# **GOING DOWN HOME** FOR THANKSGIVING?

Well, you have a good fair salary and you want to look prosperous. If you don't need a whole suit or perhaps don't want to buy just now, we are ready with a natty pair of trousers, a fine fancy vest or a handsome warm overcoat, at a very small outlay for THOROUGH GOODS. Perhaps the family goes with you? Well, we can fit the boys out just as well if they are three years old and over.

Some of the most desirable things in our stock of men's suits come among those priced \$10.00, \$12.00 and \$15.00, and for less money, much less, you can be well served. As low even as \$3.98, solid all wool and good winter weight. If you are not familiar with our stock it might save you money to spend a few minutes looking it over TO-DAY.

Our price is the one that is marked on the ticket, and it's the same to everybody. Your money back if you want it.

#### Ten Million Wheelmen.

It is stated by competent authority that there are ten million people in America who are bicycle riders. Probably each Cameron Clemens, under the direction of Arnold Wolford and supported by Mamie Sheridan Wolford, opened a week's one gets an average of one hurt in a season, and that is just when Henry & with a presentation of the melo-drama "Raglan's Way." The house was all that the good work. Nothing has ever been was all that the special was full was full. "Radan's Way." The house was all that the could be desired and every chair was fill-ed. The drama is a romantic story of love and a false friend, the leading character being assumed by Mr. Clemens. Frederick Ormonde played the villain in a realistic manner and Mamie Sheridan Wolford assumed the role of the misguidit to give satisfaction or money refunded.
