### COMMITTEE WILL SELECT PRIZES FOR SKI TOURNEY

Fine Trophies Will Be Given to  
Winners in Florida Hill  
Ski Events.

#### GOOD RECORDS ARE EXPECTED

A meeting of the committee on prizes, which are to be given to the winners of the ski tournament to be conducted on the Florida hill next Sunday afternoon, will be held at the residence of Hjalmar Norum of Laurium, tomorrow evening. Members of the committee will report upon contributions received, and will make provision for purchasing suitable trophies. Mr. Norum has had charge of the subscriptions received from Laurium, and Foster Borchgrevink has acted in a similar capacity in Red Jacket.

The tournament to be conducted will undoubtedly be the best ever held in the copper country. There are a large number of entries, and it is expected that some good records will be made.

The Florida hill now has a total length of over 100 feet, it being but little shorter than the hills of other clubs in the northwest. The trail is 65 feet long with an elevation of 36 feet at the top. The "take off" is about four feet high. The hill is about thirty feet longer than last year's hill.

The longest jump ever made in Calumet was 51 feet by Chris Neas in a practice held on the old hill early this season. It is expected that much better records will be made in the coming tournament, however. Several of the men have been showing good form in the practices and if the weather next Sunday afternoon is favorable some good marks will be made.

Judges for the tournament will be named Sunday and the usual rules will be followed in scoring the men.

#### NOTED LECTURER COMING.

Rev. Andrew Gillies Will Speak in  
Calumet on February 24.

Rev. Andrew Gillies, of Minneapolis, noted lecturer and preacher, will talk here under the auspices of the Y. M. C. A. on Thursday evening, February 24. The lecture will take place in the Calumet theater, and promises to be one of the most entertaining of the Y. M. C. A. Lyceum course.

Rev. Mr. Gillies is one of the best lecturers before the public. He has been lecturing for the past 14 years, and has always pleased his audiences. The following from the editorial columns of the New York Daily Press, of Troy, N. Y., speaks for itself:

"The man who undertakes to live up to the editorial statement just quoted has a large contract. Those are big words and they need justification. The failure to verify their truthfulness would be a calamity to the lecturer himself. But the best thing about them is that the words are no larger than the facts. Andrew Gillies is not primarily a lecturer. He is first a preacher and those who do not want truth and life approached from the standpoint of a preacher had better not hear him."

"It is as a preacher that his most conspicuous success has been attained. Within ten months after entering the ministry he was called from a small Vermont village to the pastorate of the important Methodist Church in the capital of the Green Mountain State. While yet in his twenties he became the minister of the great State Street Church of Troy, N. Y. Just past thirty he assumed the leadership of St. Andrew's Methodist Episcopal Church, New York City, one of the leading churches of that denomination in the Metropolis. And now, while yet in the thirties, he is the minister of the Hennepin Avenue Church of Minneapolis, one of the greatest Methodist Churches in the country. And it is but fair to say that the Hennepin Avenue Church building has been found absolutely inadequate for the throngs who come to hear."

"For fourteen years, however, Mr. Gillies has been lecturing, and he has never yet disappointed an audience with his work. His lectures are entertaining, instructive and inspiring. He is orator, teacher, leader—a rare combination."

### PRECINCT COMMITTEES ARE NAMED BY THE OSBORN CLUB

The executive committee of the Calumet Osborn club met last evening in the Red Jacket council room and appointed precinct committees to urge upon the voters the necessity of enrolling on the first Monday in April. The members of the committees from now on until that date will remind voters of the great importance of enrolling, for unless enrolled a voter will not be allowed to participate in the nomination of officers to be nominated under the primary law in September. The following committees were named:

Precinct No. 1—William E. Daniell, chairman; Joseph Gereaux, John Mitchell, John MacNaughton, James Sharp, Angus MacAuley.

Precinct No. 12—Samuel Jeffery, chairman; Wm. Wank, Martin Tobinsky, John Manier, Peter Jones, Thomas Paul.

A publicity committee, consisting of members of various nationalities, also was named to request local newspapers published in foreign languages to explain the various phases of the primary law to their readers. Particular stress will be placed on the importance of enrolling. This committee is as follows: C. A. Marsch, Anthony Lucas, Paul Schneider, A. C. Merrell, James Torreano and Fred Larson.

#### LYDIA TO ENTERTAIN.

Miss Lydia Weideman of Centennial Heights is to give a birthday party on February 28. This is not the real anniversary of the birth of Miss Weideman, for as that event falls upon Feb. 29, Lydia will have to wait until another leap year to celebrate. However, she requests her many friends to mail postcards to her on Feb. 28. Her address is No. 476 First street, Centennial Heights.

Although Lydia is 22 years of age, she has only had four birthdays. In other ways, however, nature has been more generous to her. She now weighs 463 pounds and is probably the heaviest woman in Michigan if not in the entire country.

#### MOHAWK NEWS NOTES.

Three Juvenile Hockey Teams Play-  
ed and Won Games Saturday.

Three of Mohawk's juvenile hockey teams played and won games last Saturday afternoon. A team composed of members of the Seventh A class of the Mohawk school defeated a Wolverine aggregation by the score of 8 to 1. The Wolverine team outweighed its opponents considerably, but the little fellows excelled in speed and stick work. Benchich at center for Mohawk was the star for his team. Trudgeon refereed and Kline acted as judge of play. Olson, Crowley and Gidley were ruled off during the contest.

Cronenworth's team defeated Gay in the second contest by the score of 5 to 2. Schmeier at rover for Gay and Kline at coverpoint for Cronenworth were the stars of the game. Benchich acted as referee and Jackson as judge of play. About 150 people witnessed the contest.

The Seventh B class played the Ojibway team at Ojibway and won out by the score of 16 to 2. Larson of Mohawk and Cote of the Ojibway team were the stars of this game. Brewer acted as referee.

The Seventh A will meet the Seventh B again next Saturday in the Gladiolus.

#### RECHABITES ARE BUSY.

The committee of the Lincoln Junior tent, No. 925, Independent Order of Rechabites has made arrangements for a social entertainment to be given in the Rechabite hall next Saturday evening. Although similar entertainments have been given during the past two years, the committee in charge hopes to make this the best that has ever been attempted. A splendid program has been arranged, including an address by Rev. J. S. Gould of Hancock. After the concert refreshments will be served, and from the advance sale of tickets by the members, it is believed that the event will be very successful.

#### FUNERALS OF MINE VICTIMS.

The funeral of the late James Ratz, who died last night at the Tamarrack hospital, as the result of an accident at the South Kearsarge mine yesterday afternoon, will take place tomorrow morning with services at the Hungarian Wolverine church.

The funeral of the late Joseph Teidy, another victim of the South Kearsarge mine disaster, will probably take place Saturday morning, although final arrangements have not yet been made.
