## GAY TEAM TRIMS HANCOCK BY SCORE OF 8 TO 5

The Hancock team didn't make a very brilliant showing in the game yesterday afternoon, and the score at the finish was 8 to 5 in favor of the boys from up north. Up to the fifth inning both teams played pretty evenly, neither scoring until the fourth when Gay got in a run, making the tally at that juncture 1 to 0. Then came the fatal fifth in which Brewster, on whom high hopes had been built by the locals, went to pieces, apparently. The two first men up landed for safe ones, then two were hit by pitched balls, a three-bagger by Laflesh added to the rout and the total at the close of the inning showed that Dimmer, Buddo, Pascoe, Laflesh and P. Beaudoin had all scored. Hancock's men went out quick with three strikeouts.

This awful slaughter finished Brewster and he was replaced in the sixth by Hansen, who finished his first three men up in one-two-three order. Seized with the desperation of despair the locals fell upon St. George in the sixth and managed to get three men home, this being the first luck they had up to that time. In the seventh Hansen was unfortunate in allowing a base on balls, hitting another, and being found in two more runs for Gay. Neither side did anything in the eighth and in the ninth Hancock took another spurt of good hitting to which was added a couple of free passes enabling them to pick off two more runs, but not sufficient to turn the tide of battle.

The score by innings was as follows:  
Gay ..... 0 0 0 1 5 0 2 0 0—8  
Hancock ..... 0 0 0 0 0 0 0 2 5—5  
Struck out, Brewster, 5; Hansen, 3; St. George, 5. Three-base hits, Laflesh, two-baggers, St. George, Rumpf and Wenzel. Bases on balls, off Brewster, 3; Hansen, 1; St. George, 4. Hit by pitcher, Brewster, 2; Hansen, 1. Double play, St. George to Laflesh to Pascoe.

The teams lined up as follows:  
Hancock—P, Brewster and Hansen; c, Stack; 1b, Rumpf; 2b, O'Connell; 3b, Montgomery; ss, Clark; lf, Lee; cf, Keough; rf, Wenzel.  
Gay—P, St. George; c, Buddo; 1b, Pascoe; 2b, Laflesh; 3b, A. Beaudoin; ss, Dimmer; lf, Butler; cf, P. Beaudoin; rf, Nazher.

In the third inning Stack injured his finger and went to left field, Leo coming in to third base and Montgomery taking Stack's place behind the bat.

The following schools will picnic at the park during the week: Washington school, Calumet; Wolverine school, Osceola school and Hubbell school. All have chartered special cars and the children will hold exercises at the pavilion and picnic on the grounds.  
The merry-go-round has been installed and will be ready for use Wednesday or Thursday. A special feature for the school children will be the giving of a merry-go-round ticket to each child who comes to the park with his class.

### HOLD BI-ENNIAL SESSIONS.

Modern Samaritans Decide to Hold Conventions Every Two Years.  
Beginning in 1912, the Imperial and Grand councils of the Modern Samaritans will meet only once in two years. This was decided at the national convention held in Duluth last week, at which Eldred Mitchell of Hancock was the delegate from the Michigan lodge. There were nineteen delegates present at the session, which began last Wednesday and lasted all the week, in the Christian building, Duluth, four states being represented, Minnesota, North and South Dakota, Michigan and Wisconsin. Heretofore the sessions have been held yearly, which it was decided, is too often, and after some discussion it was decided to hold them every two years.

### MEETINGS THIS WEEK.

The Fourth of July and Greater Hancock clubs will meet again tomorrow evening, when the program for the Fourth will be discussed. Most of the committees will doubtless be in shape to report at this meeting.  
On Tuesday evening a meeting of the retail clerks of Hancock and Houghton will be held in the A. O. H. hall, for the purpose of forming a clerks' union to affiliate with the A. F. of L., taking the place of the clerks' club formed last year. One of the purposes of organization is to secure if possible, the early closing of the stores in the Portage Lake towns during July and August, following the Fourth. A number of merchants are known to favor the movement, which proved quite successful last summer, but there are a number holding out against it which might cause the plan to fall through. For this reason the clerks have decided to organize and exert their efforts to secure the short hours.

