ALMOST A LYNCHING.

Police Had to Fight at Chicago to Save a Negro Rapist.
Chicago, Nov. 21.—A mob composed of men and women defied drawn revolvers and fought with 20 policemen Tuesday night in an attempt to lynch Harry Evans, a negro man, arrested on a charge of assaulting 7-year-old Freda Guendal. The hundreds of persons who had gathered around the home of the little girl, whose death was feared, were greatly excited when Evans, who had been captured an hour before, was brought before his victim for identification.
"Hang the black scoundrel!" "Lynch him!" shouted the spectators as the prisoner was brought to the doorway of the Guendal home. The two officers who had charge of the negro, after a free use of their clubs on the maddened crowd, finally managed to shove Evans into the house where the little girl identified him as her assailant.
When the people learned that Evans had been identified by his victim they became frenzied and made another rush for Evans. In the meantime, however, a riot call had been sent in and a wagon load of blue coats appeared on the scene just in time to prevent the crowd from overpowering the officers and securing the negro. After a fierce struggle in which a score of people were more or less seriously injured, the police dispersed the mob and landed Evans safely in jail.
MORMONS MAKE APPEAL.
Asks Mexico to Give Them Better Protection from the Apaches.
Chihuahua, Mex., Nov. 21.—The Mormon colonies of Durban, Pacheco, Oaxaca, Diaz and Juarez, all of which are located in the state of Chihuahua, with the exception of Oaxaca, which is situated on the Bayiste river in the state of Sonora, have appealed to the military authorities of Mexico for protection against further raids from bands of hostile Indians.
Preparations are being made by the war department to strengthen the military garrisons at all the western posts, and to annihilate the force of Apaches who made the bloody attack on the Pacheco settlement a few days ago. These Apaches have taken refuge in the Sierra Madre, and their pursuit will be difficult.
The Pacheco colony was established by the Mormons from Utah in 1850. It has a population of about 1200 people. The other Mormon colonies are located in the same section of the state and are all in a flourishing condition. Their principal industries are cattle raising and farming.

ROBBERS MAKE A FIGHT.

Nine Held Off Citizens While Three Dynami- quitted a Bank's Vault.
Delaware, O., Nov. 21.—A dozen professional bank robbers made a desperate attempt to secure the contents of the money vault of the Sperry & Warnstaff's deposit bank at Ashley, ten miles north of here just before daylight yesterday.
While nine stood on guard holding the citizens at bay with their guns, three used dynamite under the deposit vault of the brick building. The bank's property is worth \$50,000 and there was \$10,000 in cash deposit on hand. Four attempts were made to get at the cash, but the inside door held to its combination, while the guards outside were shooting at the citizens who pressed closely upon them.
The damage to the bank building, vault and other property is about half its value. All the robbers escaped.
Battle of Reconstruction.
Corsicana, Tex., Nov. 21.—In the overhauling of the court house offices by the newly elected officers there was uncovered an old register used in 1867 by the county judge in which was inscribed the oaths of citizens required by the reconstruction laws before the subscribers were permitted to vote. The register is larger than the Holy Bible and contains the oath taken by several thousand Navarro county people. It will be preserved as a relic.

Florida's Capital Will Remain.

Jacksonville, Nov. 21.—The state Democratic executive committee has finished the canvass of the vote in the recent primary on the capital removal question. The totals are: Tallahassee, 16,744; Jacksonville, 7673; Ocala, 4917; St. Augustine, 2881. Tallahassee, the present seat of the capitol, got a majority over all of 1269.
Next Convention at Portland.
Washington, Nov. 21.—Portland, Me., has been selected by the Patrons of Husbandry as the place for the next annual convention. The order adopted a resolution setting apart the third Sunday in June to be observed by members of the organization through the country as a grange memorial day.
Manley Resigns.
Augusta, Nov. 21.—Joseph Manley, for 16 years chairman of the executive committee of the Maine Republican state committee, has sent in his resignation as a member of the state committee to take effect when the incoming committee is organized.
