### Millinery Opening.

The annual fall opening of  
Mistrot Bros. & Co's Millinery de-  
partment took place yesterday,  
continuing last evening. As usual  
the whole of the mammoth  
establishment was tastefully de-  
corated. A show window was one of  
the features of the display. The  
dress goods, cloaks, skirts, rugs  
and lace curtains shown were ex-  
ceedingly handsome.

Upstairs in the millinery de-  
partment, however, was found the  
center of attraction and this de-  
partment was thronged with ladies  
throughout the day. Spanish  
turbans seem to lead in popularity  
this season. The popular colors are  
from delft to darker blue, with an-  
tomobile red in different shades.  
Breasts, plumes, birds, wings,  
aigrettes and furs are popular in  
trimmings. Velvet hats are very  
popular.

Among the noticeable patterns  
in hats were a breast toque in  
brown; green toque with violets  
and mink fur; black Spanish tur-  
ban with wings and mink fur;  
delft blue round hat with aigrettes,  
ornament, wings, lace and mink  
crown; large black hat with but-  
terfly and chiffon; velvet ties;  
medium sized cerise with black  
plumes, black fancy breasts and  
tucked moulin; dark gray toque  
with tucked pink taffeta and bird.  
The millinery department is in  
charge of Miss Burnham assisted  
by Miss Martin.

In the eve ing the attendance

was very large, and music was  
supplied by the Harris band which  
made its first public appearance  
and was received with great favor  
and applause. The band boys  
have made remarkable progress  
since their organization and de-  
serve great credit individually and  
collectively.

### BRYAN IS SICK.

He is Suffering From an Affection of the  
Throat and Lungs.

Chicago, Oct. 9.—A special to The  
Chronicle from Webster, Ia., says W. J.  
Bryan is a very sick man. Friends who  
have spent Sunday with him at the  
farm of Fred E. White, Democratic candi-  
date for governor of Iowa, three miles  
from Webster, are afraid that Mr. Bryan  
may have to temporarily abandon his  
campaign work not only in Iowa, but in  
Kentucky and Ohio.

When Mr. Bryan awoke Sunday  
morning he complained about his throat  
and lungs, but said he had suffered from  
a similar ailment once before and that  
it had yielded to treatment.

Great crowds of farmers from all over  
Keokuk county called at the White  
farm to see Mr. Bryan during the morn-  
ing and afternoon, and although he tried  
hard to remain out doors, his physical  
weakness mastered his courage and he  
had to retire several times to his room.  
A local physician who was called in  
Sunday recommended a long term of  
absolute rest and quiet.

It is understood steps have been taken  
by interested friends to cancel Mr.  
Bryan's engagements, which include  
two and three speeches daily in a tour  
covering the width of Iowa, ending at  
Sioux City on Saturday.

### Naptha Launch Explodes.

Jacksonville, Fla., Oct. 6.—The Nap-  
tha launch Idliwild, belong to Alexan-  
Uedeman and his brothers, exploded  
near Mayport, at the mouth of St.  
Johns river and was totally consumed by  
fire. Alexander Uedeman is missing.  
Will White one of the party was badly  
burned about the face and head. Ed  
Uedeman is also burned, but not seri-  
ously. The survivors were brought to  
the city.

### Mayor Peabody Ousted.

Taylorville, Ill., Oct. 9.—A decision  
of the Illinois supreme court ousted W.  
E. Peabody as mayor of this city and  
installed E. Bach. The failure of the  
former's attorneys to file the record of  
the appeal in the Bach-Peabody election  
contest caused the change. Mr. Peabody  
was elected mayor last spring by six  
votes. His opponent, Bach, contested  
the election in the circuit court and was  
declared elected by four votes. Peabody  
appealed the case, but the neglect of  
his attorney has precluded the possibi-  
lity of a reversal of the decision.

