Sober Facts for Thinking People.

Year after year, for an eighth of a century the Press of the country have chronicled the beneficial effects of HOSTETTER'S STOMACH BITTERS. Editors, authors, physicians, merchants, officers of the army and navy, chemists, counsellors, ministers of the gospel, in short, a great cloud of witnesses of every profession, trade and calling have testified to its efficacy as a tonic and regulating medicine. The names and statements of these witnesses have been published in the public prints .-Many of them are well known to the public. Their testimony has never been challenged or impugned. They have failed. Can it be necessary to say why they have failed? Ask the recovered dyspeptics, bilious suffererers, victims of fever and ague, and Coudersport nervous'subjects who have experienced its Philander Reed's effects, what they think of it.
