### BETTER SCHOOLS.

A Straight Forward Talk By  
County Superintendent May

Friday of the Seven County Fair has been set aside for school day. I expect to have speakers to tell us how to get better schools. It will be a holiday for the schools and I shall look for all fathers and mothers who are interested in better schools to be on hand that day. We are badly in need of better schools in Lincoln county. Instead of better the "Banner County" in Mississippi as we once were, we are just about at the bottom of the list. Our children are "red-blooded Americans" and are entitled to better educational advantages than they are getting. As I see it the greatest trouble with our schools is local politics, petty jealousies, unqualified teachers, and lack of interest in educational affairs by the fathers and mothers. The children are reaping the benefits of the above evils, not the people. During my campaign the people cried for better schools. I heartily endorse that cry, but remember that I cannot make better schools alone; we must help. I am looking to see what interest you have in the matter. Good schools come from wide awake people who are not let politics or friendship come before the interest of their children; people who will take an active part in the interest of their schools and co-operate with the good teachers and who will demand qualified teachers.

I want every school to have an active Parent-Teacher Association, as this is, in my opinion, the avenue by which we can secure better schools. Through the association I expect to eliminate politics, run-down and pay-day teachers, and other evils.  
Another item of interest. The bonded indebtedness of our county is about \$1,000,000.00, of this amount about \$750,000.00 is for better schools. A difference of some \$250,000.00 for things material for our pleasure and our pleasure. Our children must help pay for this. Are we helping them that way? May help themselves later? Are we teaching them to be better citizens? Is coin county has reached a crisis in her rural educational affairs, and to secure better citizenship we must come to her rescue. We need our own. We need practical, consolidated into a few large schools we can secure graduate teachers, systematic work, and higher terms in Hinds and Pearl River counties their boast is that they have a live Parent-Teacher Association in every school and that the rural child has the same educational advantages as those in the cities. What the matter with us? Are we the same excuse for boasting? Are our children as good as theirs? Do we love material things better? If we want these things we must have them, but not by letting George do it—we must all get busy.

Copiah county this year has \$108,000.00 for her rural schools. Seven months term. Twenty-one consolidated schools headed by men and women graduates. Lincoln county has \$75,000.00 for her rural schools. Six months term by the hardest. Six consolidated schools—three men graduates. One hundred and forty white teachers. We have 800 miles of gravel roads. Good roads and good schools go hand in hand. I have the roads and I am sure that the Board of Supervisors will see that these roads will lead to the school doors. Now let's get the schools. Are we going to wake up or sleep on? I am leaving it up to you. Stop and think of the child and then begin to move things.

### Oct. 8—The Meeting.

The men of the Brookhaven Squadron are going to be behind the great community meeting announced for Sunday, October 8th, in Brookhaven.  
These men, united in Christian interests, more nearly represent the purpose of the meeting than any one pastor or any other organization can do.  
Plans will be announced. A great meeting is expected. A large tent will be secured with a minimum seating capacity of 2,500.  
It is understood that the services of Rev. Henry W. Stough, D. D., of Wheaton, Ill., have been secured.

Big Purchase by Geo. Lewenthal.  
Mr. Geo. Lewenthal this week purchased from Mr. C. S. Butterfield the handsome new brick building property opposite the depot owned by the Arcade Theatre, the Gussie Tailoring Co., and Dunning's confectionery. There will be no change made by the present and new owner of this valuable piece of property other than plans that are already under way to put a second story on the building. The up-stairs portion will be used as office buildings and several parties have already spoken for space in the apartments-to-be.

"Back Pay" Soon Due Here.  
Is the wages of sin death? If sin has any wages, is there any back pay due you? These are vital questions which are answered in the big Paramount picture "Back Pay" written by Fannie Hurst and created by Cosmopolitan Productions which will be shown at the Arcade Theatre Sept. 27 and 28. Seena Owen and Matt Moore have the leading roles in one of the most dramatic stories ever filmed. Other prominent players in the cast include J. Barney Sherry, Ethel Dury and Chas. Craig.

Address Plant Largest in State.  
Several parties who have visited the W. L. Andress Motor Co.'s plant in Brookhaven since the notice in last Wednesday's issue stating what immense proportions this Ford business has been built up to by Dr. W. L. Andress, say that it is the largest and best equipped Ford plant in the state of Mississippi from their observation. One of the parties, who has been in the service stations in New Orleans give Andress credit also for being ahead of anything in the Crescent City.

Judge Notice.  
Special Commission Brookhaven Lodge No. 241 E. & A. M. Monday Sept. 25th, 1922 at 8:00 o'clock p.m. for the purpose of conferring degrees.

King's Daughters' Restaurant.  
The King's Daughters will conduct a restaurant in the Fair Ground every day of the Seven County Fair for the benefit of the Nurses Home of the Hospital. In order to finance it, cash donations will be gratefully received by Mrs. Tom Smylie, chairman. No canvass for funds or supplies will be made.

