

The Farmer and Politics.
The farmer in the paper
Read the editorial mention,
That the fate of nations rested
On the R. and D. conventions.
But the trees have leaved and blossomed,
And the grass continued growing;
All the sprouts of corn were starting,
And the farmer went on hoeing.
When the matter was decided,
And they made the nomination,
One declared it was a blessing,
And another a misfortune.
Still the fruit grew ripe and yellow,
And the wheat was slowly growing;
While the farmer in his garden
'Bout his turkeys went on hoeing.
—John City Derrick.

"Women," quoth Jones, "are the salad of life—at once a boon and a blessing." "In one way they're a salad, indeed," replied Brown; "they take so much time in their dressing."

"Save Your Hair." Keep it Beautiful.
The "LONDON HAIR COLOR RESTORER" is the most delightful article ever introduced to the American people and is totally different from all other Hair Restorers, being entirely free from all impure ingredients that render many other articles for the hair obnoxious. Where baldness, or falling of the hair exists, or premature gryness, from sickness or other causes, its use will restore the natural youthful color, and cause a healthy growth, cleansing the scalp from impurities, dandruff, &c., at the same time a most pleasing and lasting hair dressing, fragrantly perfumed, re-ordering the hair soft and pliable, making it an indispensable article in every toilet.

Ask your druggist for London Hair Color Restorer. Price 75 cents a bottle. Six bottles, \$4. Main Depot for the United States, 330 North Sixth St., Philad'a.

General Grant has been elected President of the San Pedro and Canon De laquea Company, which owns 40,000 acres of land in New Mexico, including copper and gold mines. Eastern capitalists are largely interested in the enterprise.

Itching Piles—Symptoms and Cure.

The symptoms are moisture, like perspiration, intense itching, increased by scratching, very distressing, particularly at night, as if pin worms were crawling in and about the rectum; the private parts are sometimes affected; if allowed to continue very serious results may follow. "DR. SWAYNE'S ALL HEALING OINTMENT" is a pleasant cure. Also for Tetter, Itch, Salt Rheum, Scald Head, Erysipelas, Barber's Itch, Blotches, all Scaly, Crusty, Cutaneous Eruptions. The Arkansas Conference Seminary at Harrison, Boone County, Ark., an institution founded by the Methodist Episcopal Church, was burned on the night of the 20th, together with the church adjacent.

"A Bad Cold or Distressing Cough."

Dry, parched, sore throat, pneumonia, bronchial and asthmatic attacks, weakened and debilitated state of the system, all these dangerous symptoms are cured by "DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY." The first dose gives relief, and the worst cough and sore lungs yield to its healing properties. An occasional dose of "SWAYNE'S PILLS" should be taken to keep the bowels free. They are excellent for torpid liver and bilious complaints.

A Frankfort [Ky.] Physician writes: Some months ago the daughter of one of our prominent citizens was pronounced a hopeless consumptive. She was very much reduced in flesh, terrible cough, her life gradually wasting away. I recommended her to use "Dr. Swayne's Compound Syrup of Wild Cherry," which she did. In a short time she was free from all cough and other symptoms, and is now rosy and healthy. Price 25 cents and \$1.00 a bottle, or six bottles \$5. The large size is the most economical. Prepared only by Dr. Swayne & Son, Philad'a. Sold by druggists.

When Dr. Tanner began his late task, his case was commonly compared with those of the various fasting girls who are said to have been gifted with keener foresight, hindsight, or insight while spiritualized by starvation. But the Minneapolis prodigy proved to be practical throughout, never getting on the stilts of imagination or venturing to predict anything beyond his own success and the fearful havoc impending that fortieth days watermelon. Thus he at least has done nothing to establish the alleged connection between second sight and starvation. It is a niceable, also, how much interest people on the other side of the ocean have taken in Tanner, and how much less doubt has been cast on his good faith there than here.—N. Y. Sun.

A closely confined life leads to constipation, indigestion, biliousness, loss of appetite, &c., but Bally's Saline Aperient will give prompt relief.

An eruption of Vesuvius began on the 25th, coincident with which a sharp shock of earthquake was felt at Naples. Improper digestion of food necessarily produces bad blood, a loaded stomach, sour stomach, heartburn and very frequently, sick headache. Bally's Saline Aperient is the remedy for all these troubles.

Mormon agents found proselyting in the interior of Germany have been expelled the country by the Government.