### THIRD WALL COMPLETED.

Progress of Filling Front Street Ravine Reaches Another Stage.  
Contractor James McGlynn's force of workmen on Saturday last finished the construction of the third of the series of retaining walls for the Front street fill, and today the Dakota Heights company, which has the contract for filling with sand back of the walls, resumed the washing down of material from the hillside above the Kerredge theater. It will require about two weeks' time to bring the earth to the level of the wall, and there are yet to be built two or more walls, eighteen feet apart, and each eight feet in height. A marked change is perceptible in the progress of the work, telephone poles that formerly stood high on the slopes of the sides of the ravine being now nearly half buried in sand.

### MAY TAKE BOAT BACK

Owners of Steamer Steinbrenner May Take Boat From Underwriters.  
Although the matter has not been settled, the owners of the steamer Henry Steinbrenner, who abandoned her to the underwriters as a constructive total loss shortly after she was sunk at the Soo, will probably take her back. That point will be settled after the steamer is docked at Cleveland and examined.

The Steinbrenner was insured for \$279,000 and in order to make her a constructive total loss the salvage and repair bills would have to amount to 75 per cent of the insurance valuation. The Reid Wrecking company will get \$20,000 for raising the steamer and delivering her in port. Capt. Reid reports that the steamer is not in very bad shape and it is not likely that the repair bill will be large enough to make her a constructive total loss.  
The Steinbrenner was sunk last December by the steamer H. A. Berwind in the Soo river.

### HANCOCK LOSES TO LAKES.

The Hancock high school baseball team lost to the Lakes at Hubbell park, Saturday afternoon. The score was 19 to 9, reversing the result in the last game between these two teams, when the score was 3 to 2 for Hancock. By winning yesterday Lake Linden ties with Hancock for last place in the championship standing. The Lakes scored six runs in the first inning, after which they were held down by the visitors who continued steadily to lessen the lead of their opponents until at the end of the final inning there was a difference of but one run. The score by innings:  
Hancock .1 0 0 2 0 2 3 1 0—9 7 10  
L. Linden 6 0 0 0 1 0 1 2 \*—10 8 8  
Umpires, Moeller and Doty.

Dr. J. F. Walz of the Quincy and Stewart Eldred, son of Rev. and Mrs. M. H. Eldred, are visiting relatives in lower Michigan.

A. J. Scott was out Saturday after his recent illness.

### CONFISCATED DEER CARCASS

Meat of Animal Found by Roadside Taken by Game Warden  
The dead carcass of a deer was found Friday lying by the roadside in the vicinity of St. Mary's near Boston. After being passed by a large number of people it was finally taken charge of by a Finnish farmer living near by, and Bert Meola of Hancock, who was passing with a team. The carcass was cut up, Meola taking a hind quarter, and the other man the remainder, which he packed in a wash tub and carried away. Hardly had the division of the meat been effected when County Game Warden Wilson appeared on the scene, having been notified that there was a dead deer at St. Mary's. He met Meola and the other man driving off, and discovered that he had been forestalled. He took charge of the meat, and stated that it would be sent to the poor farm if found suitable for eating.

### CHILDREN'S DAY OBSERVED.

Children's day was observed last evening at the Hancock Congregational church with an appropriate and interesting program of songs, recitations, dialogues, etc., in which the children of the Sunday school participated, assisted by the choir. The title of the exercises was "In Woodland Ways," arranged by C. Austin Miles.  
On account of the apical service for Court Pride, Foresters of America, at the Hancock Methodist church, the children's day program was postponed until next Sunday.

### HANCOCK LOSES KNIGHTS OF GRIP 1911 CONVENTION

The seventh annual convention of the U. C. T. has closed and the many visitors are fast leaving for their homes, the rain having interfered greatly with the plans. The election of officers resulted as follows: Grand counselor, C. A. Wheeler, Marquette; grand junior counselor, George B. Craw, Petoskey; grand past counselor, A. T. Lincoln, Hildale; grand secretary, Fred C. Richter, Traverse City; grand treasurer, Joe C. Wittliff, Port Huron; grand conductor, John Q. Adams, Battle Creek; grand page, A. F. Welch, Kalamazoo.

Mark S. Brown of Saginaw defeated Fred J. Moutier of Detroit as a member of the executive committee by a small majority. The other members are John A. Hoffman, Kalamazoo; Jus. F. Hammel, Lansing, and John D. Martin, Grand Rapids.  
Detroit, Muskegon and Hancock were out for the 1911 convention, but Muskegon won out by a big vote, the council from that city being strongly represented.
