

## A ? FOR THE JURY

Between 10c and \$50,000.00

If a workman while at work in a factory demanding keen vision of every employee, lost his eye sight owing to an accident and sued his employer for \$50,000 damages and the defense introduced sworn proof that the plaintiff had always fitted himself with glasses at a 10c store, which could not prove for his efficiency, what proportion of the amount sued would the jury award?

The above question is for the purpose of bringing out more clearly that one of the serious drawbacks to greater Conservation of Human Vision is the Wearing of 10c Glasses.

With Optometry Laws for Eye Safety now requiring those who examine eyes for glasses to have four years' high school education and two years' instruction in Special Optical Science and then successfully pass a State Board Examination to show proof of proficiency, how can the untrained intelligently fit themselves to a pair of glasses?

Some day even those who go to a 10c store for a dishpan will point the finger of ridicule at anyone who fits himself to 10c Glasses.

In the meanwhile how soon will public sentiment cause 5 and 10c store owners to display signs in their windows that read: "No 10c Glasses Sold Here."

If you wear 10c Glasses, think it over.

## DEMONSTRATION FUND IS VOTED

### QUORUM COURT MEETS

APPROPRIATIONS ALSO MADE FOR CANNING AGENT AND TICK ERADICATION.

From Wednesday's Daily.

With but one dissenting vote, that of Justice of the Peace P. F. Johnson of Mathews township, an appropriation for farm demonstration work, which was overwhelmingly defeated one year ago, was made by the Faulkner county quorum court this afternoon. Twelve hundred dollars was voted for this purpose. The court also appropriated \$600 for a canning club agent and levied a tax of five cents per head on all cattle in the county for tick eradication work.

Numerous talks were made at the afternoon session of the court, when the appropriations were made. After reconvening, Justice J. F. Raney made a motion to reconsider the vote by which the court refused to levy the tick eradication tax, 18 to 14, at the morning session, and the levy was unanimously adopted. Mr. Raney declared that the tax levied by the legislature and could not be defeated anyway, and that he desired to see the work given a trial in this county.

Prof. J. L. Bond of the state department of education, at the request of State Agent C. W. Watson of the farm demonstration work, presented the matter of an appropriation for this purpose to the court. He showed the wonderfully increased yields of corn, cotton and other products under the government methods and outlined the work of the government agents and the support the government was giving the work. County Agent J. L. Phillips, for whose salary Conway merchants made subscriptions last year, submitted an annual report covering the work of the late J. W. Parlier, who died June 22, and of himself since that time. Mrs. Anna Pittman and Mrs. J. D. Collier urged the need of an appropriation for a canning club agent, and pointed to specimens of canning which had been done by Faulkner county girls under the direction of Miss Myrtle Smith. Miss Smith submitted her annual report,

showing a surprisingly large amount of work and interest in the county.

Among the justices of the peace who spoke in favor of an appropriation for both purposes, were J. F. Raney, L. B. Atkinson, G. M. Easterwood, F. J. Snow, J. W. Hancock and J. R. Blessing. Some of them declared that they had undergone a change of mind concerning this work. It was not of much benefit, some of them stated, to the older farmers, but the boys and girls of the county were making wonderful advances by reason of it. W. R. McHenry urged the need of two demonstrators instead of one.

The vote finally came up on the question as to the amount of the appropriation, and by a close vote, \$1,200 for the demonstrator and \$600 for the canning club agent was decided upon, instead of \$1,000 for the demonstrator and \$800 for the canning agent.

The court also appropriated in addition to the usual funds \$100 for the health expenses, it being explained that the amount needed could not be ascertained, but any necessary amount could be drawn from a nominal appropriation. On motion of Justice Raney an appropriation of \$350 out of the general road fund was made to pay traveling expenses of the county judge as road commissioner, who agreed to visit every township at least two or three times a year and direct the road work. One hundred dollars was appropriated to pay a reward subscribed conditionally for the county for the capture of Lee Blount, slayer of Deputy Sheriff O. L. Honea.

