

WAR NOW ON WITH TURKS, SAY BRITISH

Proclamation by Great Britain States War Exists With Ottoman Government

KING GEORGE SIGNS PAPERS

At Privy Council in Buckingham Palace English Ruler Signs Document Proclaiming Hostilities With the Sultan's Domain

London, Nov. 5, 11:45 A. M.—It was officially announced in London today that a state of war exists between Great Britain and Turkey. The proclamation to this effect, which subsequently was gazetted, reads as follows:

"Owing to hostile acts committed by the Turkish forces under German officers, a state of war exists between Great Britain and Turkey from to-day, and all proclamations and orders in council issued with reference to the state of war between Great Britain and Germany and Austria shall apply to the state of war between Great Britain and Turkey."

A privy council was held in Buckingham palace this morning to discuss this question. At its conclusion King George signed the document proclaiming the state of war, and the announcement was made.

No British warships are in Chilean ports. The fate of the three British cruisers that engaged five German warships of the coast of Chile and the transport that accompanied them remains a mystery.

On this mystery is based the British hope that one or more of their vessels survived the action. A dispatch from Santiago to-day disposes of an earlier report that the British cruiser Glasgow and transport Orato had been bottled up in Chilean waters by the German cruisers Leipzig and Bremen. The whereabouts of the two latter cruisers is also in doubt. Of the nine vessels that figured in the naval battle only the German warships Scharnhorst, Gneisenau and Nürnberg have been definitely accounted for. After coming into Valparaiso they again sailed.

Nor was there any word to-day of the British battleship Cenopus which the Admiralty says had been sent to strengthen Rear Admiral Craddock's squadron. There is nothing to indicate that she arrived in time to participate in the fight.

Great Britain has declared war on Turkey and the Ottoman government despite dissensions in the Cabinet is definitely committed to hostilities against Great Britain, Russia, France and Serbia. While Turkey becomes in effect an ally of the Teutonic allies she is strictly speaking waging an independent war upon Russia because of an alleged attack upon her by the Russian navy; and upon the other countries involved because of their espousal of the Russian cause.

The new drive for the sea coast of the heavily reinforced German forces in Belgium has been met by a counter offensive of the also augmented armies of the allies in the vicinity of Ypres. "The Franco-British lines have at no point drawn back," says the afternoon French official statement, "and our troops undertaking the offensive have made notable progress in several directions."

It is declared that the allies have made slight progress to the east of Neuport and that the German attacks from Dixmude to the Lys are being made with less energy. Renewed German activity is reported on the center without notable change and on the right of the allies the situation remains deadlocked.

A dispatch from Teheran reports that the Persians are much excited over the clash between Turkey and Russia. The pretender, Salar Ed Dowleh, has proclaimed himself as Germany's candidate for the throne.

Great Britain has formally annexed the island of Cyprus in the Mediterranean which has remained long under the suzerainty of the Turkish sultan though with a British administration. It is asserted that the Austrians are being held in Galicia. The Russians have suspended the siege of Przemyśl.

GERMAN CRUISER STRIKES MINE AND GOES TO BOTTOM

London, Nov. 5, 4:09 A. M.—The German cruiser, Yorcke struck a mine in Jade bay and sunk. The information regarding the loss of the Yorcke reached London in an Amsterdam dispatch to the Reuter's Telegram Company. It stated that an official dispatch from Berlin said that the Yorcke on the forenoon of November 4 struck a mine chain blocking the entrance to Jade bay and sank.

Late reports declare that 382 men, more than half of the crew, had already been saved, but that the rescue work was hampered by a thick fog.

FIRE MENACED DILLSBURG

Two Blazes for a Time Threatened to Destroy Big Area in Business Section of Borough

(Special to the Star-Independent.)

Dillsburg, Pa., Nov. 5.—A fire of unknown origin broke out in the stable belonging to Peter Sidle, on South Baltimore street, last night about 11 o'clock, and for a time threatened the entire central part of the town. Due to the late hour the fire had gained great headway before it was discovered. Two horses and several wagons belonging to Beehive Baker were burned. The Opera house and several of the adjoining buildings caught fire several times but the hard work of the volunteer firemen saved these structures.

In the midst of the excitement during this fight another one was discovered in the barn belonging to A. G. Plackford on the west side of the street. The flames spread from there to Shaffer's Chain factory, doing about \$2,500 worth of damage to the machinery and building. Next it caught the stable belonging to Joseph Sheffer, owner of the Chain Factory. Both the Blackford and Sheffer stables were entirely destroyed. It is thought that the second fire started from sparks from the first that were carried across the street and over the houses and dropped on the dry shingle roof.

