

## NEWS of the FRATERNAL SOCIETIES

**Calumet Lodge of Elks.**  
The Calumet lodge of Elks will hold its regular meeting in the Elks temple this evening and among other matters to be considered will be the reports from various committees concerning the May Festival in the Light Guard armory. Tickets will be out in a few days and the committee in charge of the festival is making plans for a diamond ring contest which has been determined upon as the best and fairest manner of making the selection. Nominations will be sought in every town in the county.

On Friday evening the Elks and their ladies will be entertained at a dancing party at the temple, one of the pleasant little events arranged for by the entertainment committee. The local orchestra will furnish the music. Some evening next week the Hancock Elks will come to Calumet to meet their sister lodge in a series of card, pool and billiard games. A social session is planned in connection with this event and luncheon will be served.

District Deputy C. E. L. Thomas of Calumet is now in the Iron country making official visits to the various lodges. Last evening he inspected the upcoming lodge and Thursday evening he will conduct a school of instruction for the members of Marquette lodge.

Port Huron lodge of Elks is busy arranging for the big state reunion to be held next June in connection with the dedication of the new \$50,000 temple, and the program, as tentatively arranged, was just announced by the entertainment committee.

On Tuesday, June 2, Grand Exalted Ruler Mills will dedicate the new temple. He will be assisted by acting grand lodge officers. Former Congressman John J. Lentz of Columbus, will deliver the dedicatory address.

In the evening there will be informal parties, both in the new temple and elsewhere. Wednesday, June 4, the grand parade of Michigan Elks, the rhythmic competition will take place. Thursday, June 5, at Kewadin beach, a barbecue will be held.

**To Shrine Meeting.**

Several copper country members of the Ahmed Temple of the Mystic Shrine are making plans for the pilgrimage to Dallas, Tex. in May, to attend the national shrine meeting. It has not yet been decided what route will be taken, but committees have this matter in charge and will soon communicate with the members in this section. The Shrine Temples located in the northwest states, Wisconsin, Minnesota and a few other states have arranged to travel to Dallas as one party and it is possible the members of Ahmed temple may join them enroute.

**K. of G. E. Installation.**

The newly elected officers of Garfield Castle, Knights of the Golden Eagle, were installed Monday evening by Grand Vice Chief Richard Martin. There was also an inspection of Calumet Commandery. A social session

and smoker was held in connection. Preparations will soon be made for the observance of the Golden Eagle Memorial day, the first Sunday in May, at which time the members will march to the Lake View cemetery and after decorating the graves of departed brothers, will hold public exercises.

**Calumet Woman's Club.**

At the regular meeting of the Calumet Woman's club to be held Friday afternoon, officers for the ensuing year will be elected. The motto for the week is:

"We must contend that some considerable knowledge of the law should be sought by every human being who aspires to real education."

The program will include a paper by Mrs. Anna G. Petermann on "Some Common Legal Terms and Their Definitions." The music is in charge of Mrs. Joy Frink Kohlihaus.

**National President Coming.**

James J. Reagan of St. Paul, national president of the Ancient Order of Hibernians, is coming to the copper country during the coming summer to give a lecture under the auspices of the convention committee of Division No. 2. There will be a county reunion of the order here at that time and an elaborate program of entertainment will be arranged. The proceeds of the lecture will help swell the local division's convention fund.

**Eagles Plan Trip to Hancock.**

Calumet Aerie of Eagles will next Thursday evening journey to Hancock where they will be the guests of Hancock Aerie. All of the lodges in the county will attend this function which has been arranged largely as a get-together meeting in connection with the big state meeting to be held there during the coming summer. A program will be enjoyed and refreshments served. The Calumet Aerie will make the trip to Hancock on a special street car.

**Laurium Nest of Owls.**

The members of the Laurium Nest of Owls enjoyed a very pleasant social session in their hall last evening. The event was arranged in connection with the membership contest which is now in progress and which is meeting with good results. There was a large attendance and following a musical and literary program, refreshments were served.

**Pythian Sisters Surprised.**

The Laurium Pythian Sisters were surprised at their regular meeting last evening by their brothers of Laurium lodge No. 292, K. of P., who visited them during their meeting, bringing with them a liberal supply of ice cream and cake. A musical and literary program was enjoyed.