The following other appropriations were made: Circuit court, \$6,430; county court, \$1,000; probate court, \$450; magistrate's court, \$500; prisoners in jail, \$800; tax and assessment books, \$1,500; roads and bridges, \$1,500; keeping paupers, \$700; fuel, lights and stationery, \$100; other legal expenses, \$1,100.

All business except the appropriations was completed at the morning session of the court. Thirty-four justices of the peace were in attendance. Accompanied by Prof. R. E. Womack, the history classes of the State Normal and a number of other visitors were present at the meeting.

The first order of business was the annual report of County Judge J. W. Holt, who presided over the court, and made his report orally. Judge Holt said that limited finances had prevented many needed public improvements, but that two good bridges had been built and several others repaired.

Better progress, he stated, had been made in road improvement than for several years and the roads were now in reasonably good condition. Two very expensive terms of circuit court, including two special sessions, he stated, was largely responsible for an increase in the county indebtedness.

County Clerk J. A. Lea read a lengthy detailed report of the finances of the county and its road and school districts. According to his report, the appropriation of \$17,126.46 made a year ago had been overdrawn \$5,109.52, the total allowances being \$22,229.98. The allowances on the various county funds during the year were as follows: Circuit court, \$8,098.57; county court, \$1,216.35; probate court, \$115.66; magistrate court, \$865.65; keeping prisoners in jail, \$1,074.86; keeping paupers, \$587.20; roads and bridges, \$5,285.46; other legal expenses, \$2,743.35; bloodhounds, \$570; county physician, \$150; farm demonstration, \$507.95.

The reports of County Treasurer J. R. Giddens and Sheriff W. W. Bishop were on motion received without reading.

The court then took up the levy of the taxes. The state taxes as certified by Auditor M. F. Dickinson were levied unanimously, as follows: State general, 2 1-4 mills; state school, 3 mills; state pension, 2 mills; state capitol, 1-8 mill. The county general tax of 5 mills and the county road tax of 3 mills were also levied without a dissenting vote, as was the city tax of 5 mills for the city of Conway and 5 mills for Fencing District No. 2.

Considerable discussion resulted from a special request that Damascus school district be permitted to levy an extra 5-mill tax for building purposes, in addition to the maximum levy of 7 mills. District No. 27 had also levied 8 mills, but the court decided that it was without power to levy any tax in excess of 7 mills, and this amount was levied in the two districts named, with all other district school tax as voted in the May elections.

## R. L. BRAWNER BUYS HEBER SPRINGS PAPER

From Tuesday's Daily.

Robert L. Brawner, for the past two years city circulation manager of the Log Cabin Democrat, left today for Heber Springs, where he has just purchased from T. E. Reaves of Memphis the Heber Springs Headlight, and he will be in active charge of that paper in the future. Mr. Brawner is not a stranger to the newspaper business, having established the Gazette at Magazine, Ark., which he conducted successfully for several years. While living at Magazine he represented Logan county in the legislature. In the trade Mr. Reaves becomes the owner of Mr. Brawner's residence property in the Davies and Garvin addition to this city. Mr. Brawner and family have many friends in Conway who regret their departure and wish them much success in their new home.

## MANY EXHIBITS AT CLUB EXPO

From Wednesday's Daily.

Practically every variety of fruit and vegetable that can be canned and all kinds of farm products are on display at the boys' and girls' club exhibition, which is being held in the Hartley building, 315 North Front street, this week. The boys' pig club and the girls' poultry club exhibits are being displayed at the fair grounds. The exhibition is being held under the supervision of John L. Phillips, county demonstration agent, and Miss Myrtle Smith, county club agent.

It is expected that many more exhibits will be received tomorrow in all departments. The judges will grade the exhibits tomorrow and prizes will be given the winners. Everybody is invited to view the exhibits.

## STATE'S DEBT IS REDUCED HALF

Little Rock, Oct. 22.—State Treasurer R. G. McDaniel estimates that if the assessments are normal and the collections are good, there will be money in the general revenue fund for several months next year after all the state's obligations are paid. The total amount of outstanding warrants October 21, 1914, was \$296,353.23, and yesterday the total amount was \$119,386.98. This shows a very decided reduction.