The Sidle stable and contents were entirely destroyed. Sidle carried no insurance. The Blackford barn was entirely destroyed. It was partly covered by insurance. The Sheffer stable was entirely destroyed and is partly covered by insurance. There was insurance covering damage to chain factory. The total loss is about \$3,000, offset by only a little more than \$1,000 insurance.

The town hall was saved only by an eastward wind, as the scarcity of water in the borough made it necessary to pump from the reservoir. The Rescue Fire Company, of Mechanicsburg, sent its chemical wagon to the scene of the fires but it arrived too late to be of any assistance. The chemical wagon was drawn by an automobile truck owned by H. R. Gelwick, a drayman, of Mechanicsburg.

WOMAN PLAYS DETECTIVE

Mrs. Della Mosee, in Garb of Indian Maiden, Finds Her Hat

Mrs. Della Mosee, dressed as an Indian maiden on Halloween, recognized a hat across Third street on that evening as one that was taken from her home last August and, playing detective in her costume, she claims to have identified the hat. Later she made information against Mrs. Sarah Butler, 319 South Cameron street, for larceny of the hat, which Mrs. Mosee values at \$10.

Detective Ibach served the warrant last evening and Mrs. Butler was allowed to go on bail until a hearing before Mayor Royal this afternoon. Mrs. Mosee says that Mrs. Butler was living at the former's home in August, when the hat was taken. The hat has not been recovered.

PRIZE FIGHTING DOOMED

Law Doing Away With Fistic Sport Probably Carried

(By Associated Press.)

San Francisco, Nov. 5.—Prize fighting is doomed in California in the face of returns from Tuesday's election as compiled to-day. The proposed law doing away with the fistic sport had been given a majority of votes in the precincts reporting and as votes were distributed throughout the State, it seemed probable that later figures would maintain the same ratio against the measure.

Earlier returns, especially those from cities, made it appear that the anti-fistic measure had been lost by a narrow margin. The State has long been a pugilistic stamping ground and it is said at one time three world champions of various classes lived in the same block in San Francisco.

The so-called Iowa injunction law for the abatement of immoral traffic, heretofore regarded as defeated, likewise showed heavy support from the inner districts of the State and the affirmative votes obtained a majority.

Vote on Woman Suffrage

Chicago, Nov. 5.—Woman suffrage, voted on in seven States in Tuesday's election, has carried in two States, possibly three, and according to national suffrage leaders, still has a chance in two others. This resume is based on the best information available at noon to-day.

Washington State Going 'Dry'

Seattle, Wash., Nov. 5.—In 1,585 election precincts the vote for prohibition is 137,214, against 123,930. This is a prohibition lead of 13,284. The returns now straggling in from "wet" counties are slowly increasing the prohibition majority.

North Carolina Republican Congressman

Asheville, N. C., Nov. 5.—Congressman Gudger's campaign manager to-day formally conceded to election of J. J. Britt, Republican candidate for Congress from this, the Tenth district. Britt's majority probably will be 700.

Sherman Won By 6,000

Chicago, Nov. 5.—Senator Lawrence Y. Sherman, Republican, was re-elected Tuesday by 6,000 or more plurality over Roger C. Sullivan, Democrat, according to almost complete returns available to-day.

Sunday Baseball Illegal

Washington, Nov. 5.—The court of appeals here to-day reversed a ruling of a lower court and held that Sunday baseball in the National Capital is illegal.

Heir Presumptive Killed in War

London, Nov. 5, 5:20 A. M.—Major Leslie D'Henin Hamilton, of the Cold Stream Guards and the heir presumptive to Lord Hamilton, of Dalzell, it is announced to-day was killed in action October 25.

