There will be no Jury Court this term, for reasons stated in another place.

We have not yet received the Muster Roll of the "boys." At last accounts they were expected to leave Harrisburg yesterday, would probably join Col. Christ's Regiment. They were in good spirits and getting along well.

A brother of Mrs. Maynard, of this village, was shot at Beuna Vista, Elk county, by the accidental discharge of a pistol.

See the notice "Information Wanted." We have sent out of the county a great number of men, and it is a matter of interest to all to know how many. Will those addressed please see to the matter as far as possible, so that we can have some reliable information. Potter has done bravely and it is nothing more than human that we let the people know it.

We notice that the Bridge over the river at the foot of Main Street is nearly finished, adding very much to the beauty and convenience of that end of our pleasant village.

See new advts. Union Hotel is recommended to the business public. A notice to property holders on East Street.

INDISPENSABLE.—If you want healthy, light bread, biscuit and pastry of all kinds, use only D. B. De Land & Co's Chemical Saleratus. It is truly the "house wife's favorite," and is indispensable in producing the above results. You can get it of all respectable dealers everywhere.

There will be Fast-Day exercises at the Methodist church on the morning of the day appointed by the President, Thursday of next week at 11 o'clock, A. M. A sermon suitable to the occasion will be preached by Rev. C. Strong; both of our Ministers will be present. All are cordially invited to attend.

"J. L." was received too late for publication.

There is much suffering in some parts of the county from Diphtheria. The damp weather will soon be upon us. People should be very careful to keep both dry and warm. It has caused quite a number of deaths, and too great care cannot be taken to avoid it.

David Todd, the old wheel horse of Democracy in Ohio, said in a recent speech at Cleveland, "I am frank to confess that I heartily endorse and approve every act of Mr. Lincoln since his inauguration. I would support him as soon as I would Andrew Jackson." How different from the bastard Democrats who are secretly and underhandedly trying to prejudice the people against the Administration!

Shall three hundred thousand Slaveholders in the Rebellious States rule and ruin Thirty Millions of people for the benefit of Slavery? Disguise it as you may, this is one important phase of the great question now before the American people. Having failed to do it with ballots, they are now resorting to bullets. Shall they succeed? Every patriot will thunder NO!

Brough Ordinance. At a meeting of the Burgess and Council of the Borough of Coudersport, held July 12, 1861, it was ordained: That the holders of property on the east side of East street, between Second street and Fifth be and they are hereby required to build Plank Side-Walks in front of their respective lots in accordance with Ordinances heretofore passed regulating the building of Plank Walks.

AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints: Scrofulous and Scrofulous Affections, such as Tumors, Ulcers, Sores, Erysipelas, Pimples, Pustules, Blotches, Boils, Blisters, and all Skin Diseases.

J. C. AYER & Co. writes: I feel that my own knowledge what your Sarsaparilla has done for me, having inherited a Scrofulous infection, I have suffered for years in various ways. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp with one or two eruptions, which were painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In the winter of 1859, I read in the Boston Herald a notice of an alternative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cleveland and got it, and used it until it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the best of the age, and remain ever gratefully yours. ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Ringworm, Salt Rheum, Scald Head, Dropsy, &c.

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of your Sarsaparilla, and also a dangerous Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by it constantly.

Bronchocoe, Goitre or Swelled Neck.

Zelation Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Goitre or Swelled swelling on the neck, which I had suffered from over two years."

Lecorrhoea or Whites, Ovarian Tumor, Uterine Obstruction, Female Diseases, &c.

Dr. J. B. Channing, New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alternative in the numerous complaints for which we employ such a remedy, but especially in Female Diseases of the Scrofulous diathesis. I have cured many inveterate cases of Lecorrhoea by it, and some where the complaint was caused by obstruction of the uterus. The obstruction itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Syphilis and Mercurial Disease.

Dr. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects of your Sarsaparilla. I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and Mercurial Diseases, and in all the Syphilis cases I have tried it, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to your Sarsaparilla. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured by your Sarsaparilla in a few weeks. I am now using your Sarsaparilla, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results will have no effect on my mind.

Rheumatism, Gout, Liver Complaint.

Dr. J. C. AYER: Sir, I have been afflicted with a painful chronic Rheumatism for a long time, which baffled the skill of the best of our Physicians, and in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much, that I am far better than before I was attacked. I think it a wonderful medicine. J. BRAM.

Schism, Cancer Tumors, Enlargement, Ulcers, Gout, and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of the cures, found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, &c.

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral.

FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Asthmatic Affections in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other in the cure of these affections, that it is useless here to publish the evidence of its virtues. Its unrivaled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—many living, trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not say more than to assure them that we have now all the facts that it did have when making the cures which have won so strongly upon the confidence of mankind.