Miss Gertrude Dickinson of Fayetteville is visiting in the city.

## MINSTREL TO OPEN ANNUAL CARNIVAL

### BIG PARADE ON FRIDAY

ONE HUNDRED LITTLE GIRLS WITH DOLLS AND BUGGIES WILL BE FEATURE.

From Wednesday's Daily.

A local talent minstrel, the cast including a number of real Africans, to be presented tomorrow night at the Grand, will open the second annual street and school carnival to be given by the Conway School and Civic Club. This offering is guaranteed by the committee in charge to be absolutely the most entertaining attraction of the season. Stunts that never before have been seen in Conway will be pulled off tomorrow night. And with the price of admission only a pair of jitneys the opera house doubtless will be crowded to its capacity.

Friday afternoon at 3:30 o'clock, the doll parade will be staged. The children who are to participate in it are requested to meet at 3 o'clock at the passenger station, from which place the parade will start. The line of march will be north on Front street to the end of the broad pavement in front of Plunkett-Jarrell Grocery Co., where it will be concluded. The doll parade is expected to be one of the most beautiful spectacles ever seen in Conway. More than 100 little girls probably will march in the parade, each with her doll and doll buggy.

The grand parade will begin at 4:30 o'clock, starting at the south end of the pavement on Front street. The order of the parade will be as follows:

City officials in wagonette, Hendrix College band, Hendrix student body, Central College students, Central float, officers of Conway School and Civic Club, automobiles, queen's float, Camp Fire Girls, Boy Scouts, Normal School band, Normal float, Normal students, business men's float, carriages and buggies, public school float, public school pupils, clowns' float.

All who expect to participate in the parade are requested to meet on the vacant lot east of the passenger station. The line of march will be from the place of formation north to East Oak street, east on East Oak street to Chestnut, north on Chestnut to Spencer, north on Spencer to Wright, west on Wright to North Front, south on Front to the public square, where it will disband.

Following the street parade the Civic Club will have on sale all kinds of sandwiches and soft drinks. Everybody is expected to buy his lunch. All who fail are subject to "arrest," and if found guilty will be fined in any sum not exceeding 10 cents.

### HOW TO BE EFFICIENT.

Nothing saps the vitality like kidney trouble. It causes backache, headache, stiff joints, sore muscles, "always tired" feeling, rheumatism and other ills. To be efficient, you must be healthy. Foley Kidney Pills strengthen the kidneys, help them do their work of filtering out from the system the waste matter that causes the trouble. Gresson Drug Co.—Adv.

## "CASCARETS" BEST IF HEADACHY, BILIOUS, SICK, CONSTIPATED

BEST FOR LIVER AND BOWELS, BAD BREATH, BAD COLDS, SOUR STOMACH.

Get a 10-cent box. Sick headache, biliousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is reabsorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet, breath right, complexion rosy and your liver and bowels regular for months.—Adv.

## MOTHER! DON'T TAKE CHANCES IF CHILD'S TONGUE IS COATED

IF CROSS, FEVERISH, SICK, BILIOUS, CLEAN LITTLE LIVER AND BOWELS.

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which becomes clogged up with waste, liver gets sluggish, stomach sour.

Look at the tongue, Mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrup. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."—Adv.

The chicken supper given Saturday by the women of Reeves school proved quite a success. A large crowd was present. Everyone contributed something, the proceeds being \$1.00, which will be used in the school's improvement. After supper the spelling match took place between the folks, Mrs. George Sterner and R. C. Thompson winning the cake.

## MRS. MELTON'S LETTER

To Tired Worn-out Mothers

Jackson, Miss.—"I shall feel no regret for writing this letter if I can help a tired, worn-out mother or housewife to find health and strength as I have. I have a family of five, seven, and do my housework and I became so much run-down in health. A friend asked me to try Vinol. I did so and I am well and strong and my old energy has been restored. Vinol is superior as a tonic for worn-out, down, tired mothers or housekeepers."—Mrs. J. N. MELTON, Jackson, Miss. Florence Drug Co., Conway, Ark.