STOUGH ASKS FOR MAYOR IN PULPIT

Wants Him, the Coroner and District Attorney to Join in the "March to Jericho"

CALLS CHURCHES OF CITY DEAD

Revivalist Declares Members Must Do Differently Because He Doesn't Want "the Sinners in This Town to Be Contaminated"

Evangelist Stough, preaching last night to 8,000 at the tabernacle on the necessity of using a clean thing to clean something with if one wants to get it clean, endeavored to make clear to church members that if they are to do good in this city they must first look to their own goodness, and expressed the wish that Harrisburg and Dauphin county officials would fall in line in the present campaign against unrighteousness in this community. In illustrating how Elisha headed a procession from Jericho to the source of the city's bad water he began a march around the platform, saying:

"First in the procession was Elisha, carrying the milk crock with the salt in it. Then came the mayor of Jericho. I wish I had the Mayor of Harrisburg in line here with me. I wonder where he is to-night. Next came the chief of police of Jericho. I wish I had Harrisburg's chief of police in line. Then came the coroner of Jericho county. Oh, how I wish I had the Coroner of this county here. Next came the Jericho district attorney. I would like to have your District Attorney lined up. After that came the city commissioners and then the ministers. I wish I could get all the ministers of this city in line too."

Calls Seminary a Cemetery

At the opening of his sermon the evangelist told of the ascension to heaven of Elijah, "founder of the first theological seminary and professor of dogmatics, Hebrew, homiletics and everything else that goes with a seminary." He described the ascension as the most magnificent funeral, "beating any turnout you ever had here in Harrisburg."

When he came to the part of his story dealing with the "real estate boom of Jericho" he digressed in order to enlarge on the necessity for citizens to boost Harrisburg instead of knocking it.

KREIDER WON BY 10,448

Republican Candidate for Congress Carried All Counties of District

Revised but unofficial returns, complete, from the three counties comprising this Congressional district—Dauphin, Cumberland and Lebanon—showed this morning that Aaron S. Kreider, Republican, carried all three with pluralities over Kaufman, Democrat, his nearest rival, totaling 10,448. Dauphin county gave Kreider a plurality of 7,164; Lebanon gave him 2,541, and Cumberland 743.

Indications, backed up by the figures, show that Ben K. Focht, the Republican nominee for Congress in the Seventeenth or "sheestrung" district, has defeated his Democratic opponent, Frank L. Dershem, by about 1,290 majority, carrying five of the eight counties. Yesterday's returns had indicated Focht's defeat.

In the Fifteenth district Congressman Edgar R. Kiess, known to many Harrisburgers as an Eglesmere host, has defeated John J. Reardon, his Democratic opponent, who was backed by Secretary of Labor Wilson.

Congressman Warren Worth Bailey, of the Johnstown "Democrat," who had as his opponent, Jesse L. Hartman, of Blair, has won by a small majority.

In the Twentieth Congressional district, C. William Beales, of Gettysburg, Republican, has defeated Congressman Broubeck, Democrat, of York, by over 700.

C. A. LINDBLAD RESIGNS

Harrisburg Hospital Superintendent Has Accepted a Position Nearer His Home

The resignation of Charles Arthur Lindblad as superintendent of the Harrisburg hospital, was accepted with regret by the Board of Trustees of that institution in special meeting at noon to-day in the office of Henry B. McCormick, president of the board.

Mr. Lindblad, who came to Harrisburg from McKeesport, where he was assistant superintendent of a hospital there, has accepted a position in a Pittsburgh hospital and hopes to begin his new duties there on December 1. A member of the Board of Managers said following the meeting:

"We accepted Mr. Lindblad's resignation with considerable regret. He has been very successful in Harrisburg in systematizing the handling of patients. He, however, has accepted a position in Pittsburgh which is nearer his home and believes he will be better satisfied there on that account."

A committee of the board has been appointed to nominate a successor to Mr. Lindblad, who will also be a man, if a suitable one familiar with hospital work can be found. The committee hopes to be able to name a successor by December 1.

CONGRESS STILL DEMOCRATIC

Administration Holds Both Legislative Branches in Washington

(By Associated Press.)

New York, Nov. 5.—With four Congressional districts still uncertain, results of Tuesday's election show that the Democrats elected to the House, 228; Republicans, 194; Progressives, 7; Socialists, 1, and Independents, 1. This would give the Democrats a majority in the lower house of 25.

Republicans claim the election of James J. Britt over J. M. Gudger in the Tenth district of North Carolina; N. M. McLean, Republican-Progressive, in the Third Colorado district, and C. B. Timberlake in the Second Colorado. The Democrats claim the election of G. T. Helvering in the Fifth of Kansas. In that event there would be a Democratic majority of 23.

