The Suffering Child.

I hereby certify, that one of my children, when naked, fell into a large fire of live coals, and was burned severely from head to feet.—
The best of medical aid and attention was fiven to the child for four or five days without any relief-each day's suffering increased till his groans could be heard at a great distance, at which critical period one of my neighbors recommended and presented to me a box of SLOAN'S OINTMENT, and in less than fifteen minutes after the application of the Ointment to the aggravated sores of the suffering zhild, the pain ceased entirely, and he speedily began to recover. My residence is in Helt Township, Vermillion county, and State of Indiana. THEODORE L. LADLOR. Dated at Chicago, August, 24, 1848.

Mr. Sloan—Dear Sir: One of my horses had a large bony tumour on his breast bone, immediately under the collar, which lamed him, and rendered his services of very little value.

I have just received a supply of these celebrated Medicines, which I will warrant genuine. I am the only Agent in Dubuque for the sale of Sloan's Genuine Medicines.
