturday night, and expect to go to New York, and go into vaudeville. Denver Day who has a company of her own playing at Buffalo, and who has been with Mr. Malone during his temporary shortage in the char us has gone back to her company.

Fred Hurley, a favorite from the Zarrow ranks, accompanied by two of the clever girls that graced the Zarrow organization are joining Billy Malone today.

MILLIONS
Suffer from
Acid-Stomach

Millions of people suffer year after year from ailments affecting practically every part of the body, never dreaming that their ill health can be traced directly to acid-stomach. Here is the reason: poor digestion means poor nourishment of the different organs and tissues of the body. The blood is impoverished—becomes weak, this sluggish. Ailments of many kinds spring from such conditions. Biliousness, rheumatism, jaundice, scalds, general weakness, loss of power and energy, headache, insomnia, nervousness, mental depression—every serious ailment such as catarrh and cancer of the stomach, intestinal ulcers, cirrhosis of the liver, heart trouble—all of these can often be traced directly to acid-stomach.

Keep a sharp lookout for the first symptoms of acid-stomach—indigestion, heartburn, belching, food repeating, that awful painful bloating after eating, and sour, gassy stomach. EATONIC, the wonderful modern remedy for acid-stomach, is guaranteed to bring quick relief from these stomach miseries. Thousands say they never dreamed that anything could bring such speedy relief—and make them feel so much better in every way. Try EATONIC and you will be just as enthusiastic in its praise. Make your life worth living—no aches or pains—no blues or melancholy—no more of that tired, listless feeling. Be well and strong. Get back your physical and mental punch; your vim, vigor and vitality. You will always be well and strong as long as you have acid-stomach. So get rid of it now. Take EATONIC Tablets—they taste good—you eat them like a bit of candy. Your druggist has EATONIC—50 cents for a big box. Get a box from him today and if you are not satisfied he will refund your money.