In the Senate, late returns left still somewhat in doubt the elections in Colorado, Wisconsin and Nevada. The election of Edward Johnson, Democrat, over Charles H. Burke, Republican, in South Dakota was a gain for the Democrats, which offset the defeat of Roger C. Sullivan, Democrat, in Illinois, by Senator Lawrence Y. Sherman. Latest reports from Nevada showed Francis G. Newlands, Democrat, leading Samuel Platt, Republican, by a little more than 200, with about two-thirds of the precincts heard from. Democrats claim the election of Senator Charles F. Thomas over Hubert Work, Republican, in Colorado, and the election of Senator Newlands. The Republicans claimed the election of Francis E. McGovern over Paul A. Hustling in Wisconsin.

This result, if carried out, would make the representation in the next Senate 55 Democrats, 40 Republicans and one Progressive, a Democratic majority of 14.

Republicans Leading in Kansas

Topeka, Kan., Nov. 5.—With the returns practically complete in all but three counties in Kansas early to-day, former Senator Charles Curtis, Republican, appeared to be leading in the race for the United States Senatorship by about 1,000 votes over Representative George A. Neely, Democrat. With the re-election to Congress in the Sixth district of John R. Connolly, Democrat, all but one of the Congressional districts had made complete returns. The Fifth was yet in doubt, although Guy T. Helvering, Democratic incumbent, seemed to be leading by a slight majority over W. Calderhead, Republican. Late returns indicated the election of Republican State ticket by pluralities of from 15,000 to 30,000.

FROM YESTERDAY'S "HARRISBURG TELEGRAPH"

"After to-day the Telegraph promises the good women of the many households where it is a twilight visitor that there will be more attention given to the interests which concern them than those of the politicians, who have had the right of way for months."

FLAMES CLOSE TO DOUBLING HOTEL

Forest Fire Is Sweeping Rapidly Toward Noted Cumberland County Resort

STAVE FACTORY BARELY ESCAPES

Forestry Department Has Men at Work Batting With the Flames in Perry County—State Police Are Ready to Answer Call

(Special to the Star-Independent.)

Carlisle, Pa., Nov. 5.—Several hundred acres of valuable timber land have been burned over by a forest fire which has been raging on both sides of the North mountain and which is now sweeping eastward and threatens destruction to the famous Doubling Gap hotel, a summer resort, which is directly in its path, nine miles from Newville, on the Perry-Cumberland counties lines.

The stave factory of the Jersey Shore Stave Company, a concern controlled by Edward Meadow, a frequent visitor to Harrisburg, last night was surrounded by the fire and was saved only through the efforts of a score of employees and as many farm hands and other men. At noon to-day it was said that the Doubling Gap hotel that the fire was within three-quarters of a mile of the building and that it was burning fiercely and fast sweeping eastward.

The timber in the immediate vicinity of the stave factory was being used in the manufacture of barrel staves and constitutes a heavy loss to the company. At noon it was feared that a general call for assistance, especially to the State Forestry Department, would be necessary.

The fire is burning both on the Cumberland and Perry county sides of the North mountain. It has been raging since Monday. Tuesday afternoon the fire fighters had the blaze in check, although it broke out anew during the night and now is burning more fiercely than before.

Dosen Different Forest Fires

The stave factory now is believed to be out of danger. A large number of men have been stationed around it constantly. This morning one band of the fire fighters changed its tactics and began felling trees to make a gap as a means of preventing the spread of flames.

The North Mountain fire is but one of almost a dozen that are burning in the mountains about the Cumberland Valley. No less than 5,000 acres of forest land have been swept by a fire that is yet burning near Boiling Springs. However, no buildings are in danger from this blaze.

In the South Mountain, chiefly in Washington county, Maryland, it is said that half a dozen sections of forest are burning.

Fire Threatens Pen-Mar Park

(Special to the Star-Independent.)

Hagerstown, Md., Nov. 5.—Eleven forest fires are raging in Washington county to-day. Some of these have been burning for the last several days and already have destroyed thousands of dollars worth of timber.

The most serious blaze is on the west side of South Mountain in the vicinity of Bald Eagle Knob, between High Rock and Key Rock. For a time last night the flames threatened Pen-Mar park, but a force of fire fighters, numbering more than one hundred men, succeeded in checking their progress in that direction, but only for the time being. The fire swept down the mountainside into Pennsylvania for a distance of almost three miles. When the wind changed after midnight the blaze turned and is now again sweeping toward the amusement places and cottages at Pen-Mar park.