Notice to Creditors.  
Administrator's Notice to Creditors of E. M. Hart, Deceased.  
Letters of administration having been granted on the 6th day of September, 1922, by the Chancery Court of Lincoln County, Mississippi, to the undersigned under the estate of E. M. Hart, deceased, notice is hereby given to all persons having claims against the said estate to present the same to the Clerk of said Court for probate and registration according to law within six months from this date, or they will be forever barred.  
This the 23rd day of September, 1922.  
A. D. R. C. APPLEWHITE, Administrator.

That complete working radio outfit that is going to be seen and heard at the Seven County Fair will probably be delighting patrons of the Arcade at an early date. Such a miracle of our times wrought by man should lift the doubting soul toward God and away from the material of mysteries that seem impenetrable and passed understanding and that often induce unbelief. Since man can accomplish so much, surely God can do more and greater things.

### WILL BROOKHAVEN EVER AWAKE TO HER DANGER?

Revivals of religion are of great importance. I would not say a word to derogate from their real value. We need them; they are needed by every Christian. The more we have of them the better it will be for us. We need, however, something in addition to revival meetings to clean up and save Brookhaven from ruin. We need, as I see it, some applications of applied Christianity. It is mighty good to go to church and sing and pray and preach. I highly appreciate all of these privileges. To get souls saved from sin is the greatest work to which God calls us. We should all be true and faithful to that call. Let us try this work to the very best of our ability.  
But if we would be wise we will not stop at these things. In the providence of God we are furnished these things not that we may luxuriate in happy experiences but that we may be fitted and equipped for fighting sin. Every saved person is called to be a "soldier of the Cross." He isn't worth anything to the Kingdom of God unless he is lined up and on the firing line. "Faith without works is dead." Our great need in Brookhaven now is for every Christian in the city to be a militant Christian. We have a whole lot of men who go to church, sing and pray and should take a step to raid a "booze" joint not put themselves to any very virtuous task to suppress the awful and ruinous debauchery of our girls.

Why is this? By doing this kind of work you will meet your true business interests or their lives. I know this to be true of some of our people. What does religion mean to such? Their religion means to keep them out of the way of life and death and the kind of way will never get them to heaven. Heaven is not the place for cowards and selfish men. No true Christian ever stops to think of interest or danger. If he puts self first he is not fit for the Kingdom.  
Do we not hear every day of the tyrant places of lecherous men and women in and around Brookhaven? Are we not familiar with the names of "Gold Brook" and other nearby places? We sit down very complacently and hear of these infernal happenings and do nothing. What are we doing? Can we not see that this kind of thing is working havoc to our social life? Every Christian should every virtuous man with any backbone in him should rise up and say in their wrath this thing is not right. It is not right. It is not right. These devilish where-mongers should be summarily dealt with. They are moral lepers and should be driven from the sight of decent men and women. Who will say "Amen" to this? Now is the time to begin our work to wipe out this clean town. Come and let us get busy.

T. W. ADAMS.

Manager Roberts of the Carnival Co. that will show here during the Seven County Fair—is in town today.

### TO THE PUBLIC.

In accordance with House Bill No. 609, Chapter 225 of the Acts of the Legislature of the State of Mississippi in 1921-1922, and the act of the Legislature of the year 1921-1922 and the budget of Lincoln County, Mississippi for the year 1922-1923 is hereby published in the county papers as required by said act of the Legislature.

The budget for the various Special and Consolidated School Districts not being included in this publication for the purposes for the various districts and several have not been petitioned for at this time. All of them will be in, however, by the first Monday in November at which time the Board will make their levy and the levies for these School Districts will be published at the same time.

### Funeral Services and Tributes to the Memory of Mrs. L. P. Kees.

On Wednesday afternoon before the assembled multitude of sorrowing friends at the First Baptist Church the mortal part of the lamented Mrs. L. P. Kees was borne into the sanctuary where for the past twenty years she had worshipped and served. In the deep tones of the pipe organ, at the touch of Mrs. H. V. Wall, resounded sweetly the healing tones of "Come, Ye Disciples," the casket was placed by the pallbearers, who were deacons of the church—Messrs. Purser, Naul, Bartin, Dean, Arrington, Baggett.  
The ex-pastors Revs. R. H. Purser and W. H. Morgan, Dr. J. W. Cooper, president of Whitworth College and Pastor Taylor paid fine tributes to the life of Mrs. Kees, all praising her steadfastness in the faith and her persistency in the service she so loyally rendered to the church and community.  
Mr. Morgan, who during his long pastorate in Brookhaven became a frequent guest of the Kees home, spoke feelingly of the beauty and ease of his charming hospitality and of the spirit that gave significance to the attractive environment of the happy home circle, united, as he had seldom seen, in one purpose and one aim and that to serve the church and community. He had fashioned and molded the spiritual qualities of her daughter, who represents the fine quality of her devoted and beloved mother.

