BIGGEST PAY DAY IN THIS REGION FOR OVER A YEAR

Million or More to Be Distributed to the Miners Today
PAY FOR 14 DAYS
United Mine Workers Officials Active Today Throughout Region

One of the heaviest pay days in the Fairmont region for more than a year was observed today. It is conservatively estimated that the miners will receive \$1,000,000 to \$1,400,000 in the Fairmont region, comprising the twelve and a half counties in Northern West Virginia. Companies which make up their pay roll in Fairmont banks are paying approximately a half million dollars themselves.

Miners in Nova Scotia Produce Only Half as Much Coal as Those in West Virginia But Earn More

HALIFAX, N. S. April 15.—Nova Scotia coal miners produce an average of only about half as much coal as their fellow workers in the West Virginia bituminous fields, yet their average earnings in 1920 were \$1,925, as compared with \$830.40 earned by the average West Virginia coal diggers, according to wage figures made public today by the operations and production statistics given out by United Mine Workers officials.

BIG LOSS BEING CAUSED BY FLOOD

Area of About 75,000 Acres Being Inundated by Waters of Mississippi
CAIRO, Ill., April 15.—The levee at Grand Tower broke this morning and the swollen Mississippi spread over 6,000 acres of cultivated land. The water is eleven feet deep in some places. Some residents are believed to have moved to higher ground.

NEGRO INTRUDER KILLED

CAMDEN, N. J., April 15.—A unidentified negro was shot to death today by a chicken hawk at Tony Spoor's home today. Hearing a noise in the yard, Spoor said he grabbed a pistol and ran to the chicken house. He met the negro who was carrying a bloody knife used in slaughtering the chickens. Spoor said he shot the intruder through the brain in self-defense. Spoor was held by the police pending an investigation.

The Resurrection

1 And when the sabbath was past, Mary Magdalene, and Mary the mother of James, and Salome, had bought sweet spices, that they might come and anoint him.
2 And very early in the morning the first day of the week, they came to the sepulchre at the rising of the sun.
3 And they said among themselves, Who shall roll us away the stone from the door of the sepulchre?
4 And when they looked, they beheld the stone was rolled away.
5 And entering into the sepulchre, they saw a young man sitting on the right side, clothed in a long white garment; and they were affrighted.
6 And he saith unto them, Be not affrighted: Ye seek Jesus of Nazareth, which was crucified: he is risen here: behold the place where he lay hid.
7 But go your way, tell his disciples and Peter that he goeth before you into Galilee; there shall you see him, as he said unto you.
8 And they went out quickly and told all these things unto the women.

MORGANTOWN SUBURBS MAY BE INCORPORATED

MORGANTOWN, April 15.—Westover and Riverside, two incorporated suburbs of Morgantown, are considering consolidation into one municipality in order that their population may be large enough for the issuance of municipal bonds to provide a water and sewer system. The West Virginia state law forbids a municipality of less than 1,000 population to issue bonds. Each town has slightly less than 1,000 population, and a merger into one corporation is being advanced as the only solution for their problems.

LOCAL ATTORNEY TRIES NEW TRICK IN COURT TODAY

Traction Lawyers Want Victims of Accident Examined by Company Doctor
An innovation in Circuit Court procedure was sprung at the motion hour in court today when T. C. Morris of counsel for the Monongahela Valley Traction Co., a corporation, presented a motion to the court for consideration in connection with the cases of Cora J. Eny, Mamie E. Sidley and Audie Ash Snider vs. the Monongahela Valley Traction Co. The motion presented by Morris was to the effect that the three plaintiffs in cases against the traction company be forced by the court to submit to a physical examination by a physician employed by the traction company before their cases are heard by the court.