The six fires on the other parts of South Mountain around Smithsburg are doing much damage. The largest of

UNKNOWN MAN IS KILLED

Mystery Surrounds Trespasser Struck by Locomotive in Enola Yards —Fractured Skull Fatal

Mystery surrounds the finding of a well-dressed but penniless man in the Enola yards of the Pennsylvania Railroad 4:30 o'clock yesterday afternoon, so seriously hurt that he died this afternoon at 2:45 o'clock without regaining consciousness. There is no mark of identification, only two razors being found in his pockets.

The man suffered from a fracture of the skull and a severe concussion of the brain, having been struck by a locomotive while trespassing on the railroad. He was committed to the Harrisburg hospital, where he was immediately operated on.

The man was of medium height and slender build, but his face and head were lacerated so badly that his features were not clear. He was wearing clean linen and was neatly dressed. His teeth are in excellent condition and were filled with gold, proving to the hospital authorities that he is not the ordinary railroad trespasser.

M'CORMICK PLANS NO REST

Doesn't Need a Trip, He Says—Too Busy Even to Coach Yale This Fall

Vance C. McCormick, the defeated candidate for Governor, has plunged into business and is forgetting that there was such a thing as an election last Tuesday. The report that Mr. McCormick will go away to take a long rest is not correct.

"I have made no plans for taking a rest," said Mr. McCormick this morning, stopping in the midst of shaking hands with a dozen people who stopped him on the way to his office, "and at present will devote my entire time to catching up with my business which has been neglected in the stress of campaigning since last March. I don't know that I need a rest, but I know that I am confronted with a great deal of business, and I shall begin to clear it away as soon as I can."

Almost yearly since his graduation from Yale, Mr. McCormick, who captained the Eli football eleven and incidentally was assigned to a place on the All-American team, has made it his habit to go back to New Haven and help coach the team for the final big games of the season. When Mr. McCormick was asked to-day if he expects to help coach Yale this year, he said:

"I am going to New Haven on November 16 to attend a meeting of the Yale Corporation, of which I am a member. I expect also to see Yale play in both the Princeton and Harvard games. However, my business has accumulated so during the campaign that I hardly think I will have time to get out on the coaching lines this fall."

BRUMBAUGH WILL BE PRESENT

Governor-elect Will Be Introduced by Retiring Governor Toner

Dr. Martin G. Brumbaugh, Governor-elect of Pennsylvania, will participate in the Pennsylvania day exercises to be held Friday, the 13th of November, at Penn State. Dr. Brumbaugh will be introduced by retiring Governor Toner. A large number of alumni, State officials, members-elect of both House and Senate and persons who want to visit their State College are expected to be present.

The following appears on the program: A review of the college under the presentation of two steel flag staffs by the Pennsylvania State Camp, P. O. S. of A.; a glee club concert, a football game between Penn State and Michigan Agricultural College and the senior dance. Four new buildings will be dedicated on Saturday afternoon, the day following the main celebration.

During the two days a county fair will be held under the direction of the students of the School of Agriculture. The fair will be directly connected with an exhibition of live stock and the dedication of the stock judging pavilion and the dairy barn.

Elaborate preparations are being made by the various clubs and fraternities for the entertainment of the hundreds of visitors that are expected.

OFFICIAL COUNT STARTS

No Material Change Looked for in Election Results in Dauphin County

The official count of the vote cast in the 123 precincts of Dauphin county at Tuesday's election was begun at noon to-day. Judge McCarrell was on the bench and the returns were read by Prothonotary Henry F. Holler. The computation is being made by Benjamin F. Umberger and Frank E. Ziegler.

The official results will not be known until late to-morrow, as it is figured that all of to-day and most of to-morrow morning will be taken up with the count.

The material results in this county will not be changed, however, as all successful candidates have safe majorities. It is expected, however, that there will be slight changes in the totals.

Returns of half a dozen districts were counted before the noon recess to-day. The figures were practically the same as the unofficial returns printed yesterday in the Star-Independent.

Paying Election Bets

One election bet was paid with hard labor last evening. A Brumbaugh supporter was hauled from Steelton and through the principal streets of the city last evening by a McCormick follower. Several youths had a parade and other bets were paid by wearing bright neckties and other noticeable clothing. Market street was the favorite stamping ground.

Senatorship Fight Close in Wisconsin

Milwaukee, Nov. 5.—The Milwaukee "Journal's" tabulation of Wisconsin election returns for United States Senator at 1:30 this afternoon on all but four counties gives McGovern, Republican, a plurality over Hustling, Democrat, of about six hundred votes. The counties yet to be heard from should favor McGovern, it is said.

