PASTORAL LETTER

OF HIS GRACE, THE ARCHBISHOP OF NEW OR THANS, ANNOUNCING THE INAUGURATION OF THE MONUMENT ERECTED IN HONOR OF OUR LADY OF LOURDES. IN THE METROPOLITAX CHURCH OF NEW ORLEANS.

NAPOLEON JOSEPH, by the grace of God and favor of the Holy See, Archbishop of New Orleans, Prelate of the Papal Household, Assistant at the Pontifical Throne, Roman Count, ofc. To the clergy and laity of our Diocese, Health and Benediction in Jesus Christ, Our Lord.

Beloved Fellow-Laborers of the Clergy and Dear Breihren of the Laity :- Our Catholic popula tion, always so remarkable by a most ardent devotion towards Mary, the Immaculate Virgin, the Mother of God, and the Queen of Angis, the mother of dod, and the gister gels and men, has been for a long time deeply moved at the recital of the wonderful miracles constantly performed at the Grotto of Lourdes, a place sanctified some sixteen years ago by the apparitions of the Blessed Virgin. On occasions, pious members of the Clergy and Laity have manifested to us the wish tha the devotion to our Lady of Lourdes should be established in our diocese in a public and solemn manner; and as this wish coincided with the inclination of our own heart and our filial love to that good and tender Mother, we have determined to erect in the chapel of the Blessed Virgin of our Metropolitan Church, a monument, which, in recalling as much as possible the Grotto of Lourdes, will transmit to those who will come after us an enduring mem orial of our tender devotion towards her, who said of herself: I am the Immaculate Concep-

The Feast of the Immaculate Conception which is celebrated on the 8th of December being a feast of obligation for all the Catholics of the United States, and being moreover the atronal feast of the whole country, is na turally the most appropriate day for the inauguration of the monument of our Lady of Lourdes; it is the day we have selected for this ceremony; and by this selemn inauguration we intend placing in a special manner th city and diocese of New Orleans under the powerful and maternal protection of the Immaculate Mother of God.

Conformably to the words which she herself uttered in her apparitions at the Grotto, we shall beseech her to restrain the arm of her Divine Son, so justly raised against us; and to obtain for us that spirit of penance which alone can disarm the justice of the Lord; and in order that our prayers may be more favorably heard, we shall make to Him the sacrifice of our extravagance, follies, vanities, and sensual inclinations, and immoderate love of pleasure and of all other evil habits which have draws upen us the chastisements of heaven, and prepared for us, more than any other cause, the

ruin of our beloved country.
We will beg of her to watch over our Holy Mother, the Catholic Church, attacked by se many embittered enemies, and to cover with her protection the glorious Pontiff who, by the definition of the dogma of the Immaculate Conception has added so brilliant a flower to the diadem of the Queen of heaven and earth

We shall ask her to procure for the just the courage and firmness so necessary in these evi days to persevere unto the end, and to obtain for the sinner the grace of conversion, as wel as for our wandering brethren the happiness to return to the only true Church, out of which there is no salvation.

As for us, we shall thank her from the bottom of our heart for the striking Catholic pro which manifests itself more and more in our Diocese, and which we mainly attribute to her powerful intercession; we shall beg of her to keep it up, and develop it more and more: for it is our sweetest consolation in the midst of the trials and pains, which it has pleased Almighty God to send us. But at the same time we shall beg of her, to have pity on on our dear Louisiana, now so severely tried, and to avert all those evils by which we see her so miserably oppressed, and against which all human efforts seem to be entirely pewerless; we shall beg of her to restore to us our ancient prosperity, promising her at the same time, to make a better use of it, than

we have in the past.

You see, Beloved Brethren, that it is our dearest interest to unite our prayers on this sol-emn occasion, and being prostrated at the feet of that Mother of Mercy, to send forth to her our most earnest supplications, that we may move her, and obtain from her that she may look upon us with eyes of compassion, filling our souls with hope and life.

Alas, among those we are now uddressing, more than one will likely refuse to listen to our voice, or take notice of our appeal; nay more, several will perhaps answer us only by their impious sneers and injurious blasphemics. We shall pray for them particularly, Dear shall ask for them, through the intercession of Mary, those powerful graces which open the eyes the most obstinately closed against light, those graces that soften the hardest hearts, and incline wills to good, in order that we may all, after celebrating the praise of the Immaculate Virgin on earth, deserve to contemplate and praise her in heaven with her blessed Son, to whom belongs all glory forever and ever.

We, therefore, after invoking the holy name of God, have ordained, and do ordain as follows:

1.—The inauguration of the Monument erected in our Metropolitan Church in honor of our Lady of Lourdes will take place on 8th of December, which is the Feast of the Immaculate Conception, in the afternoon, at an hour to be hereafter designat-

2.—It is our desire that all the clergymen who will be able, should attend this ceremony. 3 .- In all the Churches and Chapels of the Diocese, there will be on that day benediction of the Blessed Sacrament, followed by the

singing of the To Doum. 4.-A Triduum of Prayers and public instructions will take place in our Metropolitan

Church during the three days which will pre- GRAND OPENING

cede the inauguration.
5.—We grant an indulgence of forty days to all the faithful who, visiting the Chapel of our Lady of Lourdes, [will recite three Hail Marys to honor the mystery of the Immaculate Con ception. They can gain this indulgence as many times each day as they visit the Chropol during the Triduum, the day of the Feast, and its octave. After the octave, they can gain it

only once a day.

6.—It is our intention to establish in our Metropolitan Church a Confraternity of our Lady of Lourdes, which will be affiliated to the Arch-Confraternity of Lourdes; the persons who may wish to become members of it may from this time give their names to the Rev. Vicare of the Cathedral.

This, our Pastoral Letter, will be read in each church, at the parochial Mass, on the Sunday immediately following its reception. Given at New Orleans, on the Feast of the Maternity of the Blessed Virgin Mary, October 12th, 1873. † Napoleon Joseph, Archbishop of New Orleans.

By order of the Archbishop,

Secretary Chancellor.
