NEW YORK DEMOCRATS

THE ANTI-SNAP CONVENTION
PEOPLE AT BUFFALO.

Pass Resolutions Condemning the February Convention that Endorsed Hill—The Tammany Crowd Thoroughly Roasted.

The following preamble and resolutions were passed by the Buffalo meeting called April 5 to protest against the snap convention held in Albany February 22, which endorsed Hill as New York's candidate for the Democratic nomination for president:

We, Democrats of the county of Erie, in mass meeting assembled, reaffirm our loyalty to Democratic principles and to the Democratic party. Representing the great Democratic majority which has been disfranchised through the unscrupulous acts of a few unprincipled politicians, we meet here to give public expression to our determination that the will of the majority in the party shall henceforth be regarded. Of the 20,000 men who voted the Democratic ticket in Erie county, last November, less than one thousand were represented by the delegates to the Albany Snap convention. Less than one thousand, all told, attended the one hundred and forty-two primaries which elected the Erie delegates to that convention, and less than two hundred attended, excluding those holding office or promise of office under the state administration, and excluding relatives of men holding such an office or such a promise. We publicly refused to attend, because we had within four months twice attended like primaries only to find that our delegates elected by more than ten to one were cast aside by a self-constituted and reckless party manager. Reports from all parts of the state prove that the same vicious practices which obtained here were obtained in every other county in the state.

As a result, a packed mid-winter convention was held which represented not the party, but a mere faction in the party, temporarily in control of its machinery. These proceedings entailed upon us disaster after disaster in county after county, city after city and town after town during the recent spring elections. The inevitable result will be that unless a remedy be found, and found speedily, a great body of Democrats throughout the state will be driven from the party, or at the best, made lukewarm, instead of enthusiastic supporters of its candidates.

We believe that if the chief participant in and promoter of these methods which we condemn, were today before the people of this state for their suffrages, he would be buried under an adverse majority of two hundred thousand. At the same time, we believe that any other man, not suspected of being under his control, and fairly nominated upon a Democratic platform, can carry the state by more than twenty-five thousand.

We believe that the proper way to correct party abuses is by action within the party; and as one step to that end, the Democratic electors of the state have been asked to assemble in primaries fairly called and fairly managed, and select delegates to a fair convention, with full confidence that the national convention will take such action as wisdom and sound policy shall dictate.

In view of these premises, it is

Resolved, That as Democrats having a profound interest in the maintenance and success of the principles of our party, we feel compelled by a sense of duty to condemn in emphatic terms the political methods which have resulted in foisting upon the Democratic party of this state a so-called delegation to the national convention, which, instead of fairly representing, in fact actually misrepresents the great body of the party in the state.

Resolved, That we ratify the call for the convention to be held at Syracuse on the 31st day of May, and we authorize the delegates there chosen to represent us at the national convention.

Resolved, That we disclaim and repudiate in connection with the movement in favor of the Syracuse convention any intention or desire to disrupt or in any wise injure the Democratic party; but, on the contrary, we insist that our participation in such movement is based upon the most earnest desire to preserve its integrity and ensure its success in the coming national contest, and upon the justifiable and warranted belief that such will be the result.

Resolved, That whatever may have been the estimation in which Senator Hill has been held in the past by the Democrats of this state, it is now evident that the course he has pursued with reference to the vital issues of tariff reform and honest money; his unscrupulous political methods in this state since last November; his unseemly and disgraceful efforts to obtain the presidential nomination, and his continued and contemptuous neglect of senatorial duty, have estranged from his support nine-tenths of the Democratic voters in the state, and his nomination, or the nomination of any man supposed to be subject to his influence or control, would result in the overwhelming defeat of the national ticket in the state.

Plain enough

—the way to a clear complexion, free from blotches, pimples, eruptions, yellow spots, and roughness. Purify your blood, and you have it. With pure, rich blood, an active liver, good appetite and digestion, the hue of health follows. Doctor Pierce's Golden Medical Discovery gives you all of them. It is the blood-purifier. There's no lack of them, but there's none like this. It's guaranteed to accomplish all that's claimed for it. In all diseases arising from torpid liver and impure blood, it benefits or cures, or the money is refunded. With an ordinary medicine, it couldn't be done. But this isn't an ordinary medicine.

It is the cheapest blood-purifier sold, through druggists, because you only pay for the good you get.

Can you ask more?
The "Discovery" acts equally well all the year round.

A Wonder Worker.

Mr. Frank Huffman, a young man of Burlington, Ohio, states that he had been under the care of two prominent physicians, and used their treatment until he was not able to get around. They pronounced his case to be consumption and incurable. He was persuaded to try Dr. King's New Discovery for consumption, coughs, and colds and at that time was not able to walk across the street without resting. He found, before he had used half of a dollar bottle, that he was much better; he continued to use it and today enjoys good health. If you have any throat, lung or chest trouble try it. We guarantee satisfaction. Trial bottle free at W. B. Morrison & Co.'s drug store.