KUNKEL IS LEADING; 64 COUNTIES IN

Admitted, However, Official Count Will Be Needed to Decide Supreme Court Race

HE RUNS 7,069 AHEAD IN BERKS

Late Returns Indicate Election of Trexler for Superior Court—Brumbaugh's Lead Placed at 139,041— Penrose 236,493 Ahead of Pinchot

It will take the official count of the ballots cast throughout the State on Tuesday to determine whether George Kunkel, president judge of Dauphin county, has beaten Judge Frazer, of Pittsburgh, for Judge of the Supreme Court. This was admitted by members of the Kunkel campaign committee in this city this afternoon.

While the Kunkel committee would issue no official statement it was learned that at noon unofficial returns received by the committee from 84 of the 67 counties of the State gave Kunkel a slight lead. The committee declined to state the size of the majority indicated at that time.

One encouraging bit of news for the many friends of Judge Kunkel in this, his home county, was contained in an Associated Press dispatch received this morning from Reading, which said the complete but unofficial returns in Berks county gave Kunkel a majority there of 7,069 over Frazer. Earlier returns had indicated a smaller lead for Kunkel in Berks.

It was, of course, expected that Judge Kunkel would run behind in Philadelphia and Allegheny counties, the latter being the home county of Judge Frazer. The complete unofficial returns from Philadelphia, according to the Associated Press, gave Frazer a majority of 23,526 over Kunkel. This was offset almost entirely by the handsome majority of 20,167, unofficial, that Kunkel got in Dauphin.

As was expected Allegheny county gave Frazer a lead of probably between 70,000 and 80,000, which the friends of Judge Kunkel are hoping will be wiped out by the returns from the other counties of the State, it being admitted that Kunkel has carried a majority of the counties outside of Philadelphia and Allegheny.

What Associated Press says The Associated Press, at 1:36 o'clock this afternoon, sent the following dispatch from Philadelphia:

"Additional returns received to-day show that the vote for Supreme Court on the non-partisan ballot was close. Practically complete but unofficial figures from 52 of the 67 counties show the following: Robert S. Frazer, 320,158; George Kunkel, 319,839.

These figures include all of Allegheny county, the home of Judge Frazer, with the exception of 24 districts. They also include the vote of Dauphin county, the home of Judge Kunkel.

"The missing Allegheny districts will raise Frazer's total about 3,000, but this gain will be offset by Delaware county, which is believed to have given Kunkel a majority of about 3,000.

The missing counties include Clarion, Crawford, Erie, Fayette, Lawrence, Mercer and Warren, which, taken as a whole, are expected to help the western candidate, and Bradford, Columbia, Juniata, Northumberland Sullivan and Wyoming which are expected to increase Kunkel's vote."

The Philadelphia "Ledger's" figures, compiled at last midnight and therefore not as recent as those available to the Kunkel campaign committee, showed that 52 of the 67 counties gave Frazer a majority of 26,147. These figures included both Philadelphia and Allegheny counties. The "Ledger" did not claim that Frazer was elected, but admitted that the result was in doubt.

Trexler Surely Elected For Judge of the Superior Court, Judge Trexler, appointed to that bench by Governor Toner to fill a vacancy, is apparently having a walkover. Returns from 47 counties give Judge Trexler 387,225, against 171,173 for his opponent, Clark, or a majority of 216,052 for Trexler. The missing counties are likely to increase Judge Trexler's lead.

The latest returns available indicate that Brumbaugh's majority over McCormick for Governor will be 139,041, and that Penrose has beaten Pinchot, his nearest rival for the Senatorship, by 236,493 in the State. Palmer appears to have run slightly below Pinchot. McClain, Republican, for Lieutenant Governor, and Houck, Republican, for Secretary of Internal Affairs, have been elected by big majorities.

Kunkel 7,069 Ahead in Berks Kunkel 7,069 Ahead in Berks county complete but unofficial: Palmer, 10,499; Pinchot, 4,882; Penrose, 7,410; McCormick, 13,383; Brumbaugh, 8,861; Frazer, 4,107; Kunkel, 11,176; Clark, 4,000; Trexler, 11,948.

Frazer Carries Erie by 920 Erie, Pa., Nov. 5.—Erie county complete gave Kunkel for Supreme Court judge, 4,642; Frazer, 3,713. Kunkel's majority, 929.
