### THOMPSON'S FLAT

Preston Smirl had a narrow escape from death last week. He and Mr. Faustman were building a fence, when he walked up to a post to pick it up.

Mr. Faustman called to him a couple of times to look out for a rattler that was laying by the post, but didn't hear in time to avoid being struck at by the snake. The fangs went thru the lower part of his pants leg and struck the top of his shoe but didn't penetrate to the flesh.

R. B. Thompson, who has been at Lewistown visiting his family, was expected back to the ranch last week but didn't appear.

Bert Haylock and Fred Lipke came home last Saturday to stay over Sunday with their wives.

Roscoe Jones has been building some fence on his ranch the past week.

Rufus E. Roberts and Homer Johnson, who have been up near the moun-

tains building fence, have completed their job and returned home.

The dance at the Asbridge ranch for the benefit of the ball team was a grand success both socially and financially. Marcy's orchestra furnished the music. About 100 people being present.

James McLeod had one of his horses cut in a wire fence last week, but not bad enough to lay the horse up.

Miss Foley of Roundup has taught a very successful term of school of which the last day is to be celebrated