Drs. Cooper and Purser spoke tenderly of the loss sustained and recalled touching incidents in the life gone out and the consolations her loved ones know so well. Dr. Cooper referred also to the life-long devotion and companionship of the two sisters.  
Pastor Taylor then spoke effectively of the mystery of life and death and of the Christian's hope in sorrow. "Our side is loss and tears and loneliness; but for her there is no more pain nor anxiety nor suffering," Mr. Taylor had said in his words of comfort and love. "In her rest through the five years of her ministry here she was never absent unless sickness or absence caused it. Mrs. Kees was greatly loved. The faithful of her church and home and her influence will not fade like the flowers. "She being dead yet speaketh," the choir had sung. Home of the Soul" the body was borne to its last resting place at Roswell and in the presence of a large assemblage hidden away from the wearying sight of those whose broken hearts felt at the moment only the terrible pain of parting from wife, mother, sister, friend and neighbor.  
Flowers of exquisite design covered a large space about the new-made grave. The choir sang "The Love of the Love and sympathy of friends, but of the eternal dawn when "We shall wait to part, no never, on the Resurrection morn."

Cool nights and mornings have been the order of the day this week in Lincoln County. It is all to the good for this season of the year in the crop line.

### Baptists Confer Together.

Some of the leading workers of the Baptist churches in the 6th district—about 60 in number, met in Brookhaven last Wednesday, the 12th at the Baptist church in a district conference, to pray together and talk together concerning the supplementary campaign to be put on this fall for the purpose of reaching the unenlisted churches and church members in support of the causes included in the 75 Million Campaign; for increasing the circulation of our denominational papers and for committing our people to the title as a minimum giving to God's cause.  
The meeting was called to order by our enlistment man, Rev. Owen Williams, and Dr. W. A. Borum, of Natchez, led the devotional, reading Exodus 25:1-9, using the 8th verse as a basis for a most eloquent talk, emphasizing co-operation in kingdom building. Dr. J. A. Taylor of Brookhaven was chosen as chairman and J. B. Quinn of Treas. secretary.  
The following program offered by Rev. Owen Williams was adopted and carried out as follows:  
Dr. R. E. Gunter of the Convention Board, spoke on the Plans, Purposes and Organization of the Supplementary Campaign to be put on this fall. This was an interesting address. Dr. Gunter is a pleasing speaker and has his great heart in the work. Dr. John W. May, of the 1st district, spoke on the inspiration of the 75 Million Campaign. His address was indeed inspirational. Our hearts burned within us as we sat and listened.  
Dr. W. A. Borum of Natchez conducted the afternoon devotional reading from the 8th Chapter of Romans, emphasizing the spirit of Christ. Two round table conferences were conducted during the afternoon by Rev. C. H. Mize, Silver Creek and Rev. Owen Williams of Brookhaven on "Denominational Papers in Kingdom Building" and "How to Enlist the Unenlisted." These were very helpful. Quite a number of those present took part in the discussions.  
Rev. C. T. Johnson of Liberty, spoke on "Lifting in Kingdom Building." His address was helpful to us all. He spoke largely out of his own experience as a father and pastor.  
Dr. Gunter closed the meeting with a gracious consecration service. It was good to be there. We all felt that the conference was well worth while and went away determined to "go over the top" for our Master who went over for us.  
J. B. Quinn, Secretary.

### First Baptist Church.

The Sunday School will observe "State Mission Day." The school will assemble at 9:30 as usual. The necessary time will be given for classes, then State Mission program will be put on. There will be the one continuous service on with no break. Come prepared to stay until all exercises are over. We will possibly close about 11:30. This is one of our important days as the offering goes for "State Missions." At a similar day some months ago we had \$50.00 offering. We can do better this day. We have 48 last Sunday, make it 500. The evening service will be at 7:30 rather than at 8 o'clock as formerly. Our heart of hearts is for the offering. We will convene at 7:30.  
Following our great meeting we should make Sunday a telling day for the King. Let the people come at 9:30 Sunday morning. Come praying.  
J. A. Taylor, Pastor.

## Never Before A Value Like This

Why should you buy any car but a Ford? Prices lowest, parts lowest, operating and up-keep expense lowest, yet a Ford car will take you any place any car will go. These are sensible, not extravagant times, and a Ford is the most sensible car for anyone to own. Terms if desired.

## See the Pictures

Beginning Saturday, and for five days, the Arcade Theatre will show motion pictures of the great Ford and Fordson demonstration in New Orleans in July. This was one of the greatest motor car demonstrations ever held and the pictures, which are in addition to the regular program, will be of interest to everybody.

## Your Car Is Ready

## HORSES FOR SALE

We are offering 10 fine draft horses with or without harness at bargain prices. These animals are in good condition, thoroughly acclimated and ready for work. On account of closing our logging camp, these horses are a dead expense, consequently we will sacrifice for a quick sale. These can be inspected at our stable at Bude, Mississippi.

Much improvement is noted in the inside equipment of the Bell Cafe this week occasioned by the liberal use of paint and a change in the arrangements.  
Mrs. Thad Montgomery's Domestic Science class served 375 glasses of the most delicious punch at the P. T. A. meeting Thursday.
