Beware of Ambuscades.

Few people realize the fact that diseaselies in ambush everywhere, ready to seize upon perils in safety, the strengthless fall by the wayside.

It is amazing that the feeble should totter with uncertain steps over the face of the earth in danger every day of falling victims to the morbid influences by which we are all surtonic capable of endowing them with the vigor they need, is procurable in every city, town and settlement. . It might reasonably be thot' that after the twelve year's experience which the Methodist church, Thursday of this week the world has had of Hostetter's Stomach (Thenkeriving Day) at 11 and 11 H. Beck, jr., Nittany, Centre Co., Pa. BITTERS, all would knew that its effect is to prevent disease.

The fact is notorious that a dose of poisou which will scarcely affect a vigorous man in perfect health will kill a weak one, Now week. what is the cause of epidemic diseases? Poison in the air. At this season the atmosphere is up the physical energies then, with this po- ing through other localities. tential vegetable tonic. It is the most powe ful recuperant which the botanic kingdom has ever yielded to patient research and exexperiment. Try it. The blindest disciple of the old medical dogmas will at least admit harm, while the testimony of thousands invites ing usefulness.