### Hurt in a Wreck.

Laredo, Tex., Oct. 9.—The incoming  
Mexican National passenger train ran  
into the rear end of a freight 80 miles  
south of Laredo. It seems that the

train, leaving the caboose on the main  
track. The caboose was knocked over  
and Conductor Gongora was badly hurt.  
The engine had its rods stripped from  
one side and the Pullman had all the  
windows torn out. No passengers were  
hurt.

and a wounded negro is the result of a  
miniature war which was waged near  
the J. F. ranch in the northeast corner  
of Throckmorton county, about 25 miles  
from Seymour. The negro, John Stell,  
is in the Throckmorton county jail  
charged with killing Whit Johnson and  
mortally wounding L. R. London. The  
latter is still alive but was shot through  
the bowels and is reported dying. The  
negro was slightly wounded in the face.

### General Fight and Arrests.

Texarkana, Tex., Oct. 9.—News

two miles north of this place, on the

fight that occurred there among mill  
hands, all colored. Several of the par-  
ticipants were seriously hurt and a gen-  
eral arrest followed the disorder.

### Boy Held Up.

Beaumont, Tex., Oct. 9.—Parties  
from Kirbyville report that a small boy  
riding a horse to mill was held up and  
his horse taken from him by a lone high-  
wayman. The boy was not harmed.  
The boy reported the occurrence to citi-  
zens of Kirbyville, who organized a  
posse and are searching for the man.

### McGinnis Convicted.

Eaton, N. M., Oct. 9.—William H.  
McGinnis, the train robber, who has  
been on trial the past week for the mur-  
der of Sheriff Edward Farr of Walsen-  
burg, Colo., has been found guilty of  
murder in the second degree.

### Car and Train Clashed.

Warren, O., Oct. 9.—A street car on  
the Trumbull line containing 23 passen-  
gers was struck by a train on the Pitts-  
burg and Western road at Niles. Bert  
S. Ward of De Forest was killed and  
several others hurt.

### Verdict for Plaintiff.

Marshall, Tex., Oct. 9.—Judge  
McGee in the district court here  
rendered a judgment in favor of the  
heirs of W. B. Fraley against the  
Woodman of the World for \$1000, the  
amount of the policy held by Fraley.

### Stabbing Affray.

Hillsboro, Tex., Oct. 9.—In a difficul-  
ty at the Katy depot Columbus Parr, a  
negro, was stabbed twice in the back  
and his left arm was badly cut. A ne-  
gro was jailed charged with the offense.

### Killed While Resisting Arrest.

Buda, Tex., Oct. 9.—A negro named  
Frank Smith was killed here at the Alli-  
ance gin while resisting arrest and an  
attempt to search him by the constable  
and a deputized officer.

### Killed in a Slaughtering Room.

Kansas City, Oct. 9.—Edward Clark,  
a butcher, was shot and instantly killed  
by John F. Beilestein, a fellow workman  
in the killing room at Armour's pack-  
inghouse. The men had just begun  
work, when Beilestein, who had been ly-  
ing in wait for his victim, fired one shot  
the bullet striking Clark in the back of  
his head and killing him instantly. The  
assassin surrendered himself to a watch-  
man. He said Clark had slandered his  
wife and threatened to kill him on  
eight. Beilestein is believed to be insane.  
He is well known about the packing  
houses. He holds the championship re-  
cord for dressing a beef.

### Pardoned for Saving a Life.

Washington, Oct. 9.—For saving the  
life of an American soldier, Major  
General Otis has granted a full pardon  
to Domingo Manglo, a Filipino prisoner,  
who was sentenced by a special court  
in 1897 to penal servitude for six years  
for robbery. Manglo suffered confine-  
ment for the alleged offense four years  
prior to his trial and conviction. Dur-  
ing the attack on Manila last February  
by insurgent sympathizers, the prisoner  
saved the life of an American soldier  
and the provost marshal general report-  
ed the prisoner had displayed good con-  
duct during the time he had been under  
surveillance by Americans.

### Fell to His Death.

St. Louis, Oct. 9.—William Cosgrove,  
50 years of age, a laborer in the employ  
of Contractor James Bright, on a build-  
ing in construction, fell to his death  
from the fourth floor. Cosgrove was  
walking along the brick work of the  
building when he lost his balance and  
fell to the pavement striking upon his  
head on a pile of iron. Death was in-  
stantaneous, almost every bone in his  
body being broken.
