

Port Gibson Reveille.

Telephone No. 29.

THURSDAY, NOV. 5 1903.

H. H. CRIBLER.

Entered at the postoffice at Port Gibson, Miss. as second-class mail matter.

Subscription.....\$3 per year.

The federal court has granted a perpetual injunction restraining the railroad commission from regulating rates on the Gulf & Ship Island railroad because of certain clauses in its charter.

The Democrats carried New York city overwhelmingly, McClellan being elected mayor by about 65,000 plurality.

The Commercial-Appeal of last Sunday contained a pretty write-up of "La Cache," the Claiborne county home of Blennerhassett.

The Democrats carried Maryland, Kentucky, Mississippi and New York city Tuesday, while the Republicans carried Ohio, Nebraska (Bryan's state), Colorado, Iowa and Rhode Island.

Poor Tom Johnson, the circus man, lost everything in Ohio. Mr. Johnson is a clever fellow, but he is a better manager of street railways than he is of political campaigns.

An insurrection is rapidly spreading on the Isthmus of Panama, probably fostered by the Washington government for the purpose of boosting the canal proposition.

Tuesday's Election.

There were only 184 votes polled in Claiborne county last Tuesday—73 in Dist. one, 61 in two, 14 in three, 36 in four and 27 in five.

For supreme court clerk, Brown got 91 (carrying the county), Yenger 8, Myers 75, Brady 2, Fant 6.

The latest obtainable news from the state generally shows that either Brown or Myers will be elected.

Mr. Abernethy in town Nov. 25th with a line of diamonds. Would like for everybody to call and see them.

Yours truly, LOUIS HIBOU.

Won by Claiborne Boys.

The Lake Providence (La.) Banner-Democrat says: "Messrs. R. K. and C. M. McAlpine, of the Bend, won the first prize on having a bale of cotton at the fair that had the longest staple. The judges said that it was about as fine long staple cotton as they ever saw. These gentlemen planted about half their crop in Allen seed, and make from 125 to 150 bales a year, which bring them from 16 1/2 to 17c. per pound. They are practical farmers, understand the business thoroughly and never fail to make good crops and plenty of money."

Messrs. McAlpine are Claiborne county boys, having spent almost their entire lives here, and their friends congratulate them upon their success.

Chamberlain's Cough Remedy is Pleasant to Take.

The finest quality of granulated loaf sugar is used in the manufacture of Chamberlain's Cough Remedy, and the roots used in its preparation give it a flavor similar to maple syrup, making it quite pleasant to take. Mr. W. L. Roderick, of Poolesville, Md., in speaking of this remedy, says: "I have used Chamberlain's Cough Remedy with my children for several years and can truthfully say it is the best preparation of the kind I know of. The children like to take it and it has no injurious after effect."

A Large Bald Eagle.

Last Saturday while hunting in the forest near his home, Mr. G. B. Wheelless was startled by a terrible flapping of wings, the noise of which made his hair stand upon end. After recovering from the shock, he discovered, only about twenty yards from him sitting upon a tree, a large bald eagle. He fired at the fowl, killing him instantly. He sent his game to Port Gibson to give his friends an opportunity of seeing it.

The eagle was, according to authorities on the subject, a young bald eagle, though the feathers were a dark brown, with occasionally a white one interspersed. It measured 6 feet from tip to tip.

The Best Liniment.

"Chamberlain's Pain Balm is considered the best liniment on the market," writes Post & Bliss, of Georgia, Vt. No other liniment will heal a cut or bruise so promptly. No other affords such quick relief from pains. No other is so valuable for deep seated pains like lame back and pains in the chest. Give this liniment a trial and you will never wish to be without it. Sold by Pope Drug Company.

The Waifs of New York.

Comes to the Port Gibson Opera House November 10th. One of the qualities of this play, in which merry Katie Emmett has been before the public for over a dozen years, is a fact that appeals to all classes, not only to the boy in the gallery for its sensational rescue at the Harlem railroad bridge, but to those in the high-priced seats for its heart interest, its loyalty of the boy waif to the poor, half-starved and abused little girl, and the fact that its comedy reaches every nook and cranny of a playhouse with its unctious.

Incendiarism.

Tuesday night about 10 o'clock some one set on fire several bales of cotton near the gin of Mr. J. K. Highlander near Big Black river. The plantation hands discovered the fire and gave the alarm. By the help of a most willing plantation force, Mr. Highlander saved his gin and 25 bales of cotton, losing five bales which were almost entirely burned up. There was no insurance on the cotton.

Don't forget the old man with the fish on his back.

For nearly thirty years he has been traveling around the world, and is still traveling, bringing health and comfort wherever he goes.

To the consumptive he brings the strength and flesh so much needs.

To all weak and sickly children he gives rich and strengthening food.

To thin and pale persons he gives new firm flesh and rich red blood.

Children who first saw the old man with the fish are now grown up and have children of their own.

He stands for Scott's Emulsion of pure cod liver oil—a delightful food and a natural tonic for children, for old folks and for all who need flesh and strength.

FROM SOUTH AFRICA.

New Way of Using Chamberlain's Cough Remedy.

Mr. Arthur Chapman, writing from Durban, Natal, South Africa, says: "As a proof that Chamberlain's Cough Remedy is a cure suitable for old and young, I pen you the following: 'A neighbor of mine had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that if they would get a bottle of Chamberlain's Cough Remedy and put some upon the dummy teat the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief and cured the baby.' This remedy is for sale by Pope Drug Company."

"I was taken severely sick with kidney trouble. I tried all sorts of medicines none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what B. F. Bass, of Fremont, N. C., writes. Only 50c at J. A. Shreve, Druggist.