ENGLISH FEMALE BITTERS.—As a powerful tonic and female regulator, this combination stands almost alone. It is decidedly the most valuable female medicine ever offered the public and is held in high esteem throughout the country. It cures female weaknesses, monthly suppressions, painful periods, relieves the hysterical, imparts iron to the impoverished blood, strengthens the debilitated, invigorates the body and restores to health.

A Georgia woman who has buried four husbands has just married her fifth. Who says there is no courage left among the men of Georgia?

A lady of our acquaintance has been in quite feeble health for many years—with some complaint peculiar to the sex—became feeble and emaciated—lost her appetite—was melancholy—sleepless—cross and fretful. Many years of suffering indicated that all medicines were a failure. There had been spent over three hundred dollars, without relief. Some one suggested the use of Dr. Dromgoole's English Female Bitters, as it was a Patent nor a secret remedy. It was used and seven bottles effected a cure.

"I know a victim to tobacco," said a lecturer, "who hasn't tasted food for thirty years." "How do you know he hasn't?" asked an auditor. "Because tobacco killed him in 1850," was the reply.

MORLEY'S T-X-S
The only Safe, Sure and Reliable Cure
FOR—
Liver Complaints, Jaundice, Dyspepsia, Fevers, Nervousness, Impurities of the Blood, Inflammation, Constiveness, Pains in the Head, Breast, Sides, Back or Limbs, Female Diseases, etc., and whenever an Aperient, Alterative, or Purgative Medicine may be required.

THESE PILLS are strictly vegetable, and made to meet the many demands caused by the effects of the changeable and debilitating climate, and are particularly adapted to the bilious and Autumnal Fevers so prevalent in this climate. They are certain and active in their operation in removing "BILIE" and disorders of the stomach, and are recommended for the cure of the above and similar diseases. Although searching, they are mild, and operate without disturbance to the constitution, diet or occupation, and being entirely free from the objectionable gripings that characterize most Pills, render them acceptable to all. By their occasional use the blood is purified, obstructions removed, the corruption of the system expelled, and the whole machinery of life put into healthy action. They are particularly calculated to produce the desired effect without producing irritation of the mucous coating of the stomach or bowels, and will not leave a constipated condition, but will remove constipation. As a

BLOOD PURIFIER

they are unequalled. As a **LIVER INVIGORATOR** they are acknowledged by one and all unopposed. As a **HEADACHE PILL** they are without a rival, and with proper diet never fail to cure Dyspepsia. Taken into the stomach, THEY IMMEDIATELY GO ABOUT THEIR WORK, removing all obstructions to the General Health, whatever those obstructions may be.

LITERARY REVOLUTION and UNIVERSAL KNOWLEDGE.

An Encyclopedia in 20 vols., over 16,000 pages; 10 per cent. more matter than any Encyclopedia ever before published in this country, and sold very handsomely and well bound, in cloth for \$10, in half morocco for \$15, and printed on fine heavy paper, wide margins, bound in half Russia, gilt top, for \$20—this is an enterprise so extraordinary that its success, beyond all precedent in book publishing, may be fairly claimed to inaugurate a Literary Revolution.
The LIBRARY OF UNIVERSAL KNOWLEDGE is a reprint entire of the last (1870) Edinburgh edition of "Chambers's Encyclopedia," with about 40 per cent. of new matter added, upon matters of special interest to American readers, thus making it equal in character to any similar work, better than any other suited to the wants of the great majority of those who consult works of reference, and altogether the latest Encyclopedia in the field.
Specimen Volumes in either style will be sent for examination with privilege of return on receipt of proportionate price per volume.
Special Discounts to all early subscribers, and extra discounts to clubs. Full particulars with descriptive catalogue of many other standard works equal in low price, sent free.
Leading Principles of the **American Book Exchange:**
I. Publish only works of real value.
II. Work upon the basis of present cost of making books; about one-half what it was a few years ago.
III. Sell to buyers direct, and save them the 50 to 60 per cent. commission commonly allowed to dealers.
IV. The cost of books when made 10,000 at a time is but a fraction of the cost when made 600 at a time—adopt the low price and sell the large quantity.
V. Use the good type, paper, etc., do careful printing, and strong, neat binding, but avoid all "padding" in and heavy leather type, spongy paper and gaudy binding, which are so commonly resorted to to make books appear large and fine, and which greatly add to their cost, but do not add to their value.
VI. To make \$1 and a friend is better than to make \$5 and an enemy.
