**SURE CATARRH CURE.**

Bring the Forests of Pine and Eucalyptus to Your Home.

Germs cannot live when Hyomei (pronounced High-o-me) is used. You just breathe in this soothing yet most powerful antiseptic air and relief is immediate. It is exactly the same air as you would breathe in the forests of pine and eucalyptus of Australia where catarrh or consumption was never known to exist.

If you have catarrh and are constantly embarrassed because you must hawk, spit and snuffle, surely you will give Hyomei the attention it deserves, when E. J. Jenkins will guarantee this pleasant remedy to cure all this distress and humiliation, or will return your money.

Hyomei kills catarrh germs and relieves the soreness and distress in five minutes. It stops hawking and snuffing and makes you feel like a new man in a week. It is the surest and most satisfactory catarrh treatment known and gives comfort and relief to consumptives.

A complete outfit, including inhaler, costs but \$1.00, and extra bottles, if afterwards needed, cost but 50 cents. A few minutes time each day is all you need to quickly cure the most chronic case. Hyomei is sold by leading druggists.

**MI-ONA**

Cures Indigestion

It relieves stomach misery, sour stomach, belching, and cures all stomach distress or money back. Large box of tablets 50 cents. Druggists in all towns.

**"SIGNAL FIRES"**

Harrison Theater Company Played to Another Large Audience Last Night.

The Harrison Theater Company made good again last night and played to an audience that almost measured the capacity of the tent. The show grows in favor daily and instead of treating it as a joke and going through idle curiosity, the people are now recognizing it as a legitimate and genuine place of amusement, conducted by capable people, who give a good play cleverly presented each evening, and who spare no pains nor expense to protect their patrons and make them comfortable.

The splendid order is remarkable, in fact the management will not tolerate any other kind, and ladies and children can attend the performance in perfect safety unattended.

When the evenings are warm like last night, the sides of the tent are lowered to admit the breeze, and an abundance of ice water is provided which is free to the patrons. The manager of the show stated to the reporter today that they had never been received more enthusiastically any where, and had never been accorded better order and more respectful treatment than by the people of Bryan.

The bill last night was "Signal Fires," a western army and Indian drama in four acts, and its able presentation was greatly enjoyed by the audience. The scene was laid at an army post in the West, and the plot including treachery and intrigue, among some of the officers and patriotic loyalty on the part of the others. The noble qualities of an Indian chief, "Eagle Eye," and his high sense of honor, were beautifully portrayed, and through it all a touching love story ran which gave it added interest.

Tonight they present Chas. Harrison's 4 act Rural Comedy Drama, "Cloverdale" or "Home Life Down on the Farm." This is a very beautiful story with an interesting plot which holds the audience close attention from the rise to the last fall of the curtain, a play that everyone will enjoy as it has a good moral to it. Don't fail to see funny "Joke" tonight. Tomorrow they present the feature play of the week, "Mr. Jim Bailey," a true story of home life with a good plot and play that will live in your minds forever and make you all better for having seen it. It is the strongest dramatic production ever presented in Bryan.

**KANSAS CITY LIVE STOCK MARKET.**

Kansas City Stock Yards, September 20.—Run of quarantine cattle is dwindling each week, and is only one third as heavy as six weeks ago. The quality of the supply is also on the common stuff order, and bears more of the end of the season characteristics each week. Steer prices held about steady all of last week, but cows advanced 15 to 25 cents, and sold up to \$2.75 for good sized lots, although nothing as good arrived later in the week as the sprayed heifers at \$4.10 on Monday. Run is 50 cars today, market steady to 10 lower, steers at \$3.50 to \$4.40, cows \$2.75 to \$3.75, a full load of cows today at \$3.50, veal calves at \$4.00 to \$7.25, bulls \$2.80 to \$3.10. More of the steers now coming are light weights, 750 to 950 pounds, which sell at \$3.65 to \$4.10. Shipper buyers for the Eastern trade take most of these steers, a portion of which goes to distilleries in Illinois and Indiana, balance for immediate slaughter at different points. Shipments of stockers and feeders to country from here was the greatest of the year last week, 860 car loads, containing 25,000 cattle, and this trade is bolstering up the general cattle market in a very helpful way during the period of heavy marketing of grass cattle at all points.

The hog run last week at the five leading markets was 25 per cent short of same week last year. The market changed very little last week, the advantage of the lighter runs being nullified by hot weather, and reduced consumption of pork. Run today is 8000 head, market strong to 5 higher, top \$8.30, paid for heavy hogs and for medium weights made a new high mark, shippers paying \$8.25 for a load of 195 pound hogs. Bulk of sales today were \$7.50 to \$8.25. A good many pigs are appearing at the markets, selling at \$6.00 to \$7.40, and the trade generally regrets to see a disposition,

Striking manners are bad manners.—Hall.

however, small, to sacrifice the future long supply in this way.

Sheep and lambs are in moderate supply, sheep and yearlings steady last week, lambs a quarter lower. Run is 9000 today, market 10 to 20 lower on lambs, tops worth around \$7.25 now, although the best here today at \$6.90, medium class Arizonas. Yearlings are worth \$5.25, wethers \$5.00, ewes \$4.50 to \$5.00, feeding lambs \$6.15 to \$6.35, breeding ewes \$4.50 to \$5.10, old ewes \$2.35, feeding yearlings \$5.90. Bad railroad situation in the west has held down supply from the range country, but heavier runs are expected balance of this month.

J. A. RICKART,  
L. S. Correspondent.

**ROCKDALE'S MINERAL WELL.**

Perhaps the health of Rockdale was never better at this time of year, and this fact is doubtless due to the universal use of our mineral water. The drinking of this water has become a fad, and the fad is proving so beneficial that it is becoming a habit. Every day hundreds of people can be seen wending their way to this health-giving well with buckets, pitchers and other vessels in which the medicinal waters are carried to the various homes of the city. Our doctors report the health unusually good, while other cities are in the throes of typhoid, slow and other fevers. Rockdale is as healthy as a mountain resort. Another feature that is particularly gratifying is the people living in the country are drinking this water with beneficial results.—Rockdale Reporter.