**Hecia Lodge I. O. O. F.**

The members of Hecia lodge No. 99, I. O. O. F., will confer the first degree at their regular meeting this evening. The lodge has accepted an invitation to visit with Keweenaw lodge on Saturday, March 8 and confer the third degree.

**Norine Rebekah Lodge.**

The members of Norine Rebekah lodge of Alton will entertain their sisters of Stella and Elizabeth Rebekah lodges of Calumet at their regular meeting this evening. Special street cars have been chartered for the trip.

**Charity Lodge to Meet.**

The members of Charity lodge No. 131, Knights of Pythias, will hold their regular meeting Thursday evening. There will be a degree team practice.

**Lady Willard Hive.**

Lady Willard Hive, L. O. T. M. M. will hold its regular meeting Thursday afternoon at 2:30 o'clock. Important business is to be considered and all members are urged to attend.

**Canton Copper City.**

Officers for the ensuing year will be installed by Canton Copper City, Patriarchs Militant at the regular meeting Monday evening.

**Postal Carriers.**

The Calumet Postal Carriers will hold their regular meeting this evening. There will be a smoker and social session in connection.

## VOTE ON MANY AMENDMENTS

At Least Dozen Will Be Put Up to People of State

At least a dozen, possibly fourteen, constitutional amendments are likely to be placed before the people at the coming spring election. Here is the list of the amendments asked and which may be voted upon in April, if the bills get through in sufficient time:

Equal suffrage.  
Statewide prohibition.  
Initiative.  
Referendum.  
Recall.  
Firemen's pensions.  
Teachers' pensions.  
Mothers' pensions.  
An income tax for the state.  
The abolition of the state land commissioner's office and the creation of a department of agriculture.  
To permit students to vote at the institutions they are attending.  
To carry out the provisions of the short ballot idea.  
To make possible non-partisan elections of judicial and educational officers.

**Status of the Various Issues.**  
Suffrage has already been once submitted and the people voted upon it Nov. 5. It will go before them again in April. The initiative, referendum and recall will in all likelihood be presented in April in three separate amendments.  
The firemen's pension bill has already passed and will be submitted in April. The teachers' and mothers' pension bills must be attended by a constitutional amendment before they can be made effective and they may be ready in time for submission in April.  
A proposition for an income tax has been put up on this, together with a possible general revision of taxation matters, may result in one or more other amendments for the people to vote upon.

To abolish the land commissioner's office requires no amendment, since the constitution provides that this office may be abolished by statute. But if the creation of the department of agriculture, as proposed by Senator Powell is to go through, an amendment will be necessary.

Statewide prohibition is almost certain to be submitted. Because it is a referendum, those who are most bitterly opposed to the prohibition theory will vote for submission and then do whatever is possible to defeat it at the polls. Of course, this proposition will not be voted upon this spring, as the Dunn bill provides for a referendum.

**PIMPLES ALMOST COVERED FACE**  
Blackheads Also. Suffered Greatly. Red and Irritated. Unsightly. Used Cuticura Soap and Ointment and Face Was Cleared.

Atchison, Kan.—"For a number of years I suffered very greatly from skin eruption. My face was very red and irritated, being almost covered with pimples and blackheads. The pimples were scattered over my face. They were a fine rash with the exception of a few large pimples on my forehead and chin. My face burned and looked red if exposed to either heat or cold. It was not only unsightly but very uncomfortable. I tried several remedies but couldn't get any relief. I was recommended to use Cuticura Soap and Cuticura Ointment. I applied the Cuticura Ointment in the evening, leaving it on for about five minutes, then washing it off with Cuticura Soap and hot water. After about four months of this application, my face was cleared of the pimples. I still use the Cuticura Soap. I will be glad to recommend the Cuticura Remedies to anyone suffering from skin diseases." (Signed) Miss Elsie Nielson, Dec. 29, 1911.

**TO REMOVE DANDRUFF**  
Prevent dry, thin and falling hair, allay itching and irritation, and promote the growth and beauty of the hair, frequent shampoos with Cuticura Soap, assisted by occasional dressings with Cuticura Ointment, are usually effective when other methods fail. Sold by druggists and dealers throughout the world. Liberal sample of each mailed free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

\*Tender-faced men should use Cuticura Soap Shaving Stick, 25c. Sample free.

lently for submission in November, 1914.

