### COUNTY PLATFORM.

*Resolved*, That the clear and  
able exposition of the principles  
of Nevada Republicanism as  
enunciated in the Platform and  
Resolutions held at the late  
Republican Convention at Reno  
is hereby endorsed by this Con-  
vention.

*Resolved*, That this Convention  
pledges its nominees to a rigid  
economy in the administra-  
tion of county affairs, in the in-  
terest of the taxpayers and  
business men of Ormsby county.

*Resolved*, That the suspicious  
attitude of the Democracy upon  
the question of public schools  
meets with the hearty disap-  
proval of all people, irrespective  
of party, who are interested in  
popular education.

*Resolved*, That the nominees  
of this Convention on the Legis-  
lative ticket be pledged against  
the form of railroad extortion  
practiced by the Central Pacific  
Railroad Company known as  
"back freight," by which certain  
freight landed in Reno is  
charged for as if it was carried  
to Sacramento and return,  
thereby discriminating against  
Nevada and its business.

*Resolved*, That we favor the  
passage of a bill by which a  
State Board of Equalization  
may be provided for the pur-  
pose of equalizing taxation  
upon all property within the  
State. The duties to be per-  
formed without compensation  
by such State officers as the Leg-  
islature shall designate.

### REPUBLICAN PLATFORM.

*Resolved*, That the honor and  
glory of the Republic, its con-  
tinued peace, prosperity and  
progress will be best served by  
the perpetuation and continued  
success of the Republican party.  
We declare our fidelity to its  
principles as expressed in the  
Chicago platform of 1880, and as  
further embodied in its great  
history from its organization to  
the present time.

*Resolved*, That in the tragic  
death of President Garfield our  
country has suffered a deplorable  
loss, and the Republican party  
mourns for one who consecrated  
a noble and heroic life to the  
vindication of its great purposes.

*Resolved*, That we have faith  
in the prudent and sagacious  
administration of President  
Arthur and believe it will result  
in promoting the best interests  
of the country.

*Resolved*, That the presence  
in our midst of a servile race of  
aliens, incapable of assimilating  
with our institutions is a per-  
petual menace to all classes of  
society. The relief extended  
to our people by the passage of  
a law excluding the Chinese by  
a Republican Congress and ap-  
proved by a Republican Presi-  
dent is a genuine cause of satis-  
faction. We are in favor of  
strenuously enforcing the pro-  
visions of said law, and we  
pledge the Republican party to  
labor now and henceforth to  
secure such further legislation  
as will permanently exclude the  
Chinese.

*Resolved*, That we recognize  
the paramount importance of  
maintaining unimpaired the  
free public school system of the  
State. We shall defend it against  
sectarian, political or other im-  
proper influences, and we favor  
such additional legislation as the  
condition and wants of the com-  
mon schools of the State may  
require. As free institutions  
they should be so conducted as  
to satisfy poor and rich alike,  
and upon this principle we urge  
the adoption of some system by  
which this State shall furnish  
the text books at the lowest pos-  
sible figure.

*Resolved*, That owing to the  
remote position of Nevada from  
the seaboard and the entire ab-  
sence of navigable waters and  
competing lines of railroads to  
and from commercial centers,  
we demand from Congress such  
wholesome and effective legis-  
lation as will place our people on

terms of equality in respect to  
transportation charges with com-  
munities specially favored by  
railroad monopolies.

*Resolved*, That we pledge the  
Republican party of Nevada to  
such a course of enlighten'd  
legislation as will extend to rail-  
road and all other corporations  
doing business in this State the  
same protection and the same  
rights before the law as accorded  
to individuals—no more and no  
less. And further, that the Re-  
publican party favors and de-  
mands at the hands of the State  
Legislature legislation regula-  
ting and equalizing freights and  
fares on all railroads within this  
State.

*Resolved*, That we are in favor  
of the Government of the United  
States establishing a postal tele-  
graph service, and operating the  
same in connection with the  
Postoffice Department.

*Resolved*, That the coinage of  
silver should be placed upon the  
same basis as that of gold, and  
we invoke early Congressional  
legislation to that end.

*Resolved*, That it is the duty  
of the Legislature to enact such  
laws as will result in the puri-  
fication of the jury box and  
better promote the administra-  
tion of justice.

*Resolved*, That it is the duty  
of the next Legislature to pass  
such laws as shall reduce the  
expenses of State and county  
governments to the lowest pos-  
sible limit consistent with the  
requirements of the public ser-  
vice.

*Resolved*, That the earnest  
attention of Congress and the  
State Legislature is directed to  
the subject of codifying the laws  
relating to the location and  
working of mineral lands to  
the end that legitimate prospec-  
ting and the development of our  
chief source of wealth may best  
be promoted.

*Resolved*, That the appropria-  
tion by a Republican Congress  
for the payment of pensions to  
invalid Union soldiers and to  
the veterans of the Mexican war  
is the discharge of a debt of  
honor and law—a generous re-  
membrance of our country's de-  
fenders in its supreme hour of  
peril.

*Resolved*, That in the judg-  
ment of this convention the  
Legislature, when next con-  
vened, should make the neces-  
sary provisions for a convention  
to revise the entire Constitution  
of the State; that in providing  
for such convention, well-guarded  
restrictions should be made,  
defining the number of delegates  
their compensation, and fixing  
the duration of its session; that  
we believe such a convention is  
imperatively demanded by the  
urgent necessities of the times,  
and among others for the fol-  
lowing cogent reasons: First—  
To change the fundamental  
law as to secure as nearly as may  
be the equal and uniform tax-  
ation on all property subjected  
thereto. Second—To regulate  
and render equal and just all the  
rates of passage and freight  
upon all railroads doing busi-  
ness in this State, to the end  
that our leading industries may  
be fostered and not oppressed,  
built up and not overthrown; and  
third—To secure the reduction  
of the expenses of the State to  
the minimum by dispensing  
with all unnecessary officers  
and employees, rendering more  
speedy and economical the col-  
lection of public revenue, and  
the execution of the law and  
the general administration of  
justice.
