JOHNSON.

The Lamoille County W. C. T. U. convention was held here Thursday and Friday. It opened with an executive meeting. Mrs. Blake, county president, being unable to be present, the State president, Mrs. Mrs. Ida Reed of Sherburne, was unanimously chosen to occupy the chair through the convention which she did in her usual efficient manner. The usual routine of appointing committees and reports and greetings from the churches, schools and businesses with a praise service, concluded by Mrs. C. D. Price nearly occupied the morning session. Mrs. Christine Tilling of England gave an amusing talk to the children in the afternoon. Reports of work in the several departments were read and a poem by Mrs. R. T. Foster, Elders Pinney and Sibley spoke encouraging words to the W. C. T. U. and the children sang nicely. Through the courtesy of Dr. Collins and the assistant teachers, an enjoyable visit was made to all the normal school building. In the evening Miss Tilling gave an interesting address on the benefits to be derived from joining the W. C. T. U. and a collection of \$5.75 was taken. Friday a. m. officers were elected, and Mrs. Reed took the convention on a trip to the battlefield Vermont. She exhibited one of the comfort bags such as were furnished to all on board, spoke of the pleasure with which they were received, and told many interesting things of her trip to the ship.

In the pastoral hour, Elders Pierce and Williams spoke of the good work of the W. C. T. U. Dr. Read was present through the convention and was helpful in many ways. The convention was a profitable one and the attendance was good.
