#### .. THE .. PRAETORIANS

You should join this grand order now.

##### WHY?

1. Because your loved ones need protection.
2. Because it is a Texas Order.
3. Because it is in a healthy, growing condition.
4. Because each year its income far exceeds its disbursements. Last year income exceeded disbursements \$53,985.
5. Because your certificate is backed by a rapidly growing reserve of nearly \$300,000.
6. Because this reserve is invested in the 16-story Praetorian Building—the most modern office building in the South—valued at \$400,000, and from which the Praetorians receive a rental in excess of \$40,000 per annum which is more than 10 per cent on the investment.
7. Because the rates are level and have never been changed. The rates are based on the N. F. C. tables and 5 per cent interest, and are, therefore, scientifically correct.
8. Because it is about one-third cheaper than Old Line Insurance and just as safe; the difference being in the item of expense. Statistics show that, on equal amounts of insurance the expense of Old Line companies is about ten times greater than the expense of Fraternal Orders.
9. Because our plan is reasonable and scientific, rather than unreasonable and exorbitant.
10. Finally, because your friends and neighbors and hundreds of others prominent in Texas affairs are already members and are proud to be called Praetorians.

#### Eye Use and Abuse.

These tired eyes of yours will stand less of strain, yet there is a limit to their patience and their power. You busy every day for miles and miles, but there will come a time when you will regret your present indulgence. Here are a few hints—Headache, Dizziness—Aches to Bright Light—Sleepy Feeling while Reading—Blurring of Objects either at close range or at distance—Frothing or Squinting—Stomaching or Burning Sensation in or around the eyes—Fatigue or requiring stronger light when reading—Dark Spots—Blurring or Bright Lights flashing before the eyes. These are but a few of the many symptoms.

Just think it over. I fit glasses for defective vision and eye trouble—that's all, but a little piece of glass will work wonders. I charge nothing for consultation. If glasses are not needed, I will tell you; if they are I will furnish them at a reasonable price. A trial is all I ask. Neither can you relieve the strain by "hoping your eyes will become stronger." Weak eyes, when in need of glasses, always go from bad to worse.

D. S. HEARN, Graduate Eye Sight Specialist, with Jno. M. Caldwell.

#### EDUCATION THE CHIEF THING

Educate your boys and girls in the schools and colleges of Bryan. There are none better anywhere and they can receive the best training here and at the same time be at home under the home influence so necessary in every boys and girls life. However, if you must educate them somewhere else, be sure to take them down and let them select a good, big, substantial trunk, and a neat, well-made suit case. It is generally understood in Bryan and the surrounding country that Coulter has the finest line of trunks and suit cases to be found anywhere. 237-48

#### HANDICAPPED.

This is the Case With Men Bryan People

Too many Bryan citizens are handicapped with a bad back. The accompanying pain causes constant misery, making work a burden and sleeping or lifting an impossibility. The back aches at night, preventing refreshing rest and in the morning is stiff and lame. Plasters and liniments may give relief but cannot reach the cause. To eliminate the pain and when you must cure the misery.

Doan's kidney pills cure such misery and cure them permanently. Can you doubt Bryan evidence?

Mrs. S. B. Board, Bryan, Texas, says: "Four years ago I learned of the value of Doan's Kidney Pills in cases of kidney trouble. At that time I was bothered by irregular passages of the kidney secretions and was compelled to seek relief. Doan's Kidney Pills, prepared at Russell & Moore's drug store came to my aid and proved their superiority over all other kidney remedies I had tried by dispelling of my trouble."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.
