PARLIAMENT TO INVESTIGATE.

London, Dec. 4. --The Morning News says: The rumored deficiencies in the Bank of England are about to be brought to the notice of parliament. Every effort was made to hush up the details, but the inner ring of the financial world has sustained such a shock that it will be no longer possible. At least £180,000 are involved, but no allegation of fraud has yet been made, nor is the question of prostitution contemplated. It is certain that a deficit is connected with the realizable value of certain securities on which advances have been made.

Does your scalp itch? Is it dry or in a heated condition? If these are some of your symptoms be warned in time or you will become bald.

Even the scalp cleans, healthy, and free from irritating eruptions, by the use of Skookum Root Hair Grower. It cures psoriasis, eczema, which feed on and destroy the hair.

If your druggist cannot supply you send direct to us, and we will forward by express, on receipt of price. Growers, also for sale, 4 for \$1.00, 12 for \$2.50, 24 for \$4.50.
