WAITING FOR NEWS ABOUT THE COPPER INDUSTRY.

Lines leaving for South Africa and elsewhere—more prospecting in the Dore and Dore.

Dore, March 28.—The copper industry is still in a gloomy and grim outlook. The wires were closely watched all yesterday for results of the copper meeting, which was to have been held in London, but no news whatever was received. On a satisfactory outcome of the meeting it may truly be said depends the all-around success of the industry. Many of the miners recently discharged because of the strike have left town. The Dore miners yesterday started for South Africa, but the Dore of Alaska and Northern Utah seem to offer a greater attraction, while not a few are taken to the hills in the vicinity of Dore with prospecting outfits.

NEW YORK, March 27.—Lake silver 98c; copper 90c; Lake April \$14.25; gold—steady—Domestic \$8.95.

Death of John Bright.

London, March 27.—John Bright is dead.

The great English orator and statesman was born near Lichfield in 1811. He was a member of the House of Commons for many years, and was one of the leaders of the Liberal party. He was a man of great energy and courage, and was one of the most popular of English statesmen. He died at his home in London, after a long illness.

Thrown Out of Work.

Pittsburgh, March 27.—A special of the press says an announcement was made yesterday at all the collieries in the Pittsburgh region, including those of the Pennsylvania Coal company, Lehigh Valley Coal company and other small companies and individual operators, that the work of the collieries would be suspended for a period of ten days.

Champs Fought Flogged.

Lansing, Mich., March 28.—Eight champions were flogged on their backs in the city jail, Saturday afternoon, for their impudent and boisterous conduct. The flogging was done by citizens' committee, who led the prisoners to the edge of the city and advised them to keep without the limits in future.

Early Boomers.

Ankara, Turkey, March 27.—Congressman J. B. Weaver arrived here yesterday from Indian territory and was met by the deputy several hundred Oklahoma women, who presented him with an ornate gold-headed cane.
