#### SUITS AND OVERCOATS

The best from the best manufacturers in the country are the only kinds shown in the Condon men's store. Suits and overcoats for men and young men of every caste and discrimination, from the conservative to the ultra-smart, and at every price the best possible value, backed up by our guarantee of satisfaction. The economical man doesn't always look for the lowest price when choosing his winter outfit; it is the service and comfort the garment will give him that comes for first consideration. Because Condon & Co.'s men's clothing gives this kind of service and satisfaction is the reason more and more men are buying one suit and overcoat here now, where formerly they needed two suits and two overcoats to give the same length of service, yet

at Condon's the prices for the best are no higher than you are asked to pay elsewhere for just ordinary kinds. Reliable hand-tailored suits, \$15.00 to \$25.00. Good serviceable overcoats, \$15.00 to \$25.00.