**Voting Away From Home.**

In order that students attending institutions may not be deprived of their franchise, an amendment will be necessary in their case, and Senator Verder has already introduced the necessary concurrent resolution. At present the constitution provides that soldiers who are citizens of the state may not be deprived of the privilege and the legislature shall provide means by which they may vote. This same provision must be extended to the students and the travelingmen want a similar privilege.

If the short ballot idea goes through, and Senator Odell, who introduced the bill, thinks he has the votes to carry it, an amendment to the constitution will be necessary. The constitution now provides for the election of the secretary of state, state treasurer, auditor general, attorney general, etc. These would all be appointed if the Odell bill should go through and the ballot would be materially shortened as a result.

Again Representative Monteth has in the house a bill providing for the non-partisan election of the judicial and educational officers now elected in the spring. This will entail still another constitutional amendment, if it passes, and it is confidently expected it will.

**Initiative, Referendum, Recall.**  
That the initiative, referendum and recall will be submitted is absolutely certain. Just what form the bills will take is another question. The radical folks want the bills to be clear open-and-shut propositions, with no restrictions whatever. Others want to safeguard the measures as it has been done in Oregon.

## OUTLINES PLAN TO SAVE MONEY

President Submits Budget System to Congress

Continued From Page One.

Work in outside employment, whereas men in higher positions carrying great responsibility and the long experience, are inadequately paid. From the viewpoint of the rank and file there is little hope of reward for merit. The foundation for reclassification of salaries already has been laid. In my opinion it would enable the government to pay higher salaries to those of whom experience, training and initiative are required and make the saving of \$2,000,000.

**Elimination of Waste.**  
Elimination of waste in the distribution of public documents; reduction of the number of United States assay offices and possibly the number of mints and their consolidation into one, are other recommendations.

"With much hesitation," the president recommends the organization of a budget committee of Congress. It should act as a final clearing house through which all the recommendations of committees having to do with revenues and expenditures would pass before they take the form of bills. "The special reason I have for urging this committee," wrote the president, "is that at present the administration is seriously handicapped by not being able to take up proposals for constructive measures affecting

any particular department with any one body of committee which will undertake to consider them in all their respects."

Going further the president suggested that appropriations should be in the following classes:

To cover overhead and operating cost.  
For upkeep of property.  
For fixed charges, including sinking fund.

For permanent improvements.  
Concluding, he says: "The government is not only in the position of having gone along for a century without a budget, but what is at this time even more to the point, it has not the organic means either for preparing or for considering one. I am recommending that Congress make some organic provision whereby the administrative and legislative branch may co-ordinate their efforts in the development of the future activities of the government as well as for the determination of the expenditures needed for the current transaction of its business."

**MOHAWK NEWS ITEMS.**

Merina Smeeth, a pupil in the Ah-meeek school, is ill with diphtheria. Mrs. John Hollow of Mohawk left Monday night for Ann Arbor, where she will undergo treatment.

Fred E. Harrison, of Menominee, was a Mohawk visitor this week. Mr. Harrison is a poultry pudge and recognized expert on Rhode Island Reds.

Miss Rhoda Gill, a teacher in the Mohawk school, is ill with the grippe. Her school work is being taken care of by Miss Ruth Davey of Lake Linden.

The infant daughter of Patrick Moriarty of Mohawk died Saturday. The funeral was held this afternoon.

Mrs. Kenzil moved into the Mohawk hospital today. She will have charge of the culinary department.

## WORST STOMACH TROUBLE ENDED

"PAPE'S DIAPEPSIN" GIVES INSTANT RELIEF AND THE RELIEF LASTS.

Every year regularly more than a million stomach sufferers in the United States, England and Canada take Pape's Diapepsin, and realize not only immediate, but lasting relief.

This harmless preparation will digest anything you eat and overcome a sour, gassy or out-of-order stomach five minutes afterwards.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your pharmacist a fifty-cent case of Pape's Diapepsin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large fifty-cent cases contain more than sufficient to thoroughly cure almost any case of dyspepsia, indigestion or any other stomach disorder.

## Annual Report OF THE Village of Laurium

Laurium, Michigan, February 24th, 1913.

To the Honorable the President and Common Council of the Village of Laurium:—
