GETS ANOTHER LION.

Roosevelt Shot Infuriated Beast and

Saved Lives of Escorts.

Nairobi, British East Africa, May 3.—

Theodore Roosevelt bagged one

more lion yesterday at Wame-

kapiti. This gives him a total of

three lions and one lioness on the

present expedition. Kermit Roose-

velt succeeded in bringing down a cheetah.

The hunting was exciting and both

marksmen did excellent work.

The lion killed by Mr. Roosevelt yester-

day was brought down at close range.

His quick work with the rifle saved the

lives of some of his mounted escort, who

had narrow escapes from the infuriated

beast. The accuracy of Mr. Roosevelt's

marksmanship is a matter of astonish-

ment.

FEWER DEER WERE KILLED.

No Snow and Fewer Dogs Explain the

April Figures.

Stowe, May 3.—H. G. Thomas, State

game commissioner, reports the num-

ber of deer killed during April as 23

as follows: Killed by dogs, 11; ille-

gally shot, 7; by railroad trains, 3;

injured and ordered killed, 2; found

dead from unknown cause, 3; killed

in wire fence, 1; probably poisoned, 1.

In March the number killed was 55;

by dogs, 24; in February 47; by dogs,

24. The falling off in April was due

to the passing of the snow, allowing

the deer a chance to escape, and to

the fact that the game wardens are

killing dogs. Probably 50 hounds

have been killed in the State in the

act or known to be guilty of chasing

deer.
