but only one of them reaches me. In that one he tells of sending me snother with a money order in it. Isn't it strange that I never get the money orders?"

"And can they be lost in the mails?" "Hardle.

Would-would it occur to you that there was naything singular about it—
that is, hadn't I ought to have received
at least one of the four or five orders he
claims to have sent?"

"You certainy had. Yes, you might
